The varsity football players huddle together to get the student body pumped up for an amazing season full of touchdowns and wins.

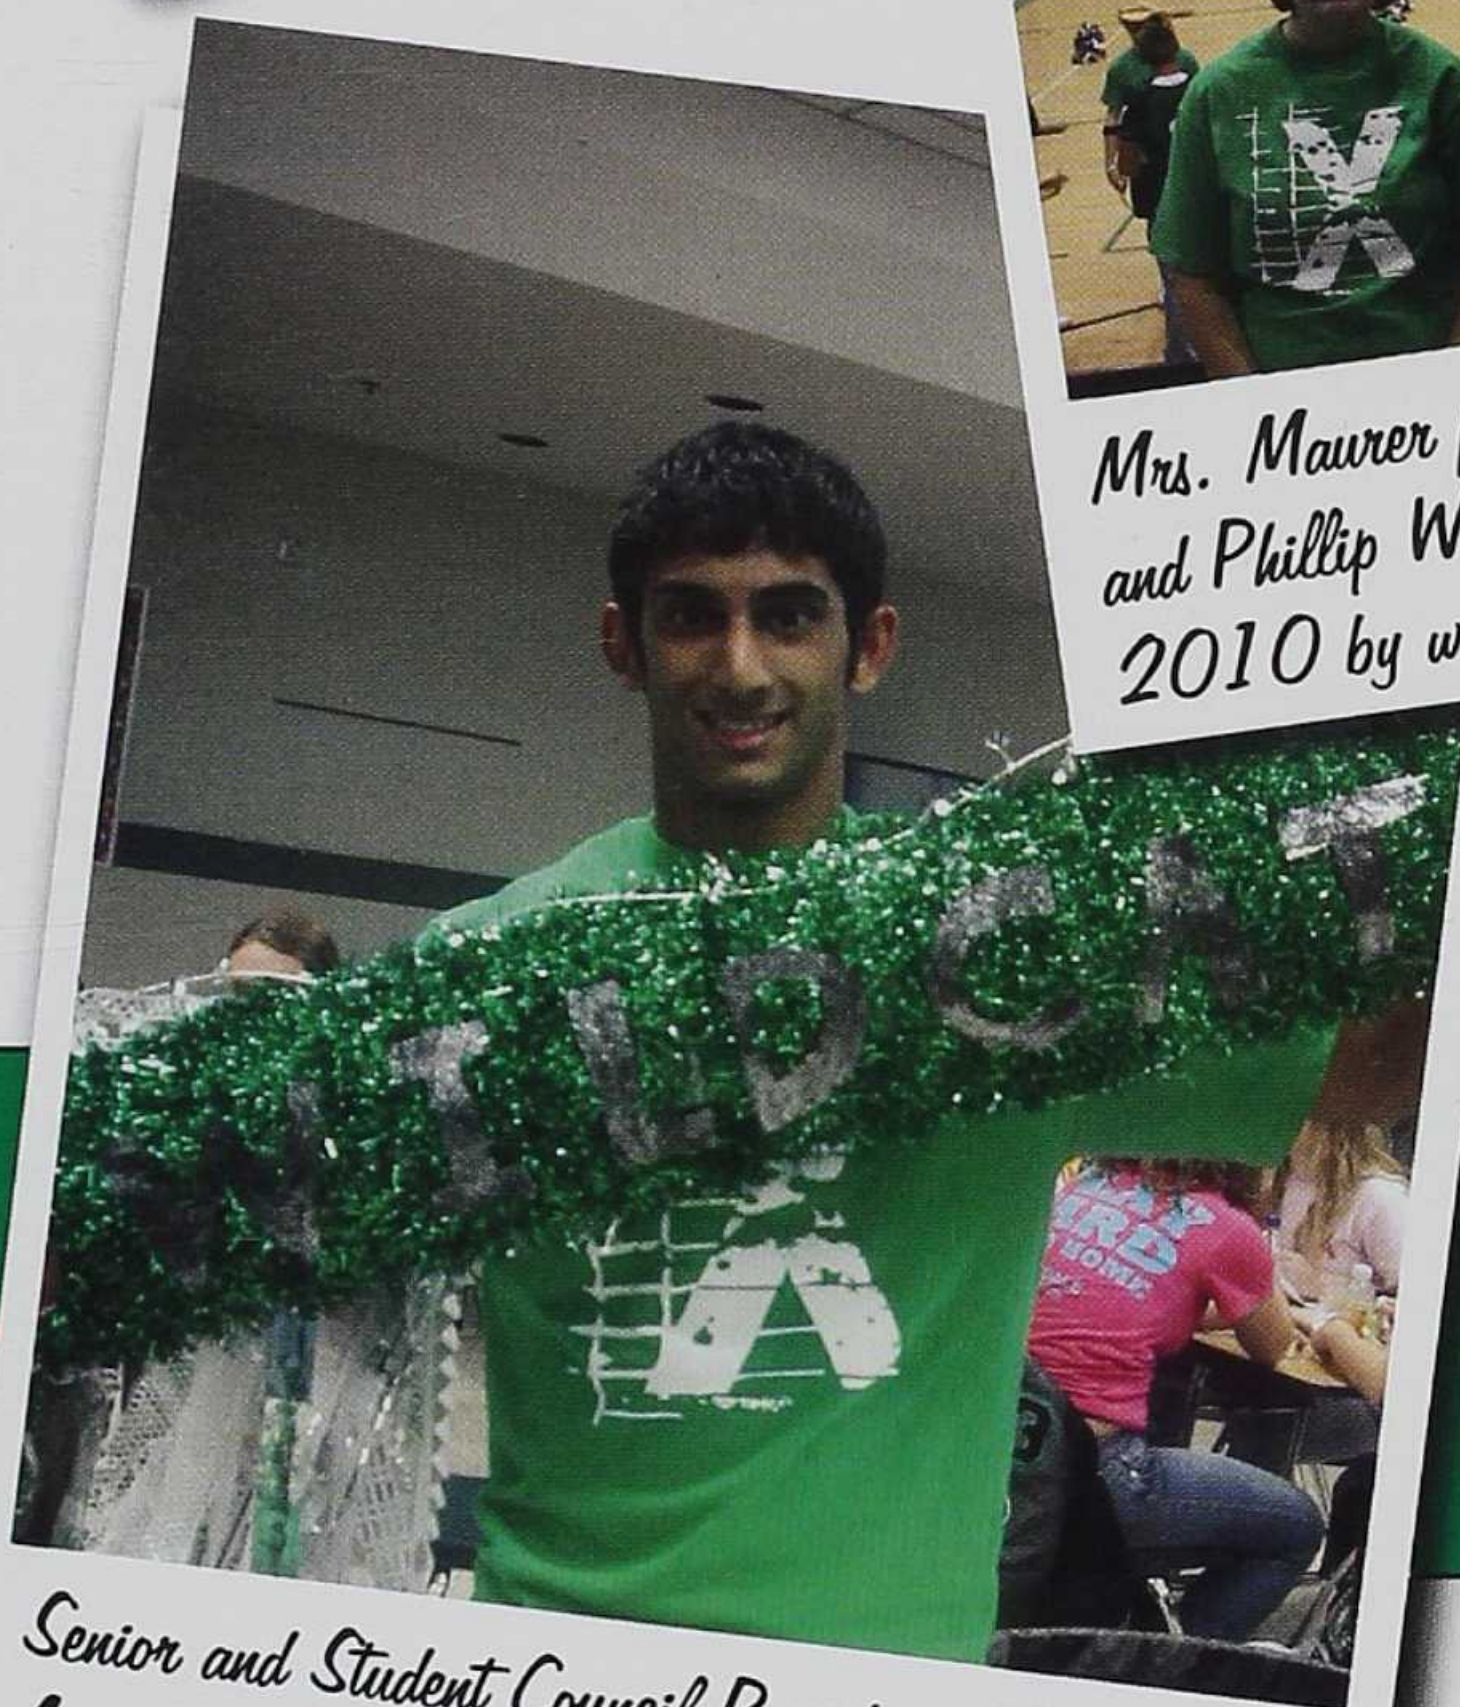

Willie never fails to get the crowd on their feet at pep rallies.

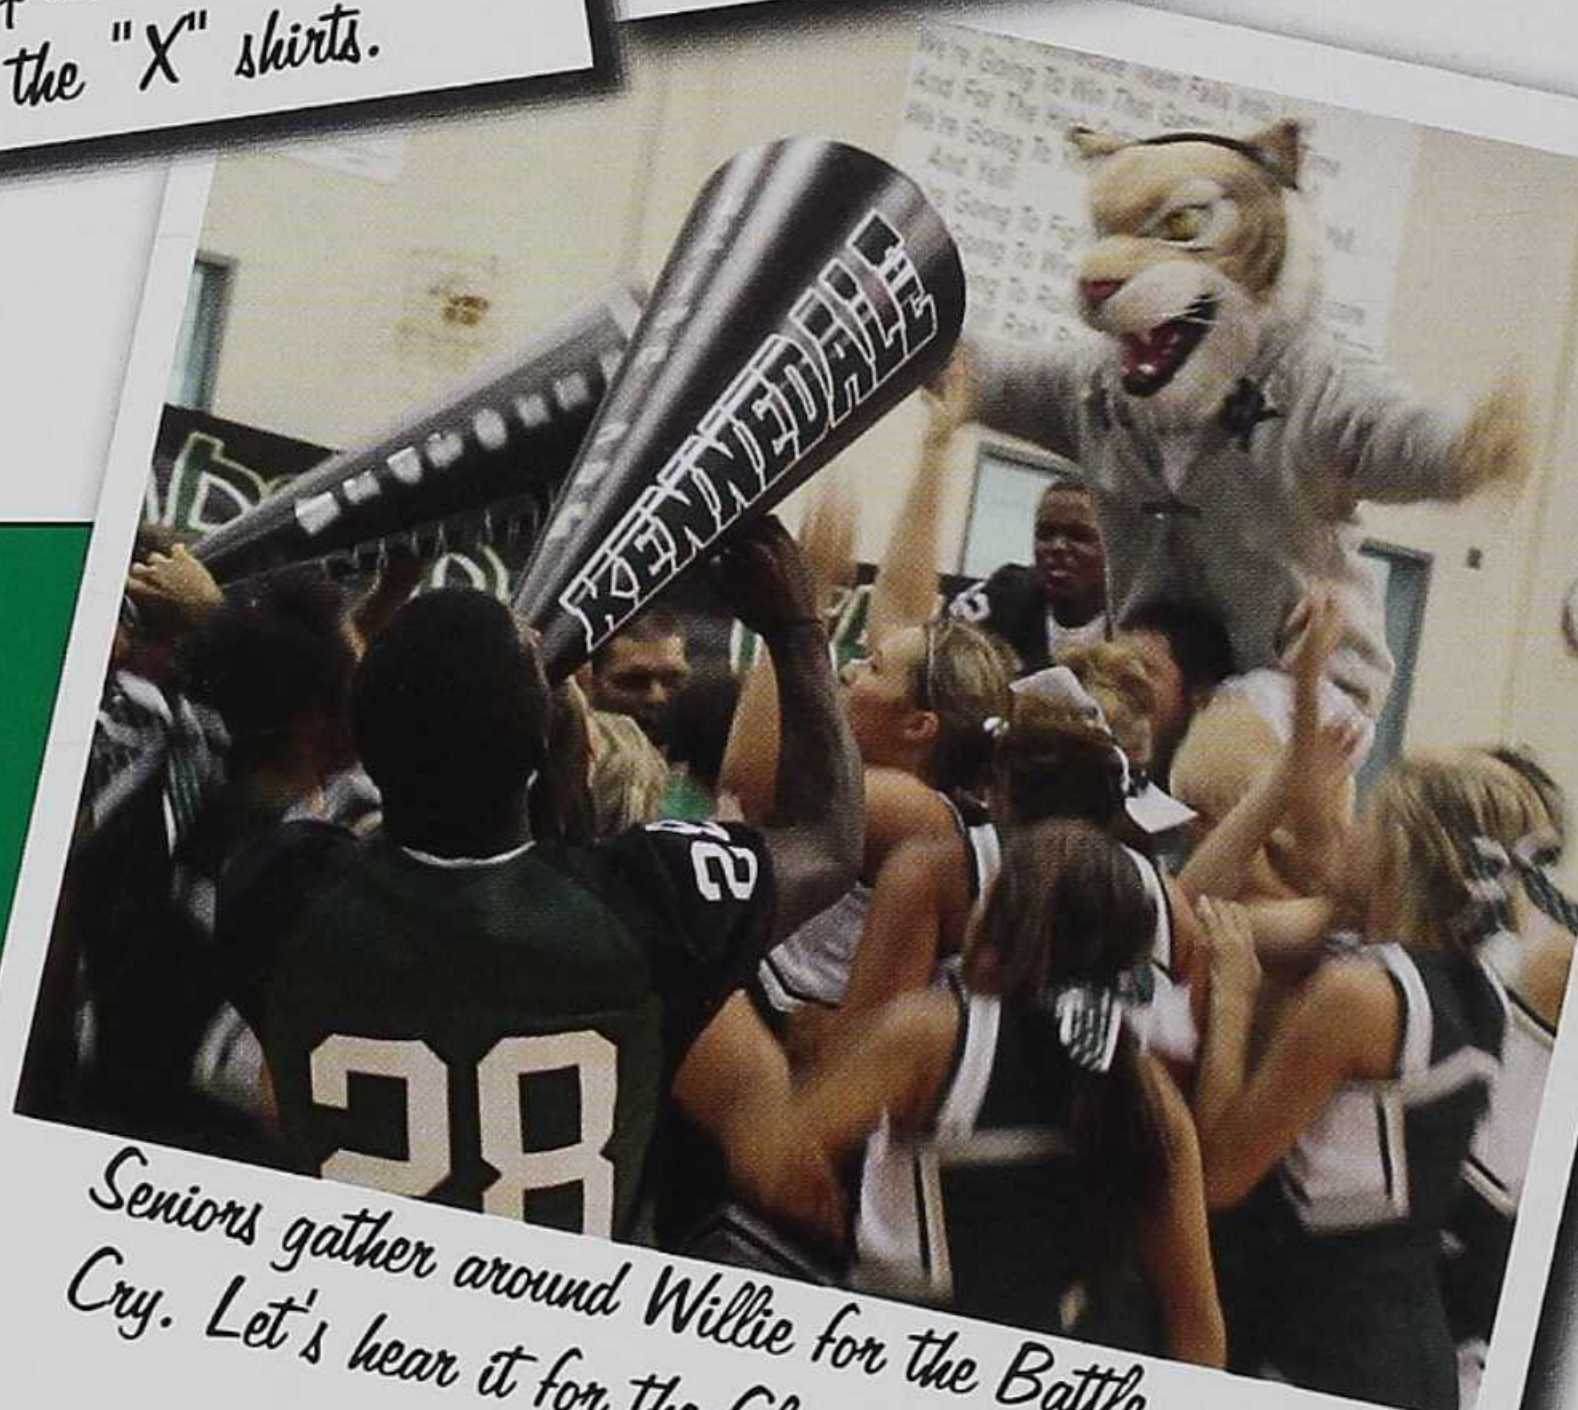

Mrs. Maurer plus Seniors, Kristin Powell and Phillip Wedin represent the class of 2010 by wearing the "X" shirts.

Senior, Brooke Farmer gets in the pep rally spirit.

Senior and Student Council President, Tino Angadicheril holds the new giant spirit stick.

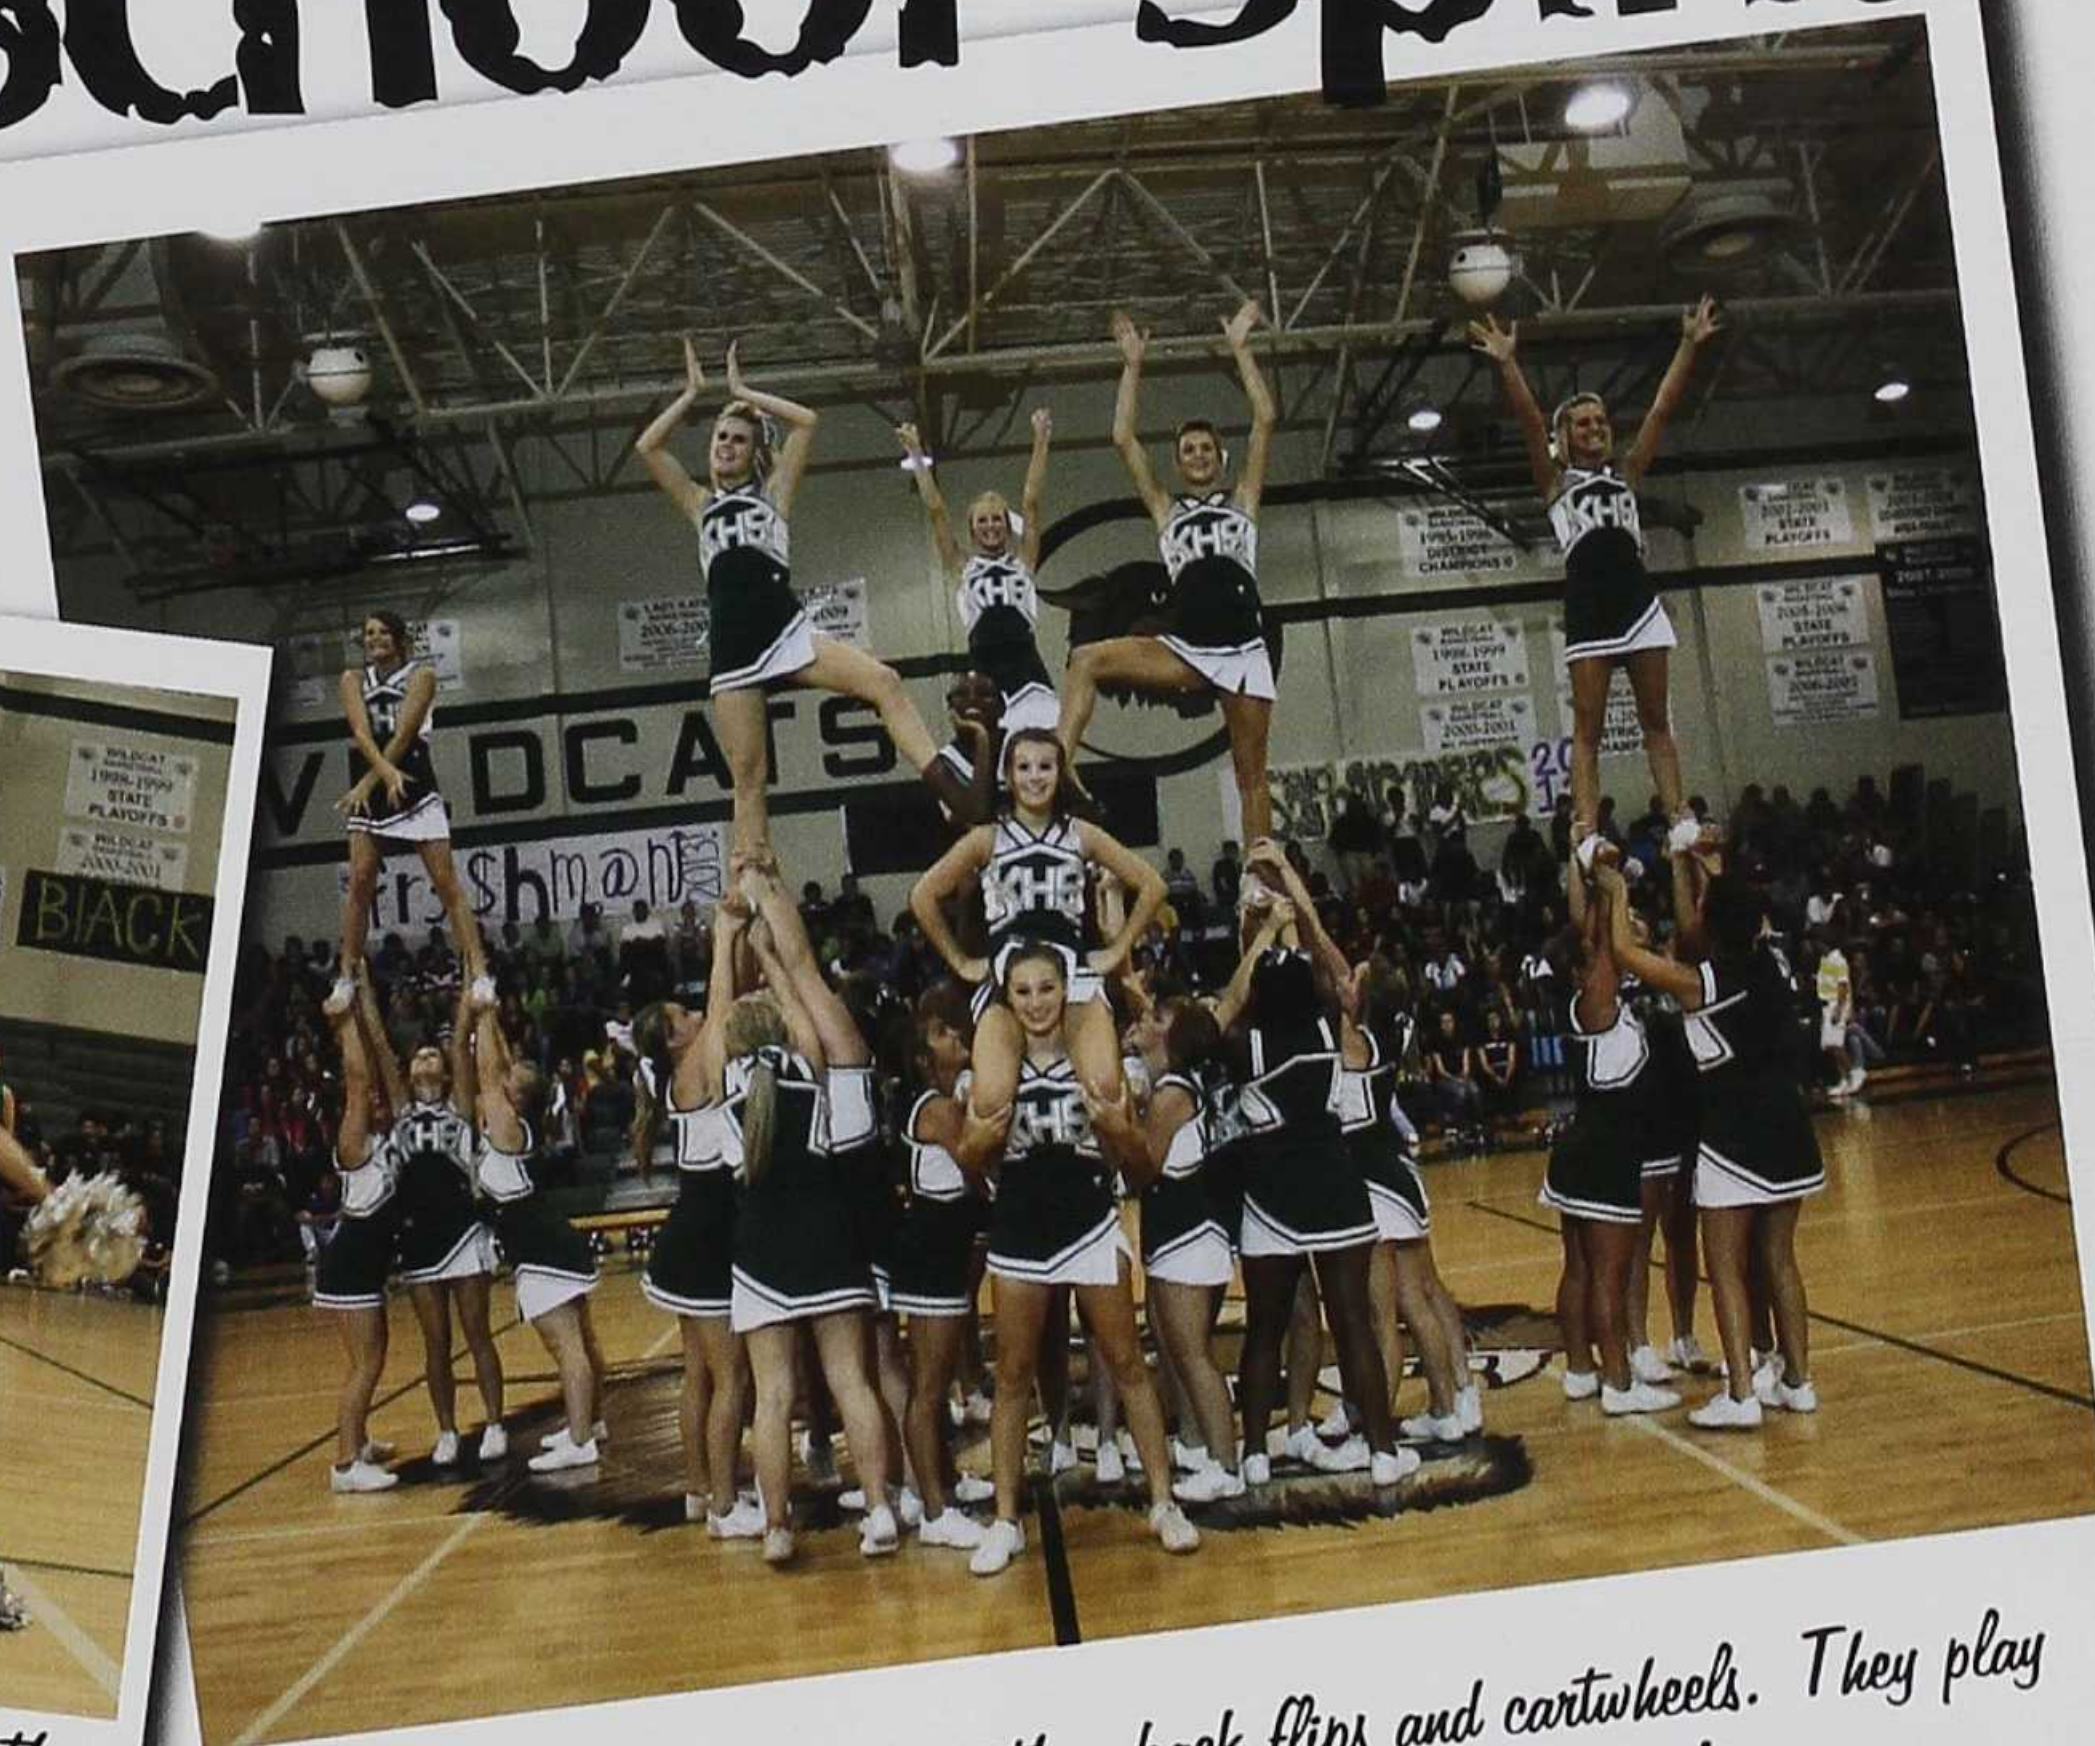

Seniors gather around Willie for the Battle Cry. Let's hear it for the Class of 2010!

The sound of the chanting wildcats echos across the gym floor, spreading Kennedale spirit like "the wave" at a football game. The student body gets all rallied up and just when you think it can't get any louder, in walks Kennedale's very own Crazy Cats! The crowd goes wild and the spirit meter goes haywire, after Ben Taylor, former Crazy Cat, comes down and introduces the new Cats by name. Senior, Jackson Woodside, Juniors, Timothy Brestoswksi and Ben Anderson, and Sophomore, Chase Crews start dancing and that energy doesn't fail to get the crowd up on their feet. "I was nervous, but I used that energy in my performance," Senior Jackson Woodside said after the first pep rally. The Crazy Cats were pleased with their routine and received the reaction they were hoping for from their fellow classmates. Woodside hopes to keep the Crazy Cat spirit alive, "I want to come back next year, and see the Crazy Cats bigger than football. I want it to be a Crazy Cat epidemic."

The Crazy Cats go by their nicknames, "Action Jackson", "Big Ben", "Twitch", and "Crazy Kitten." They're funny, outgoing, crazy, and an important part of Kennedale's school spirit!

School Spirit

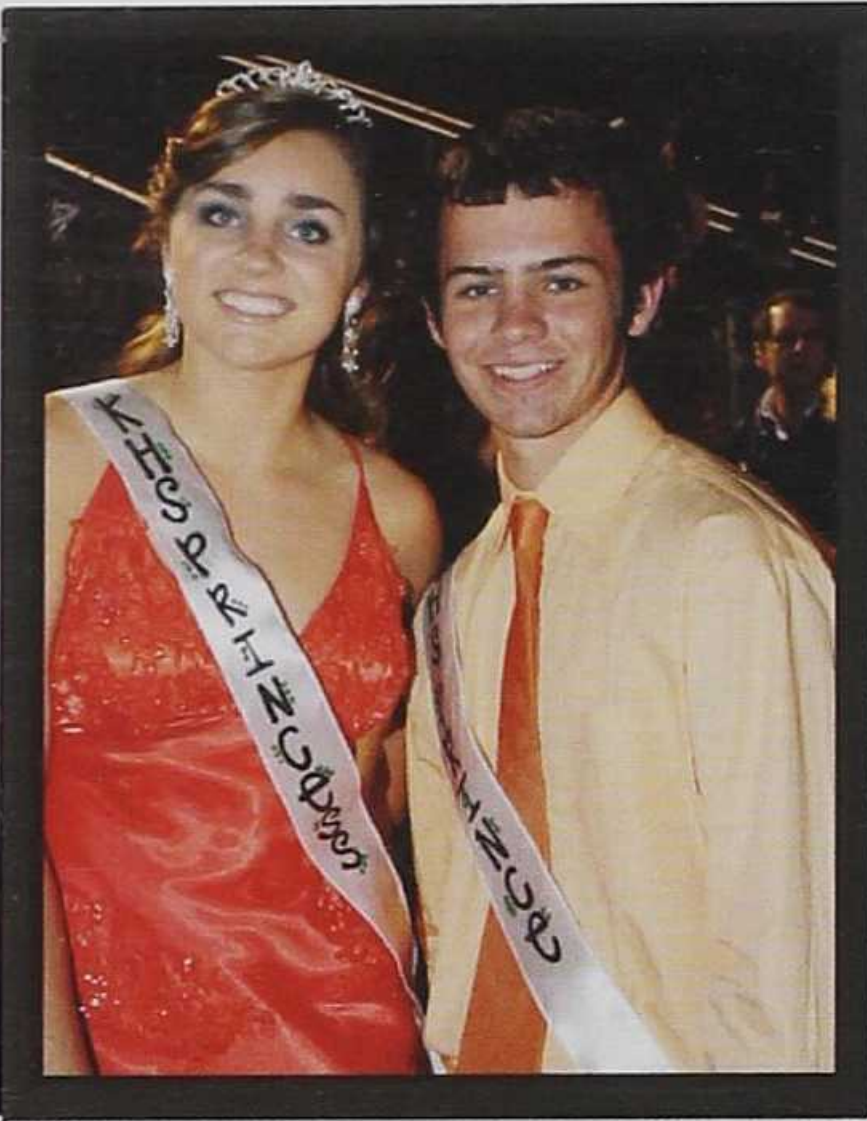

Varsity cheerleaders do more than back flips and cartwheels. They play an essential role in boosting up the student body's morale!

Braxton Thomas and the Aristokats perform at the pep rally and get the crowd cheering.

Homecoming is a tradition we do every year at Kennedale High School and it is a very special event throughout the community. Our Kennedale Wildcats defeated the Venus Bull Dogs 65-0 making their record 6-0. It was a great game and the Wildcats prevailed! The students at KHS all showed up with their mums and garters on, and they had fun dressing up all week. The court looked great and at halftime they walked out onto the field and the final announcement was made for the new King and Queen. The KHS students couldn't be prouder of the court and we can't wait for Homecoming next year.

Homecoming

Tino Angadicheril and Victoria Pearce were awarded the Senior King and Queen honors. "It was really an exciting experience and I am really happy that all of my best friends were on the court. I never thought I was going to win.", expressed Tino.

Students, Terri Conroy, Alyssa Goss, Ashley Allistot, Cody Williams, Veeanna Nunley, and Queen Esther Dickey show off their nerdy side.

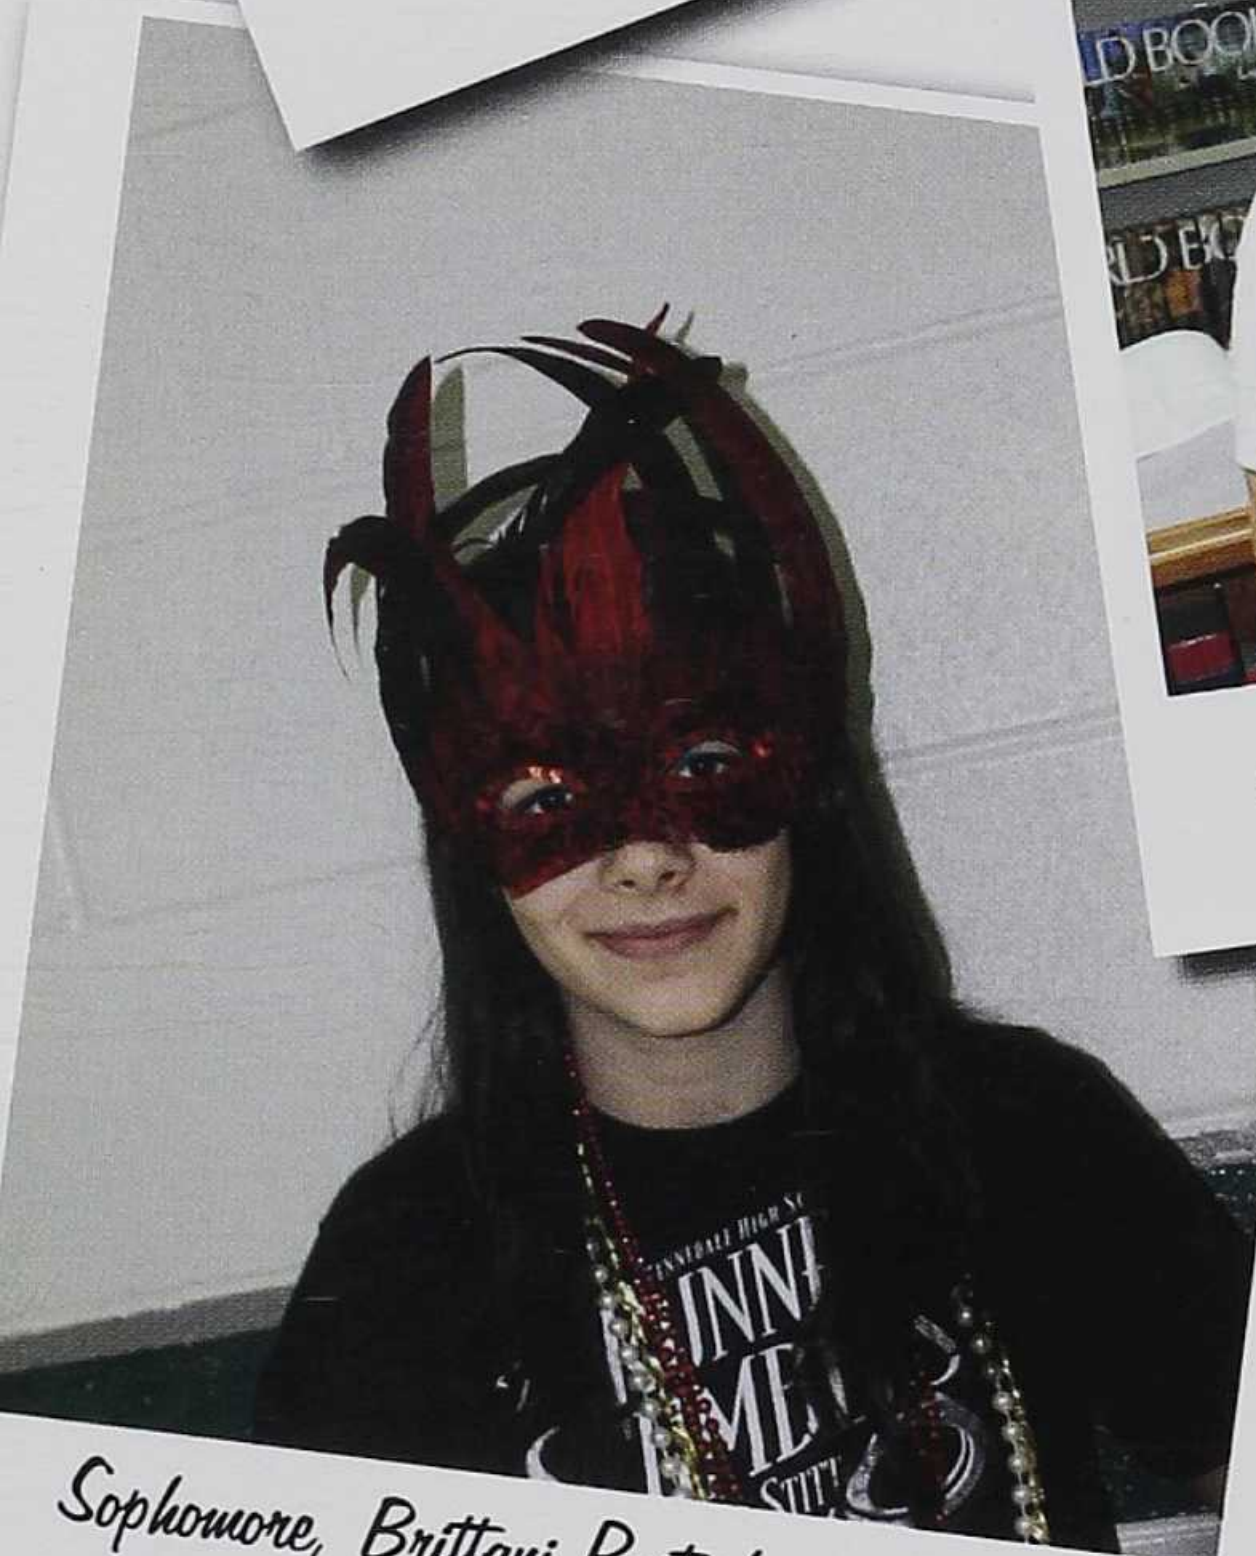

Senior, Jeremy Sather goes "psychedelic" with Mrs. Worley on 60's Day.

Alison Boubel and Teresa Roden get ready to two-step in the library.

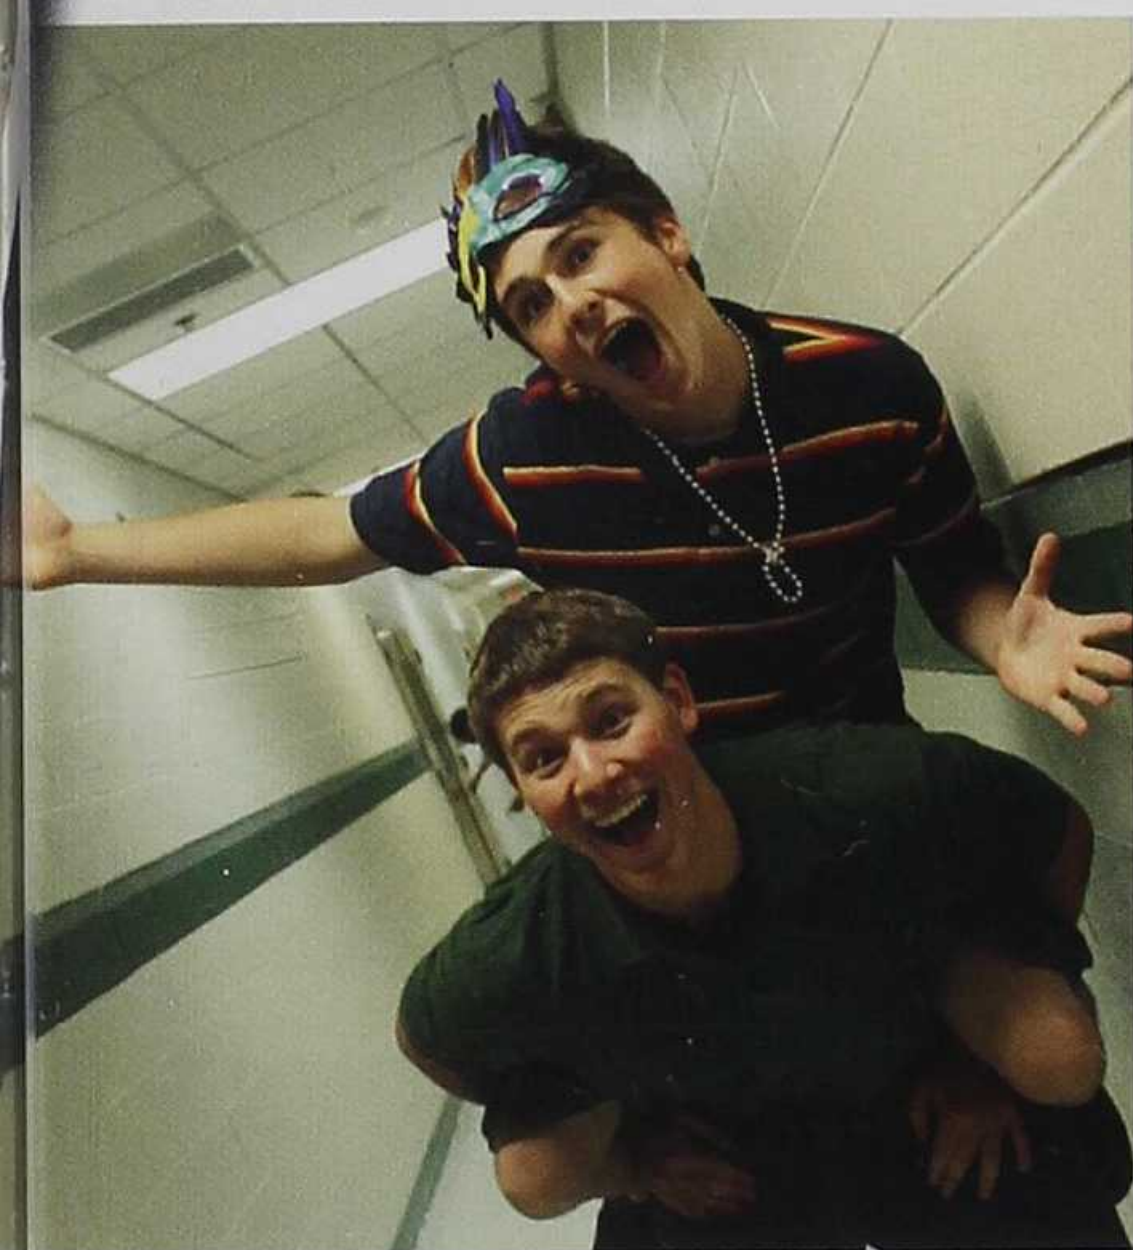

Sophomores, Tia Angadicheril and Nicole Degen dress up as Pac-Man characters on Career Day.

Sophomore, Brittani Rast shows some spirit on Masquerade Day.

Senior, Cameron Cox and Junior, Hayden Elrod strike a pose on Nerd Day.

Juniors, Tyler Tuttle and Travis McMeans strike a silly pose after the Homecoming pep rally.

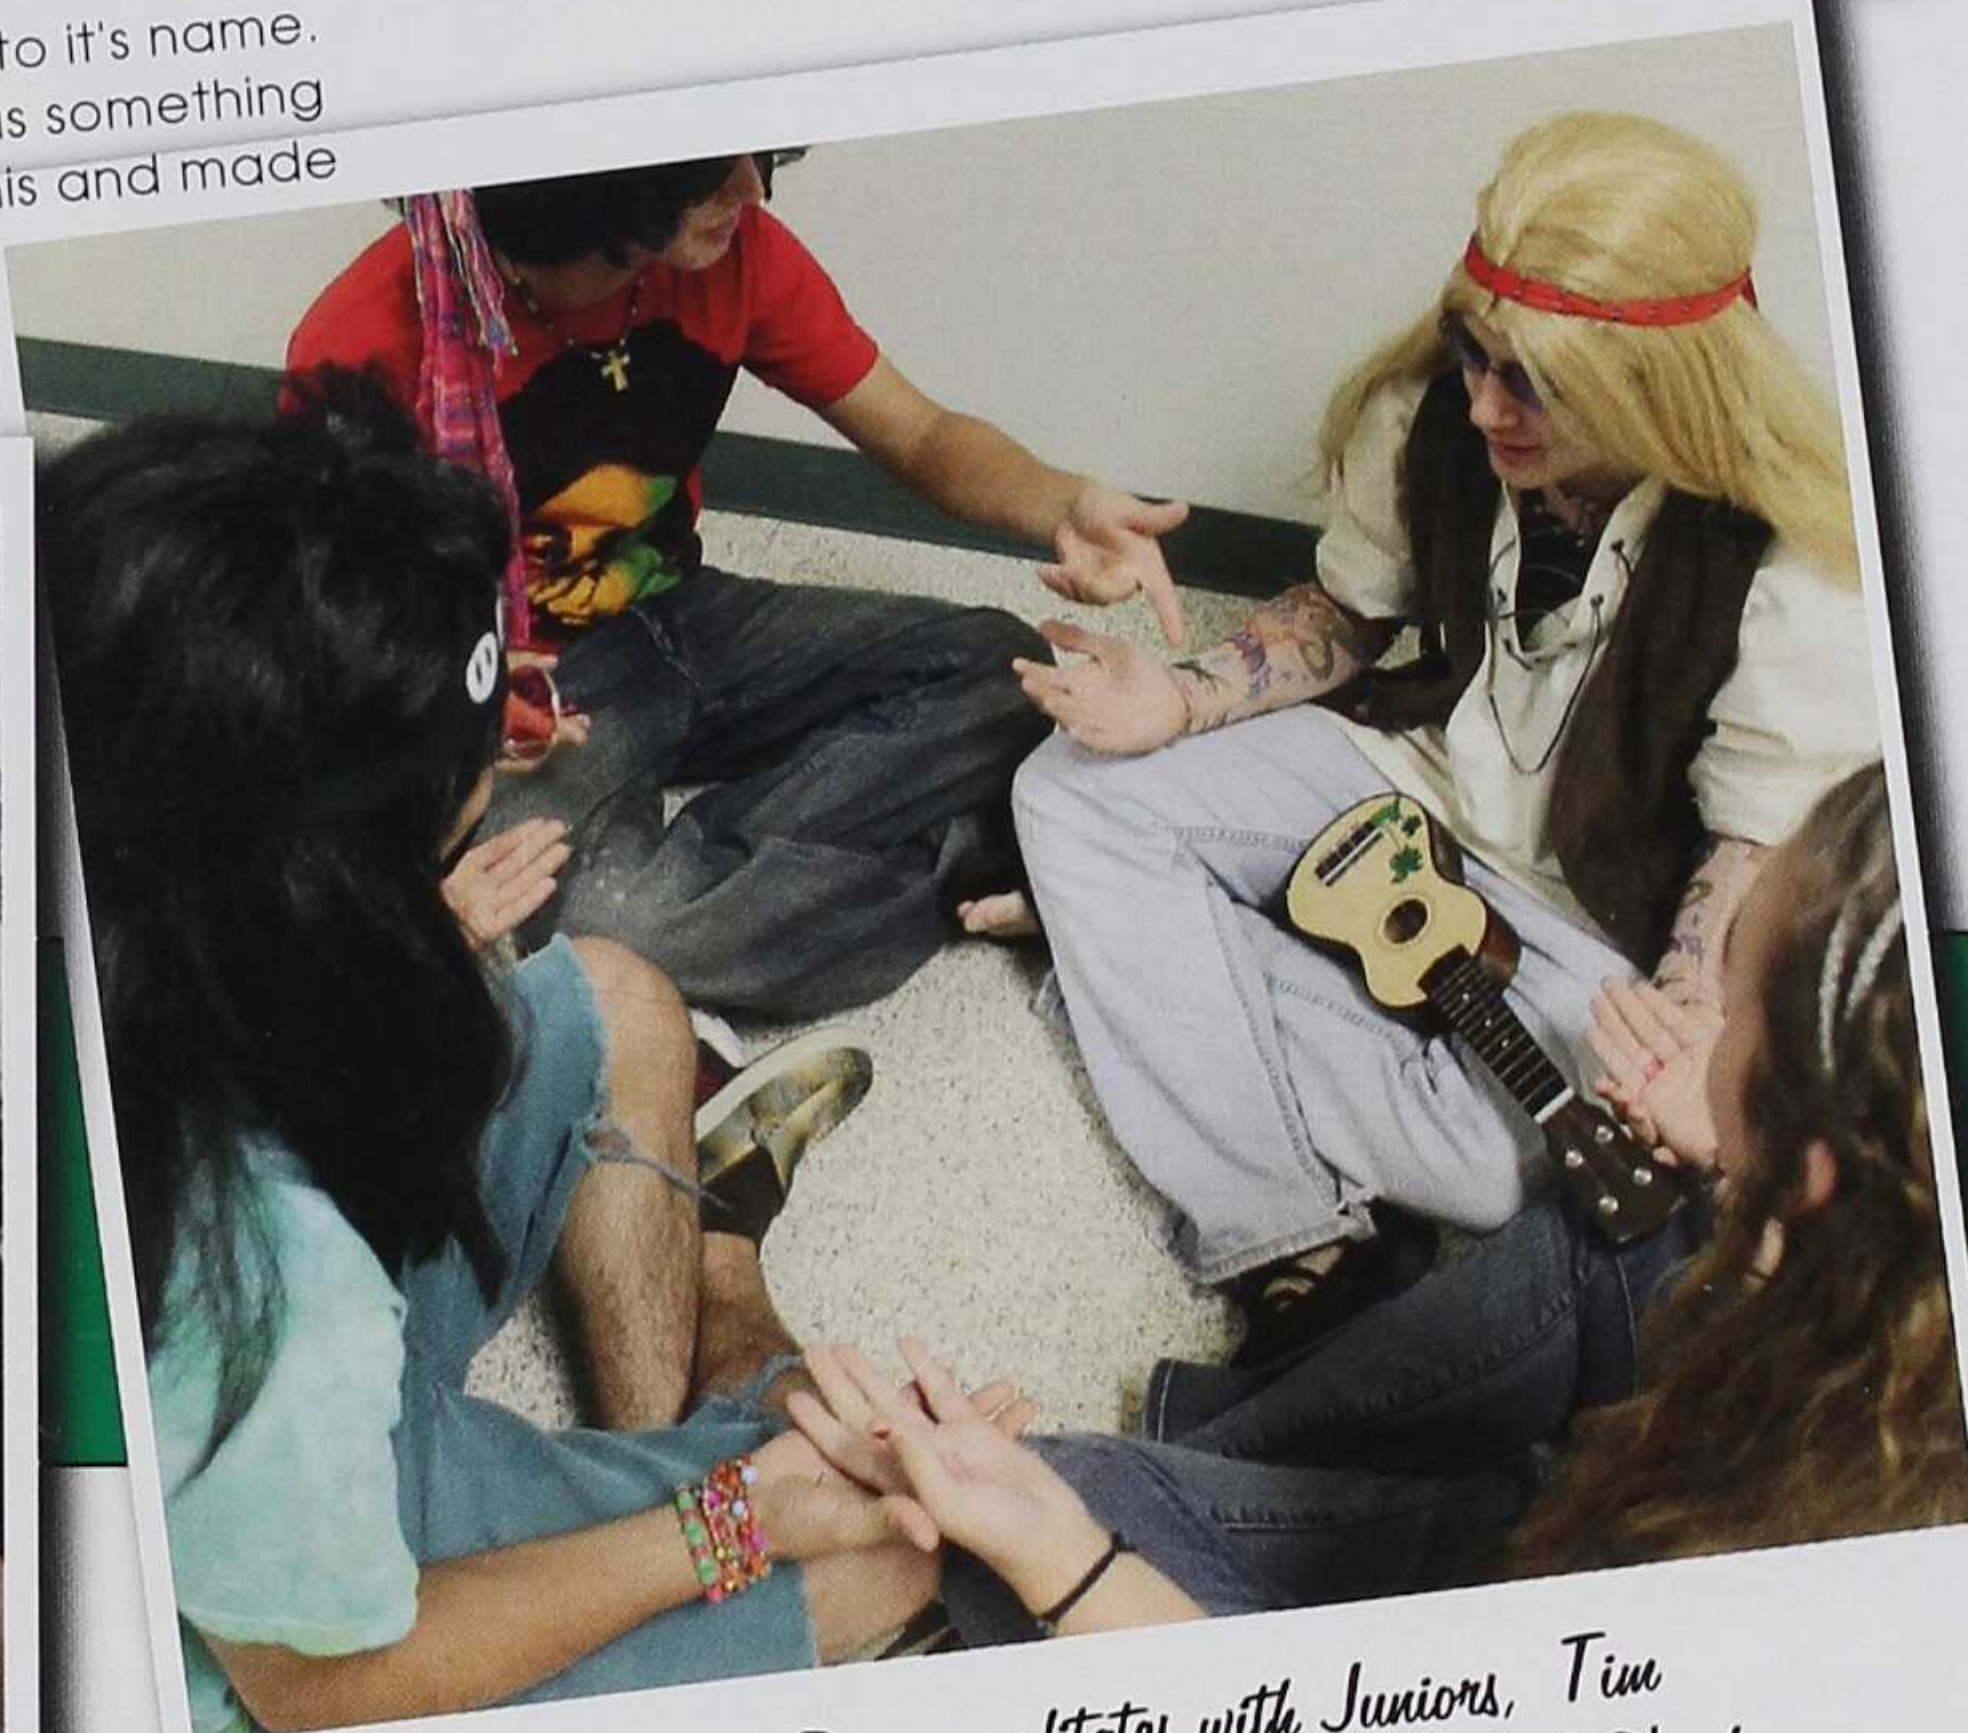

KHS students "round up" to show their country side on Western Day.

Spirit Week

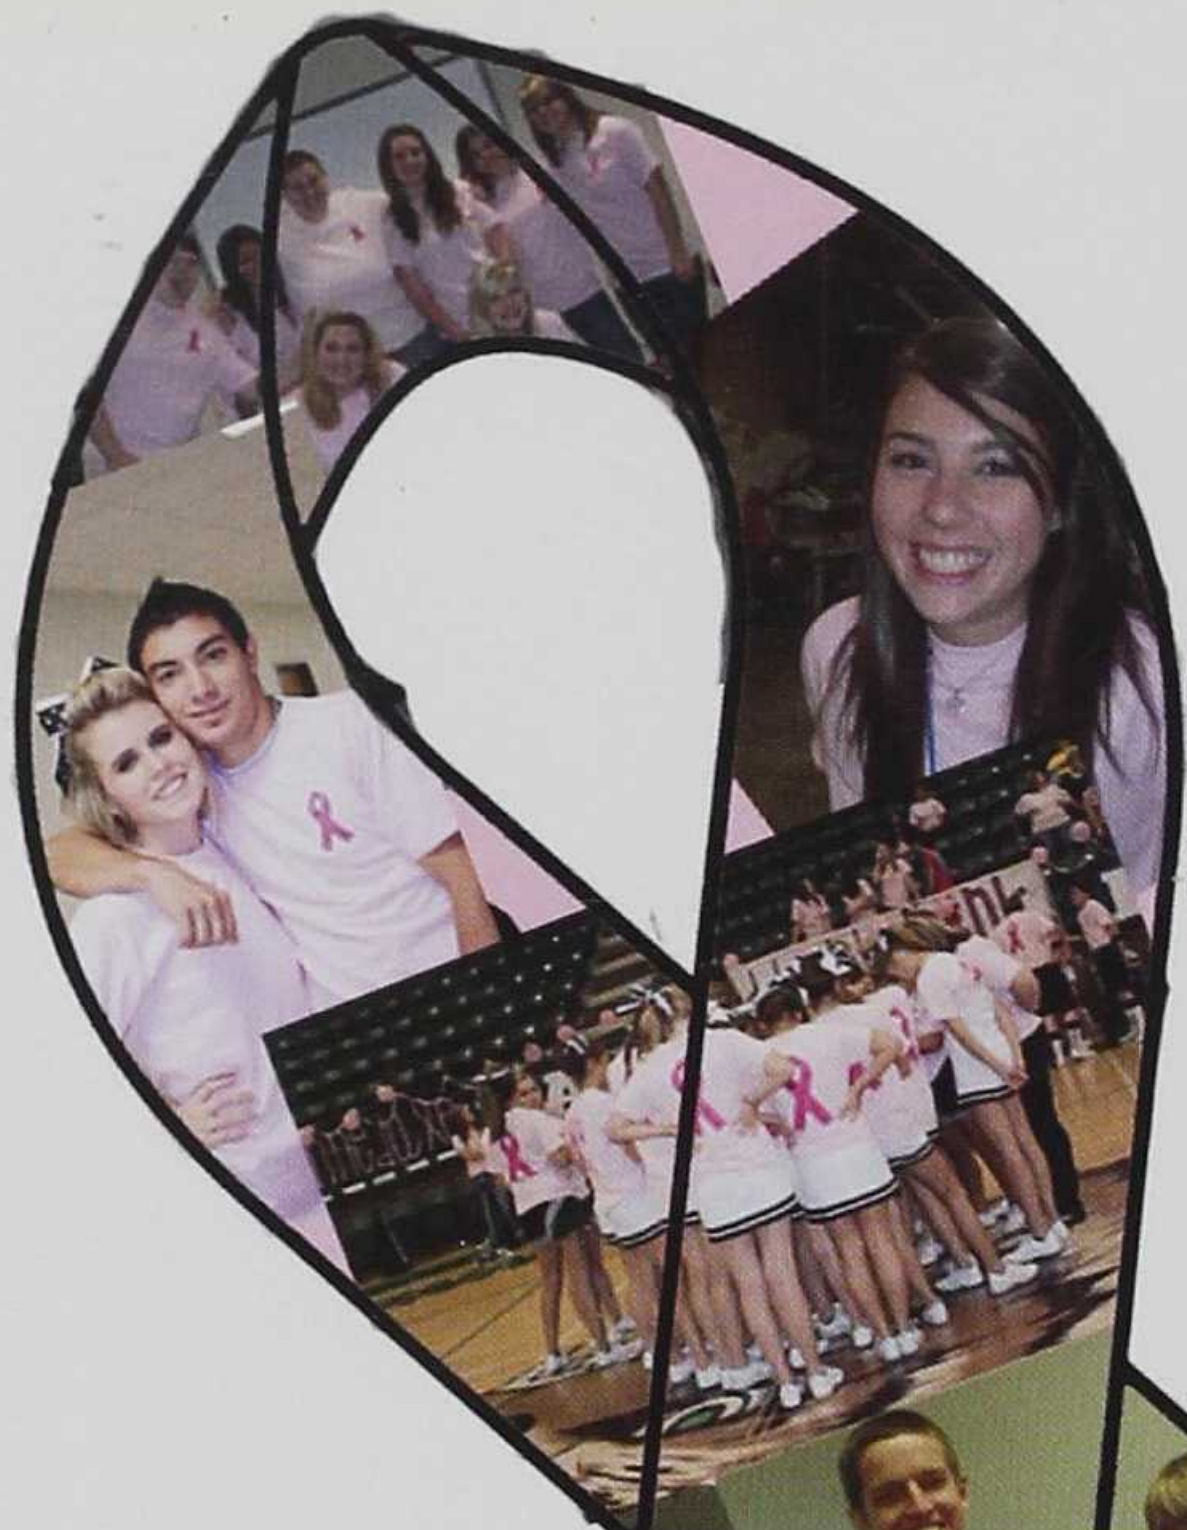

This year's homecoming spirit week lived up to it's name. Each day students and faculty could dress as something different. So many people participated in this and made it a great memory we will never forget.

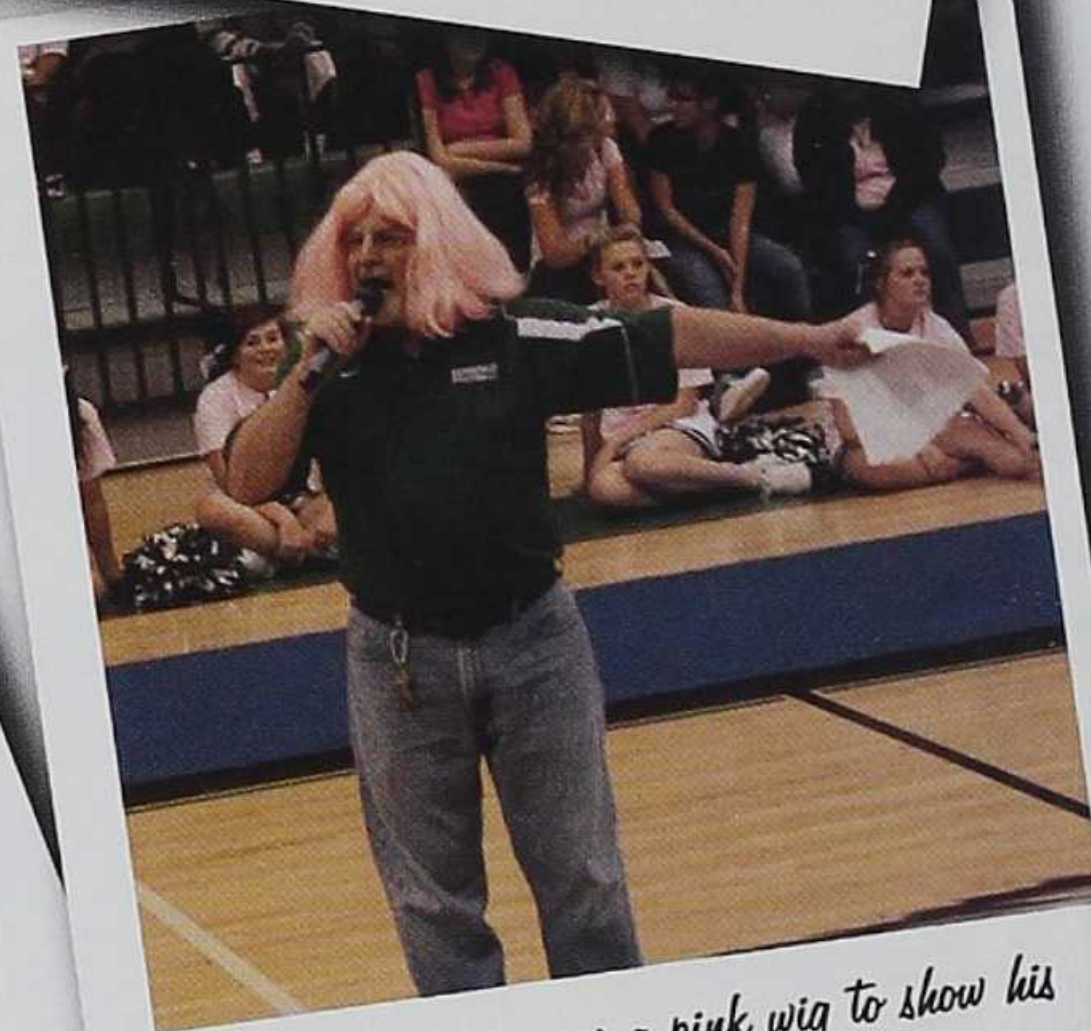

Freshman, Lindsey Nelson and Senior, Shila Farahani rock out on Career Day.

Senior, Christopher Degen meditates with Juniors, Tim Brestowski, Sam Ramey, and Paige Williams on 60's day.

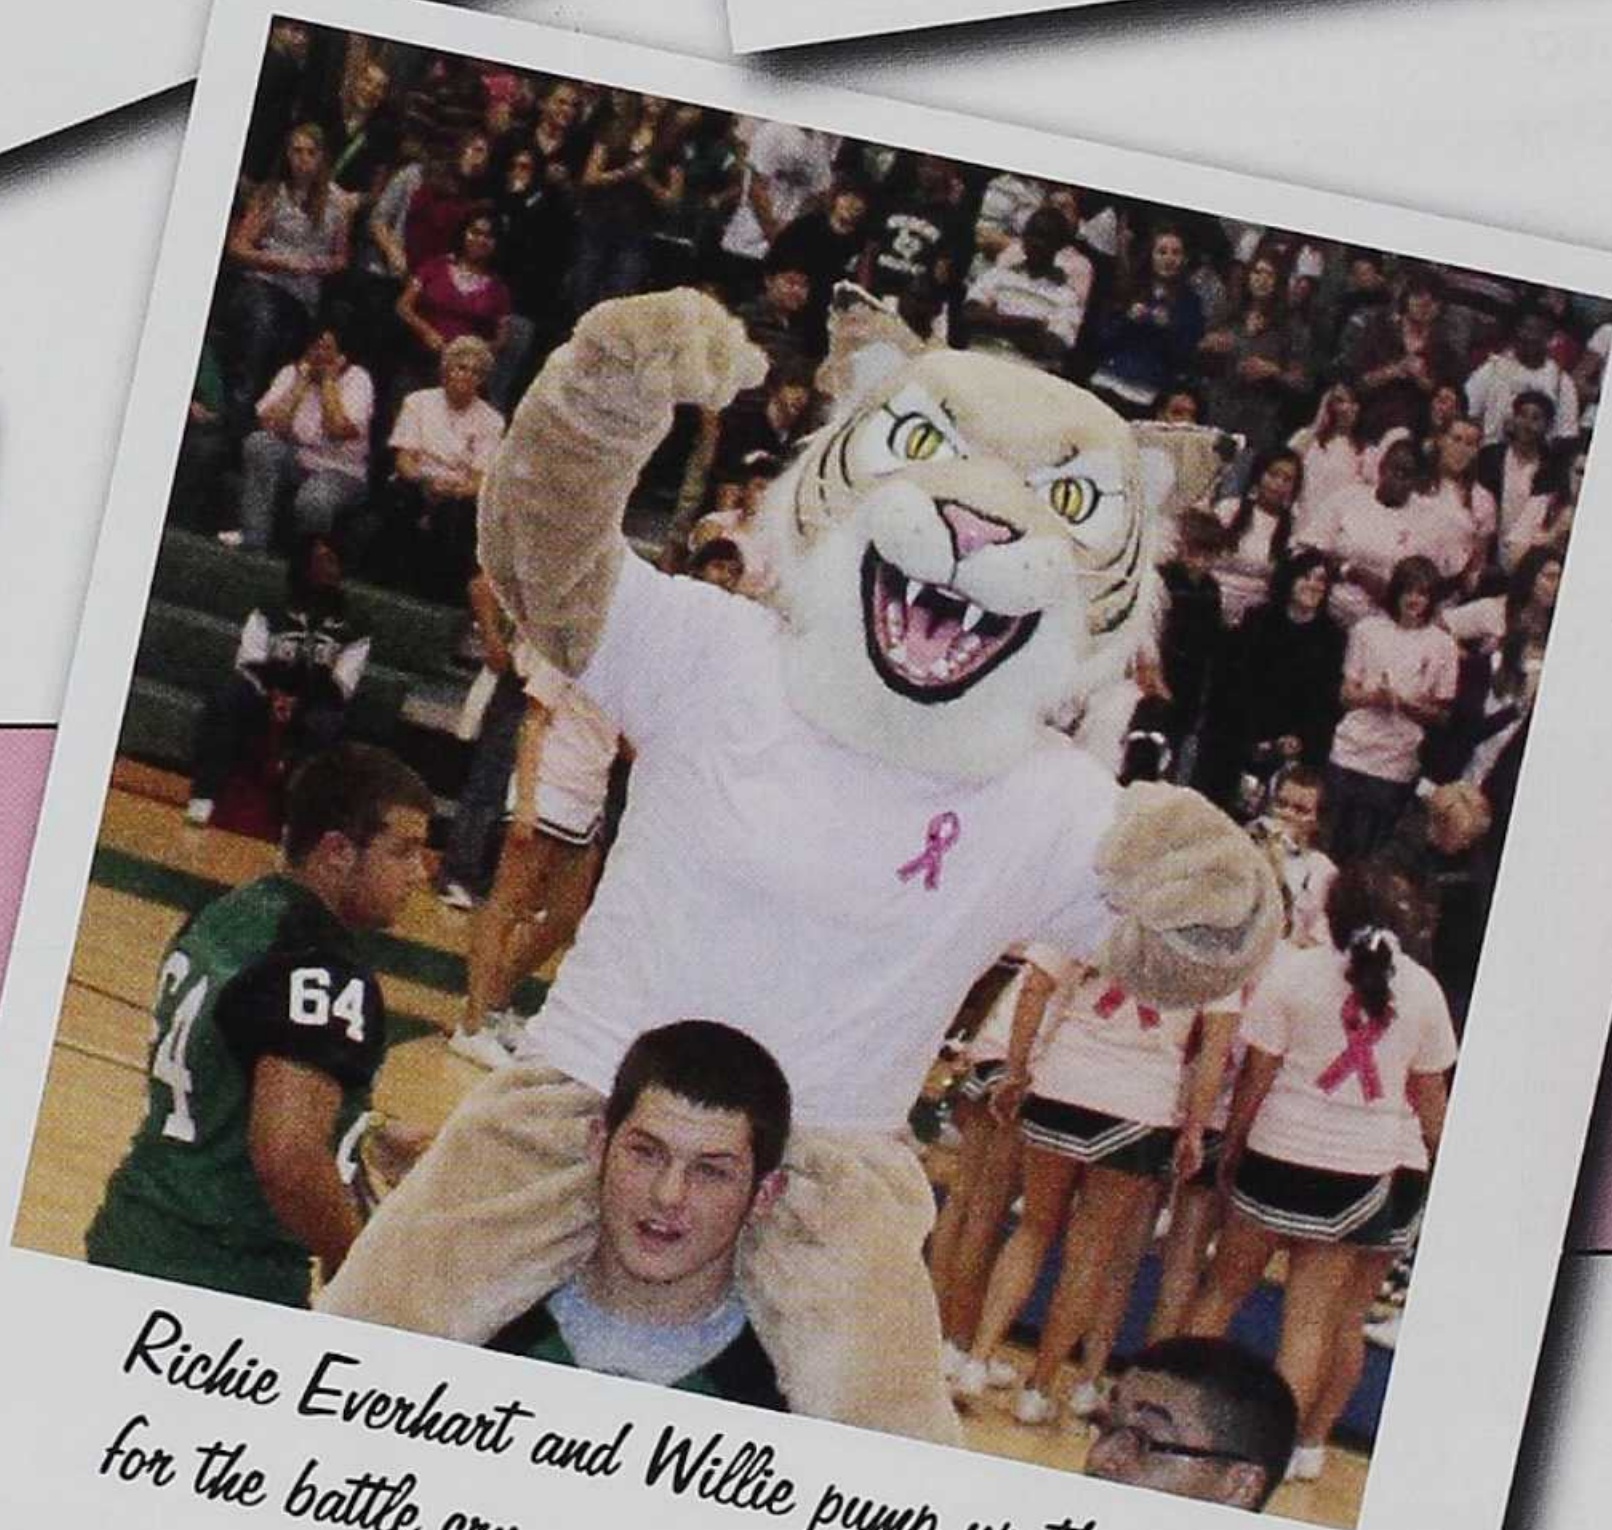

Mr. Oktay poses with Willie at the Play for the Cure game.

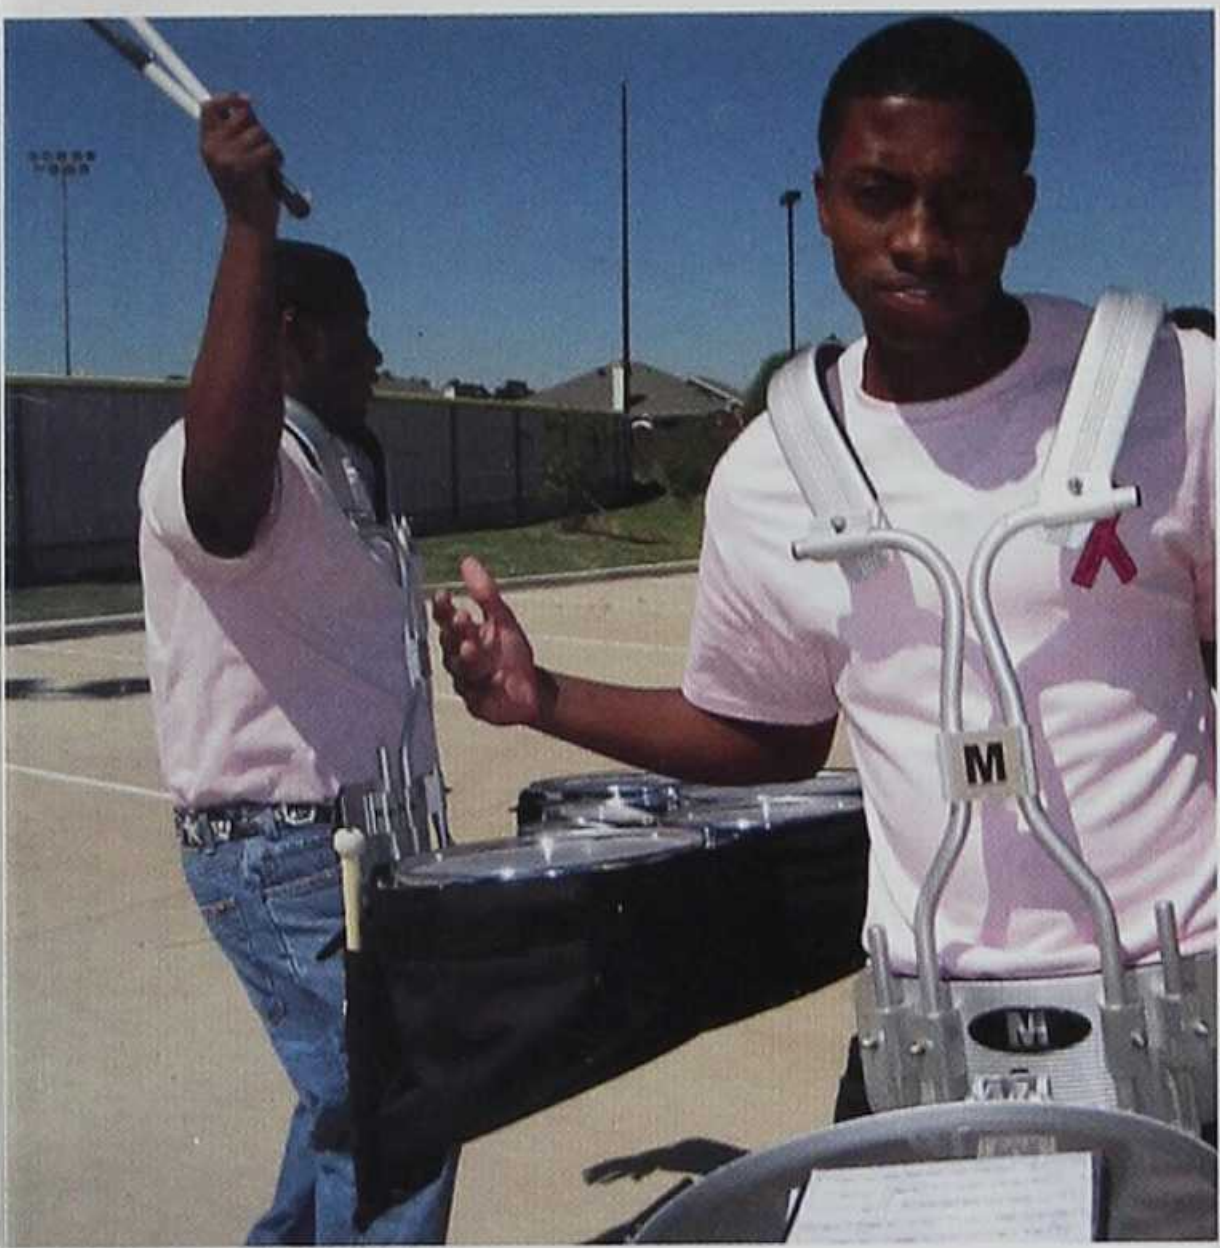

Mr. Parker wears a pink wig to show his support for breast cancer victims.

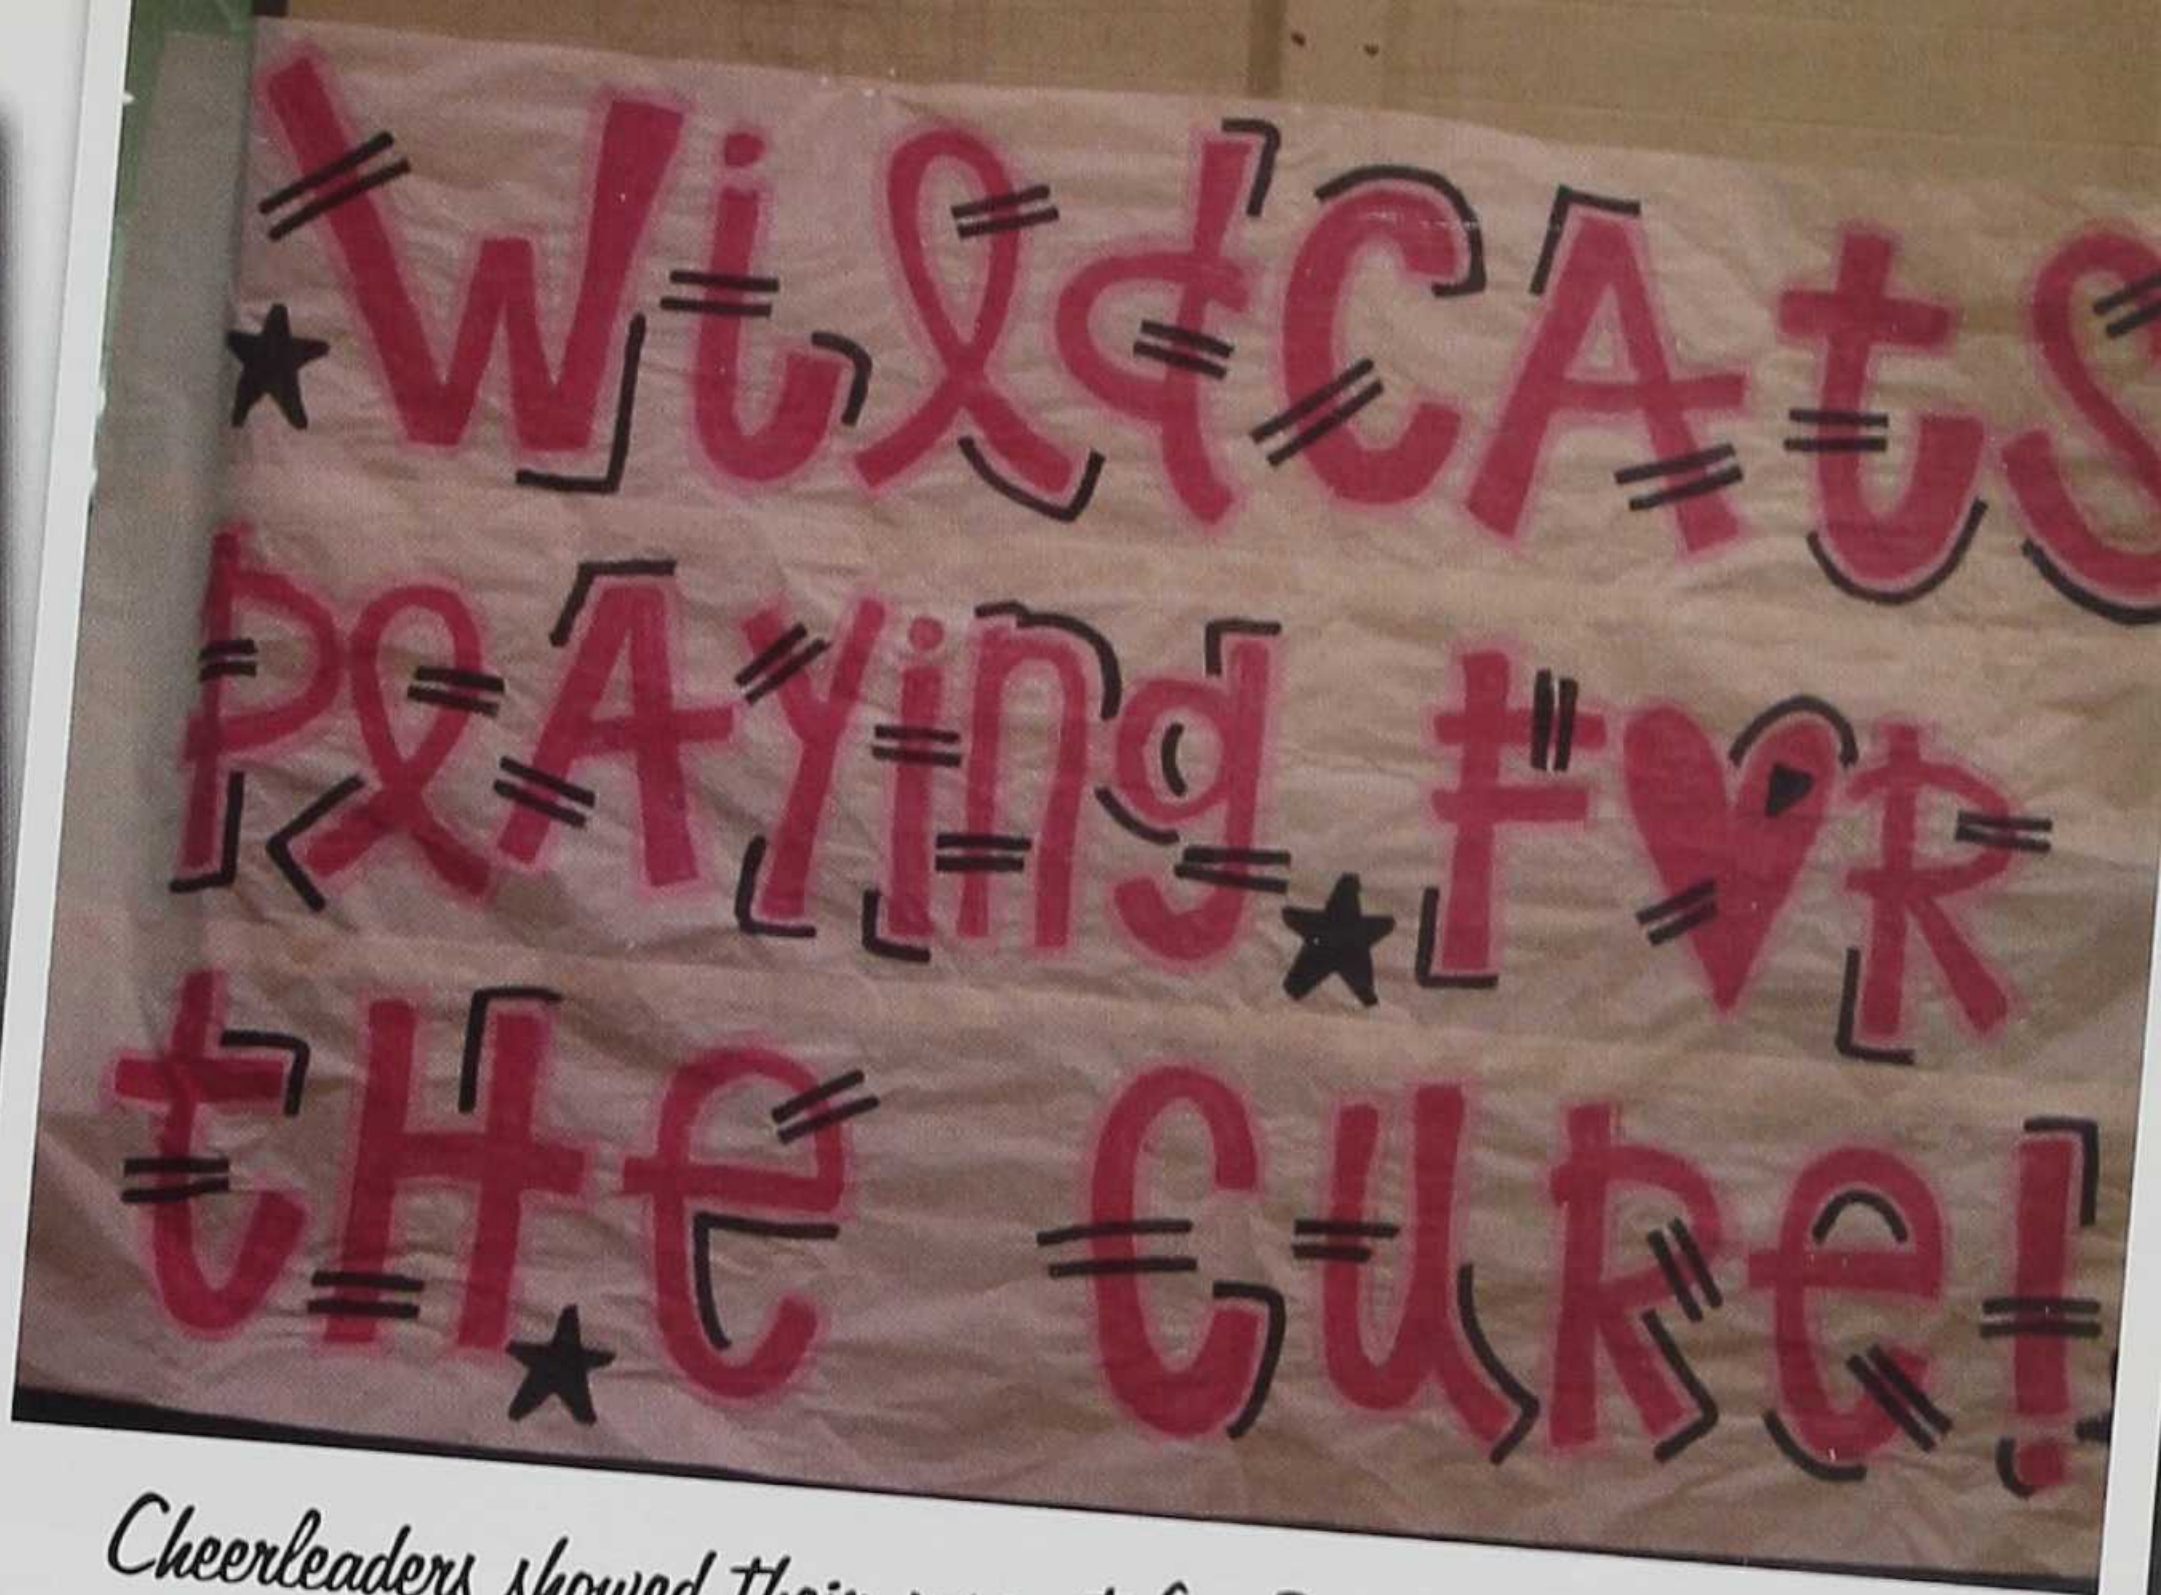

Crazy Cats: Chase Crews, Jackson Woodside, Ben Anderson, and Timothy Brestowski get ready for the Breast Cancer pep rally.

Richie Everhart and Willie pump up the crowd for the battle cry.

Josh Owens and Lance Heilig drum up a beat before the pep rally.

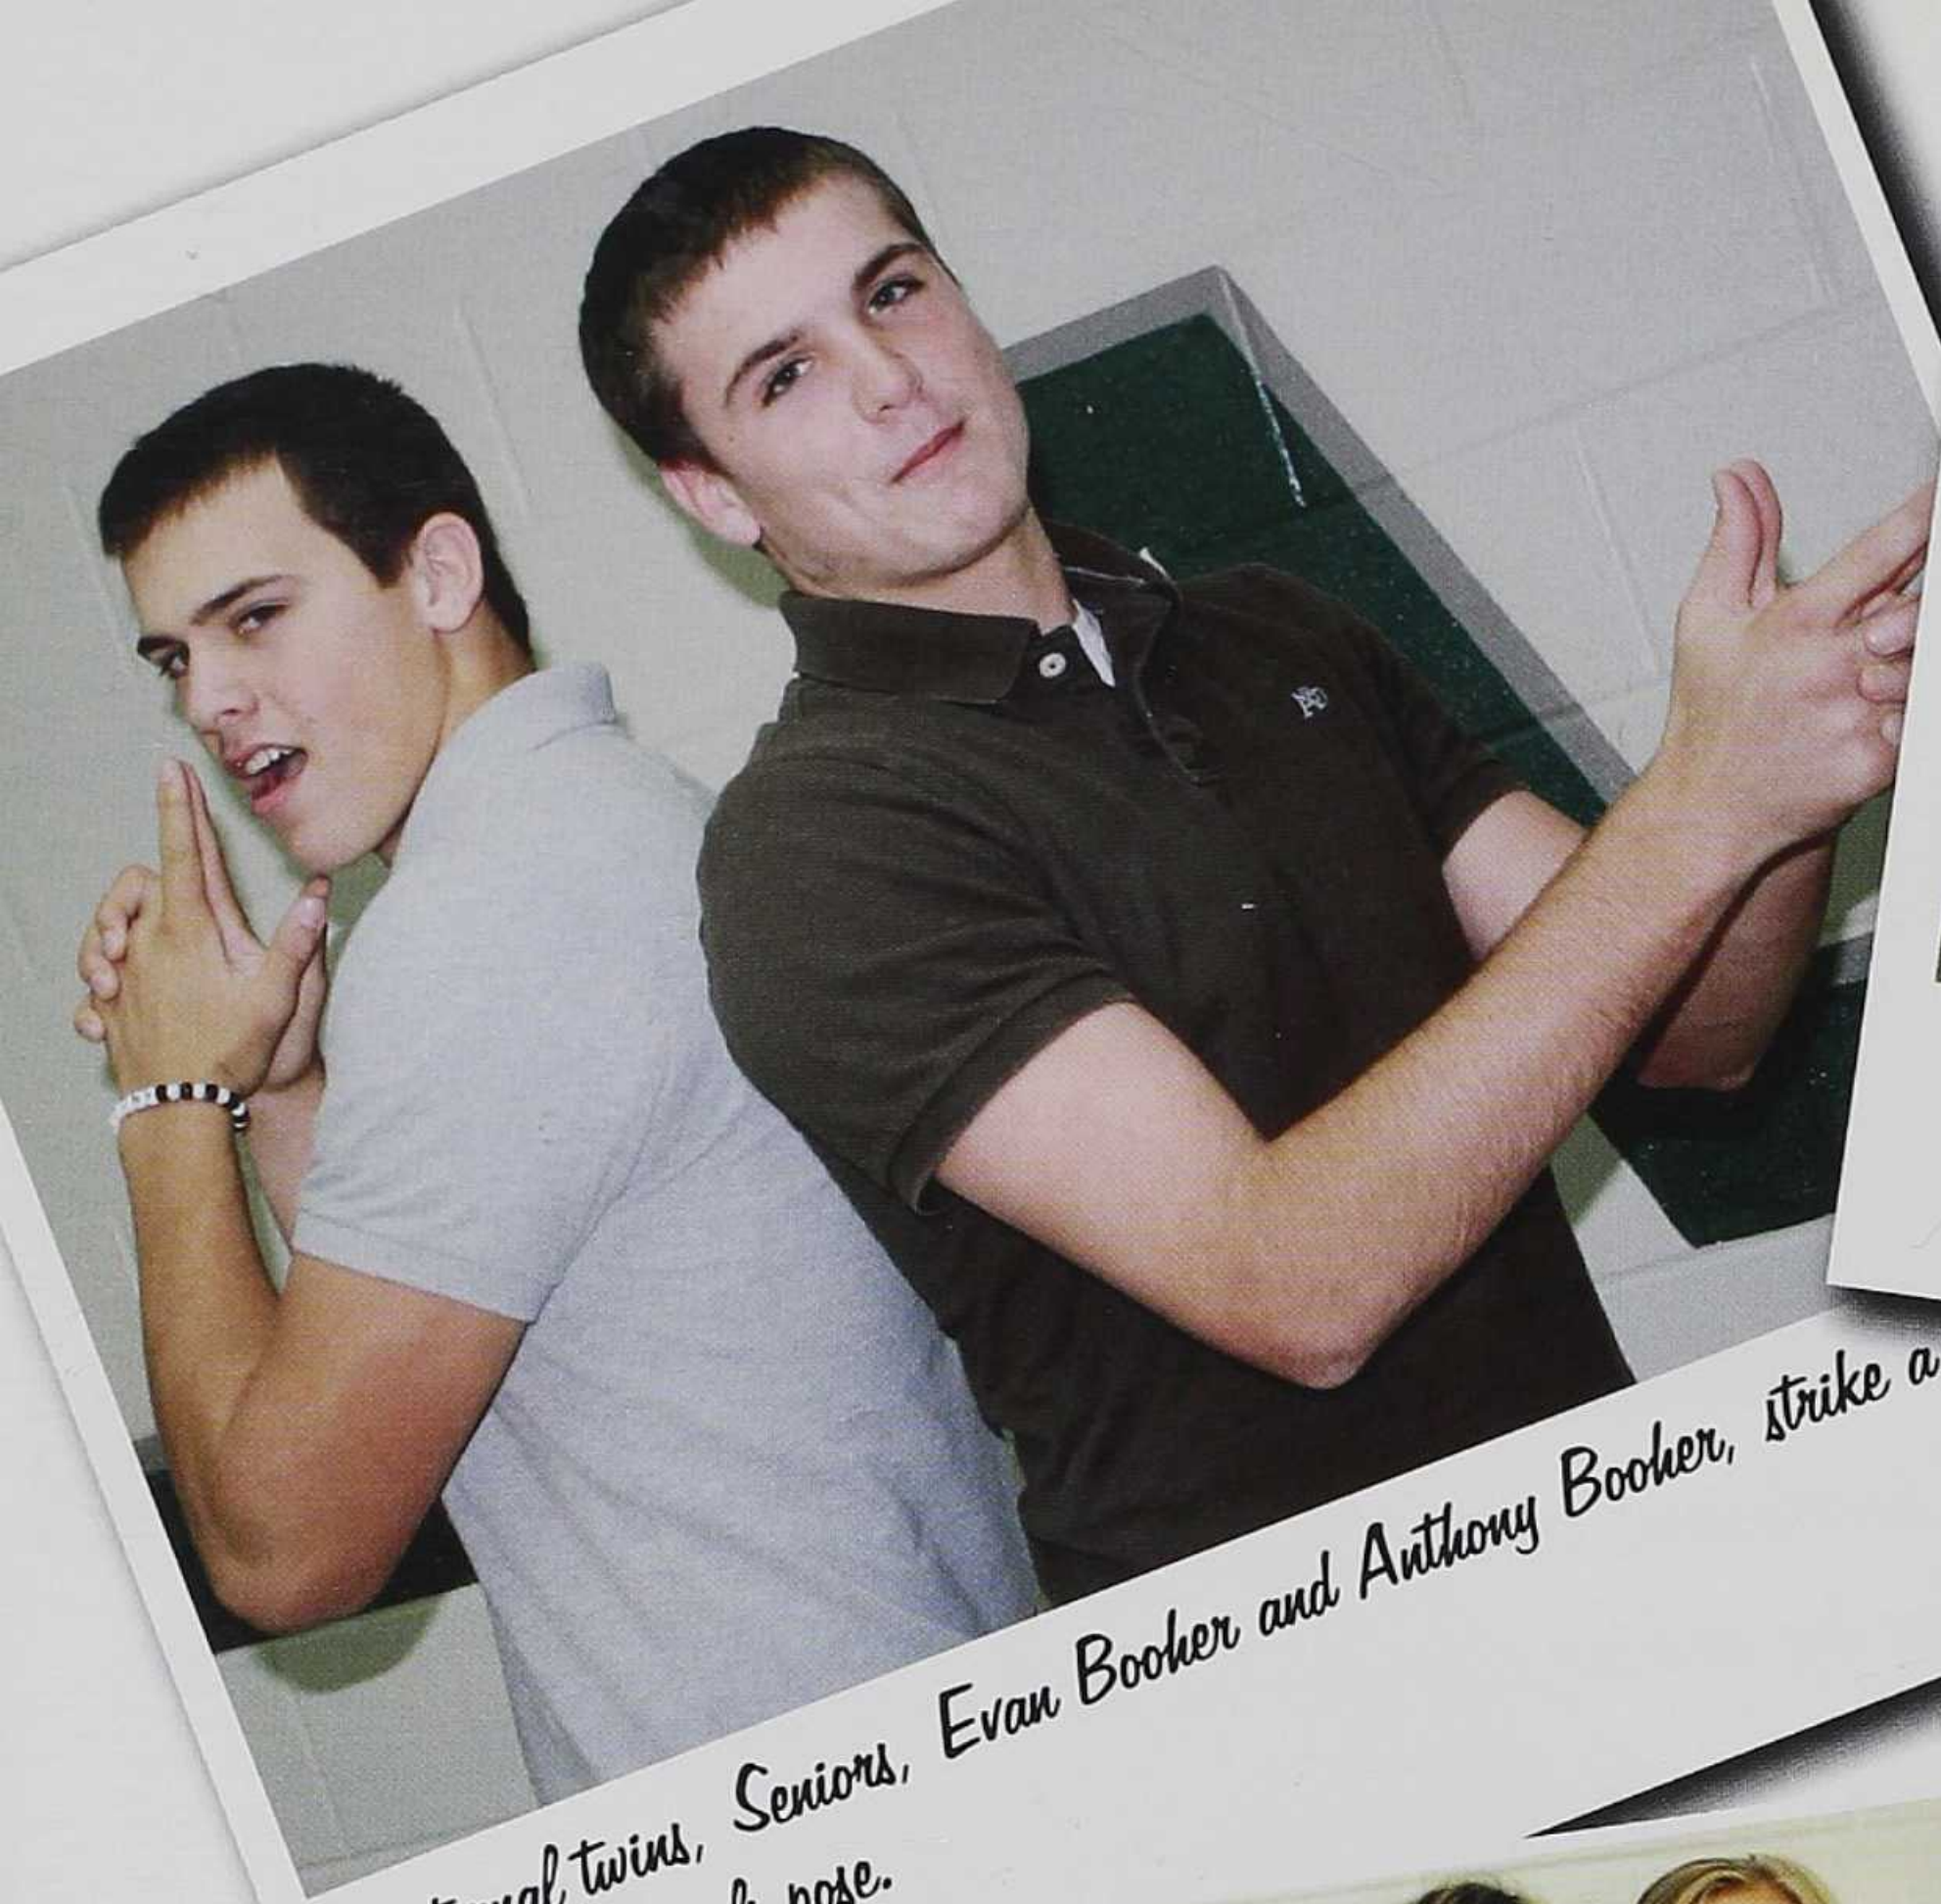

Cheerleaders showed their support for Breast Cancer awareness day by making banners like this one to put up in the gym.

Play for the Cure

Students flooded the hallways with their pink "Play for the Cure" shirts. KHS students showed massive support towards the breast cancer cause. Coach Kim Padgett, who was in charge of selling the shirts, felt proud to see the student body so involved and willing to help out with the cause. "The outcome was more than I had expected, and it was great to see students in the stands with their pink shirts on." A total of \$640 was raised for Breast Cancer research. Having a pep rally and shirts for breast cancer made students aware of how serious it can be. It affects people emotionally and physically. 40,170 people will die from Breast Cancer in 2009. The money raised from the shirts will be used towards cancer research to fund more ways to find a cure. By donating the money, KHS hopes to save at least one person from becoming another walking cancer statistic.

The three trumpeteers play in sync for the Breast Cancer Pep Rally.

Fraternal twins, Seniors, Evan Booker and Anthony Booker, strike a class pose.

Identical twins, Juniors, Lee Newland and Larry Newland, stand arm in arm.

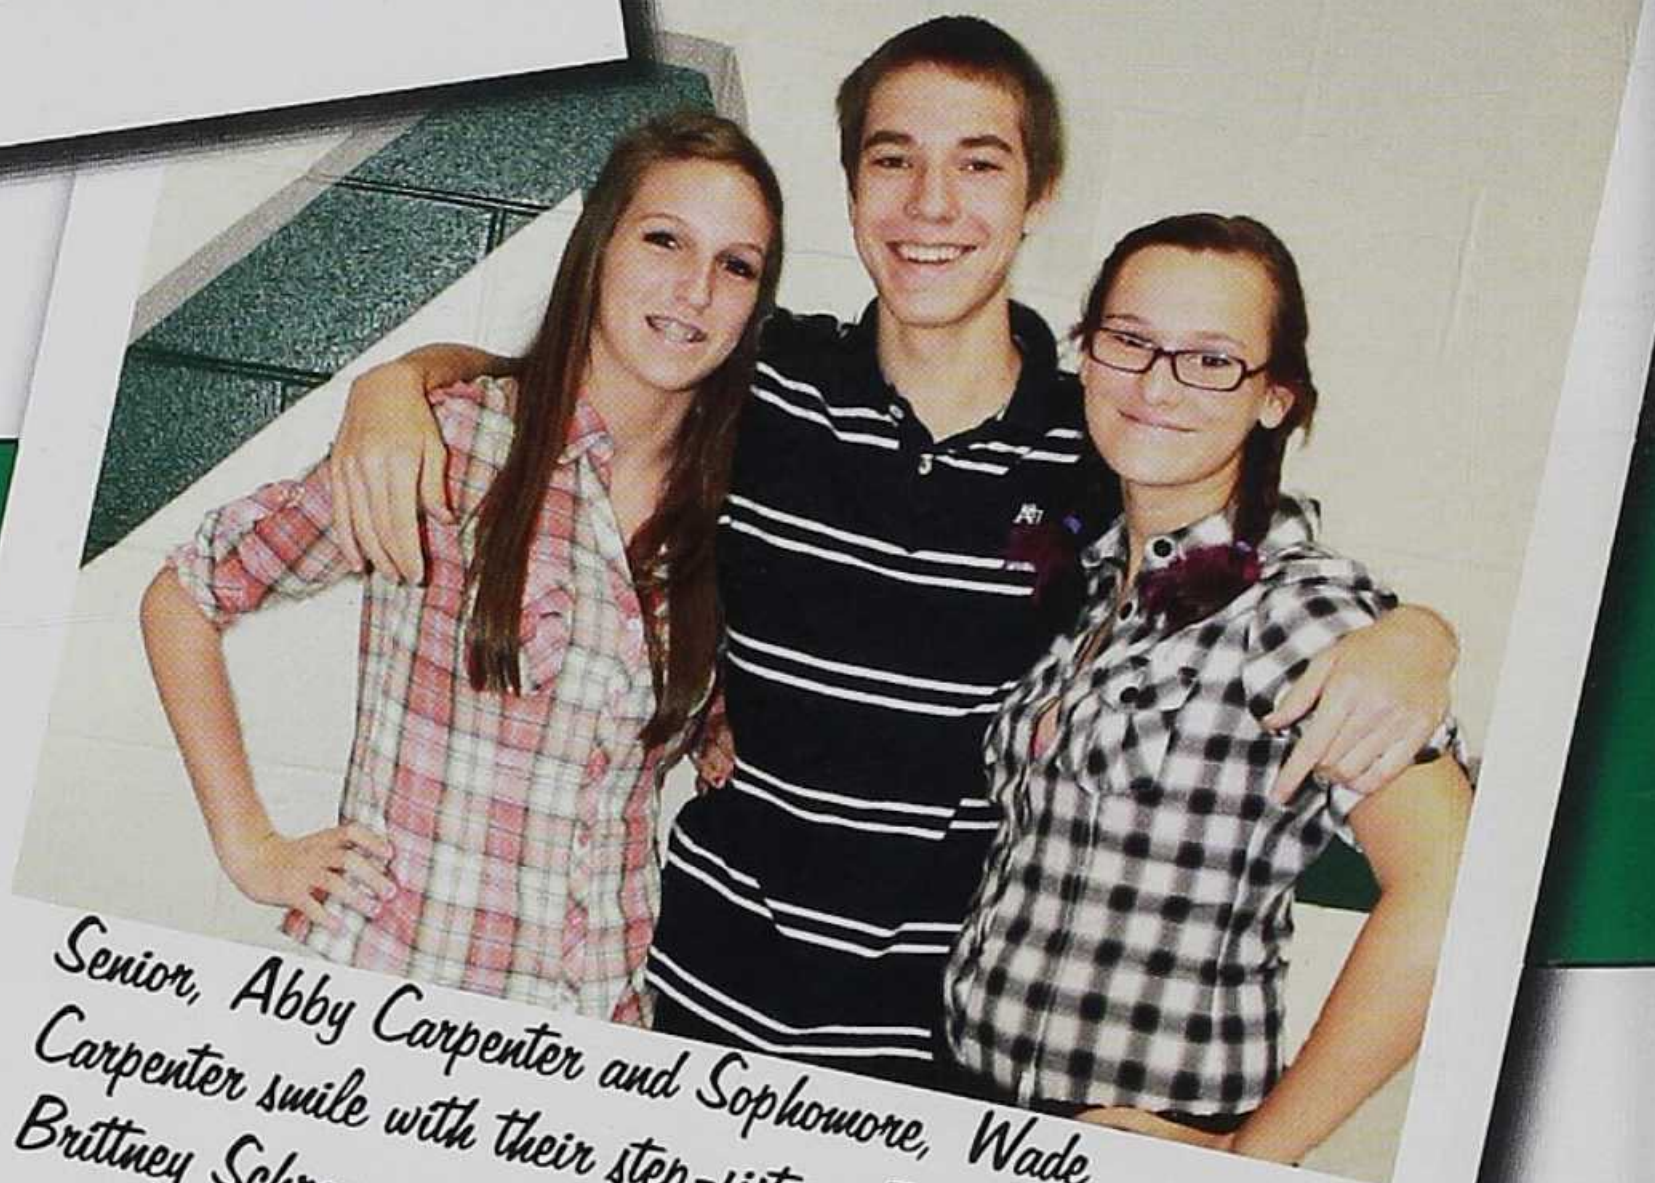

When asked what it was like to be a twin, Freshmen, Kaitlyn Leeds (seen here with twin Megan Leeds) says, "You actually have someone there so you aren't bored."

Christy Lea and Madison Lea could be twins!

Newlyweds, Josh Bryant and Jennifer Bryant take a break from coaching to snap a picture.

Senior, Abby Carpenter and Sophomore, Wade Carpenter smile with their step-sister, Freshmen, Brittney Schramme.

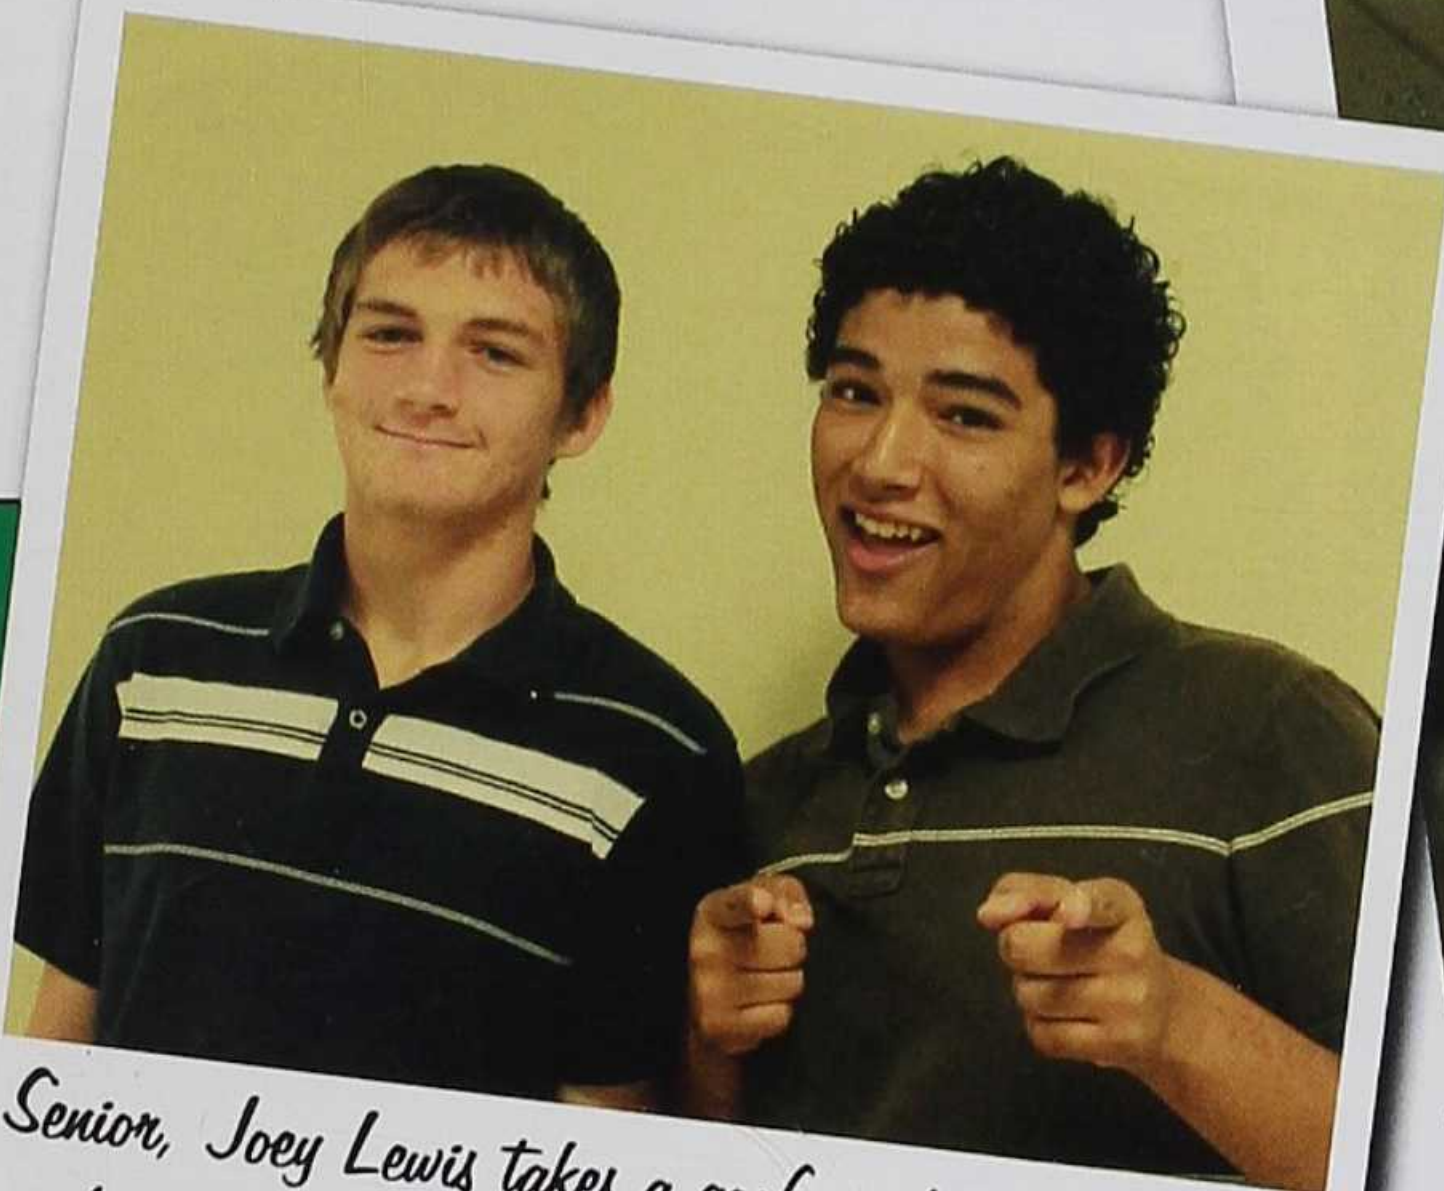

Sophomore, Kayla Jones carries her twin brother, Kyle Jones, around.

Freshmen, twins Chance Hull and Cheyanne Hull are complete opposites of each other.

Family

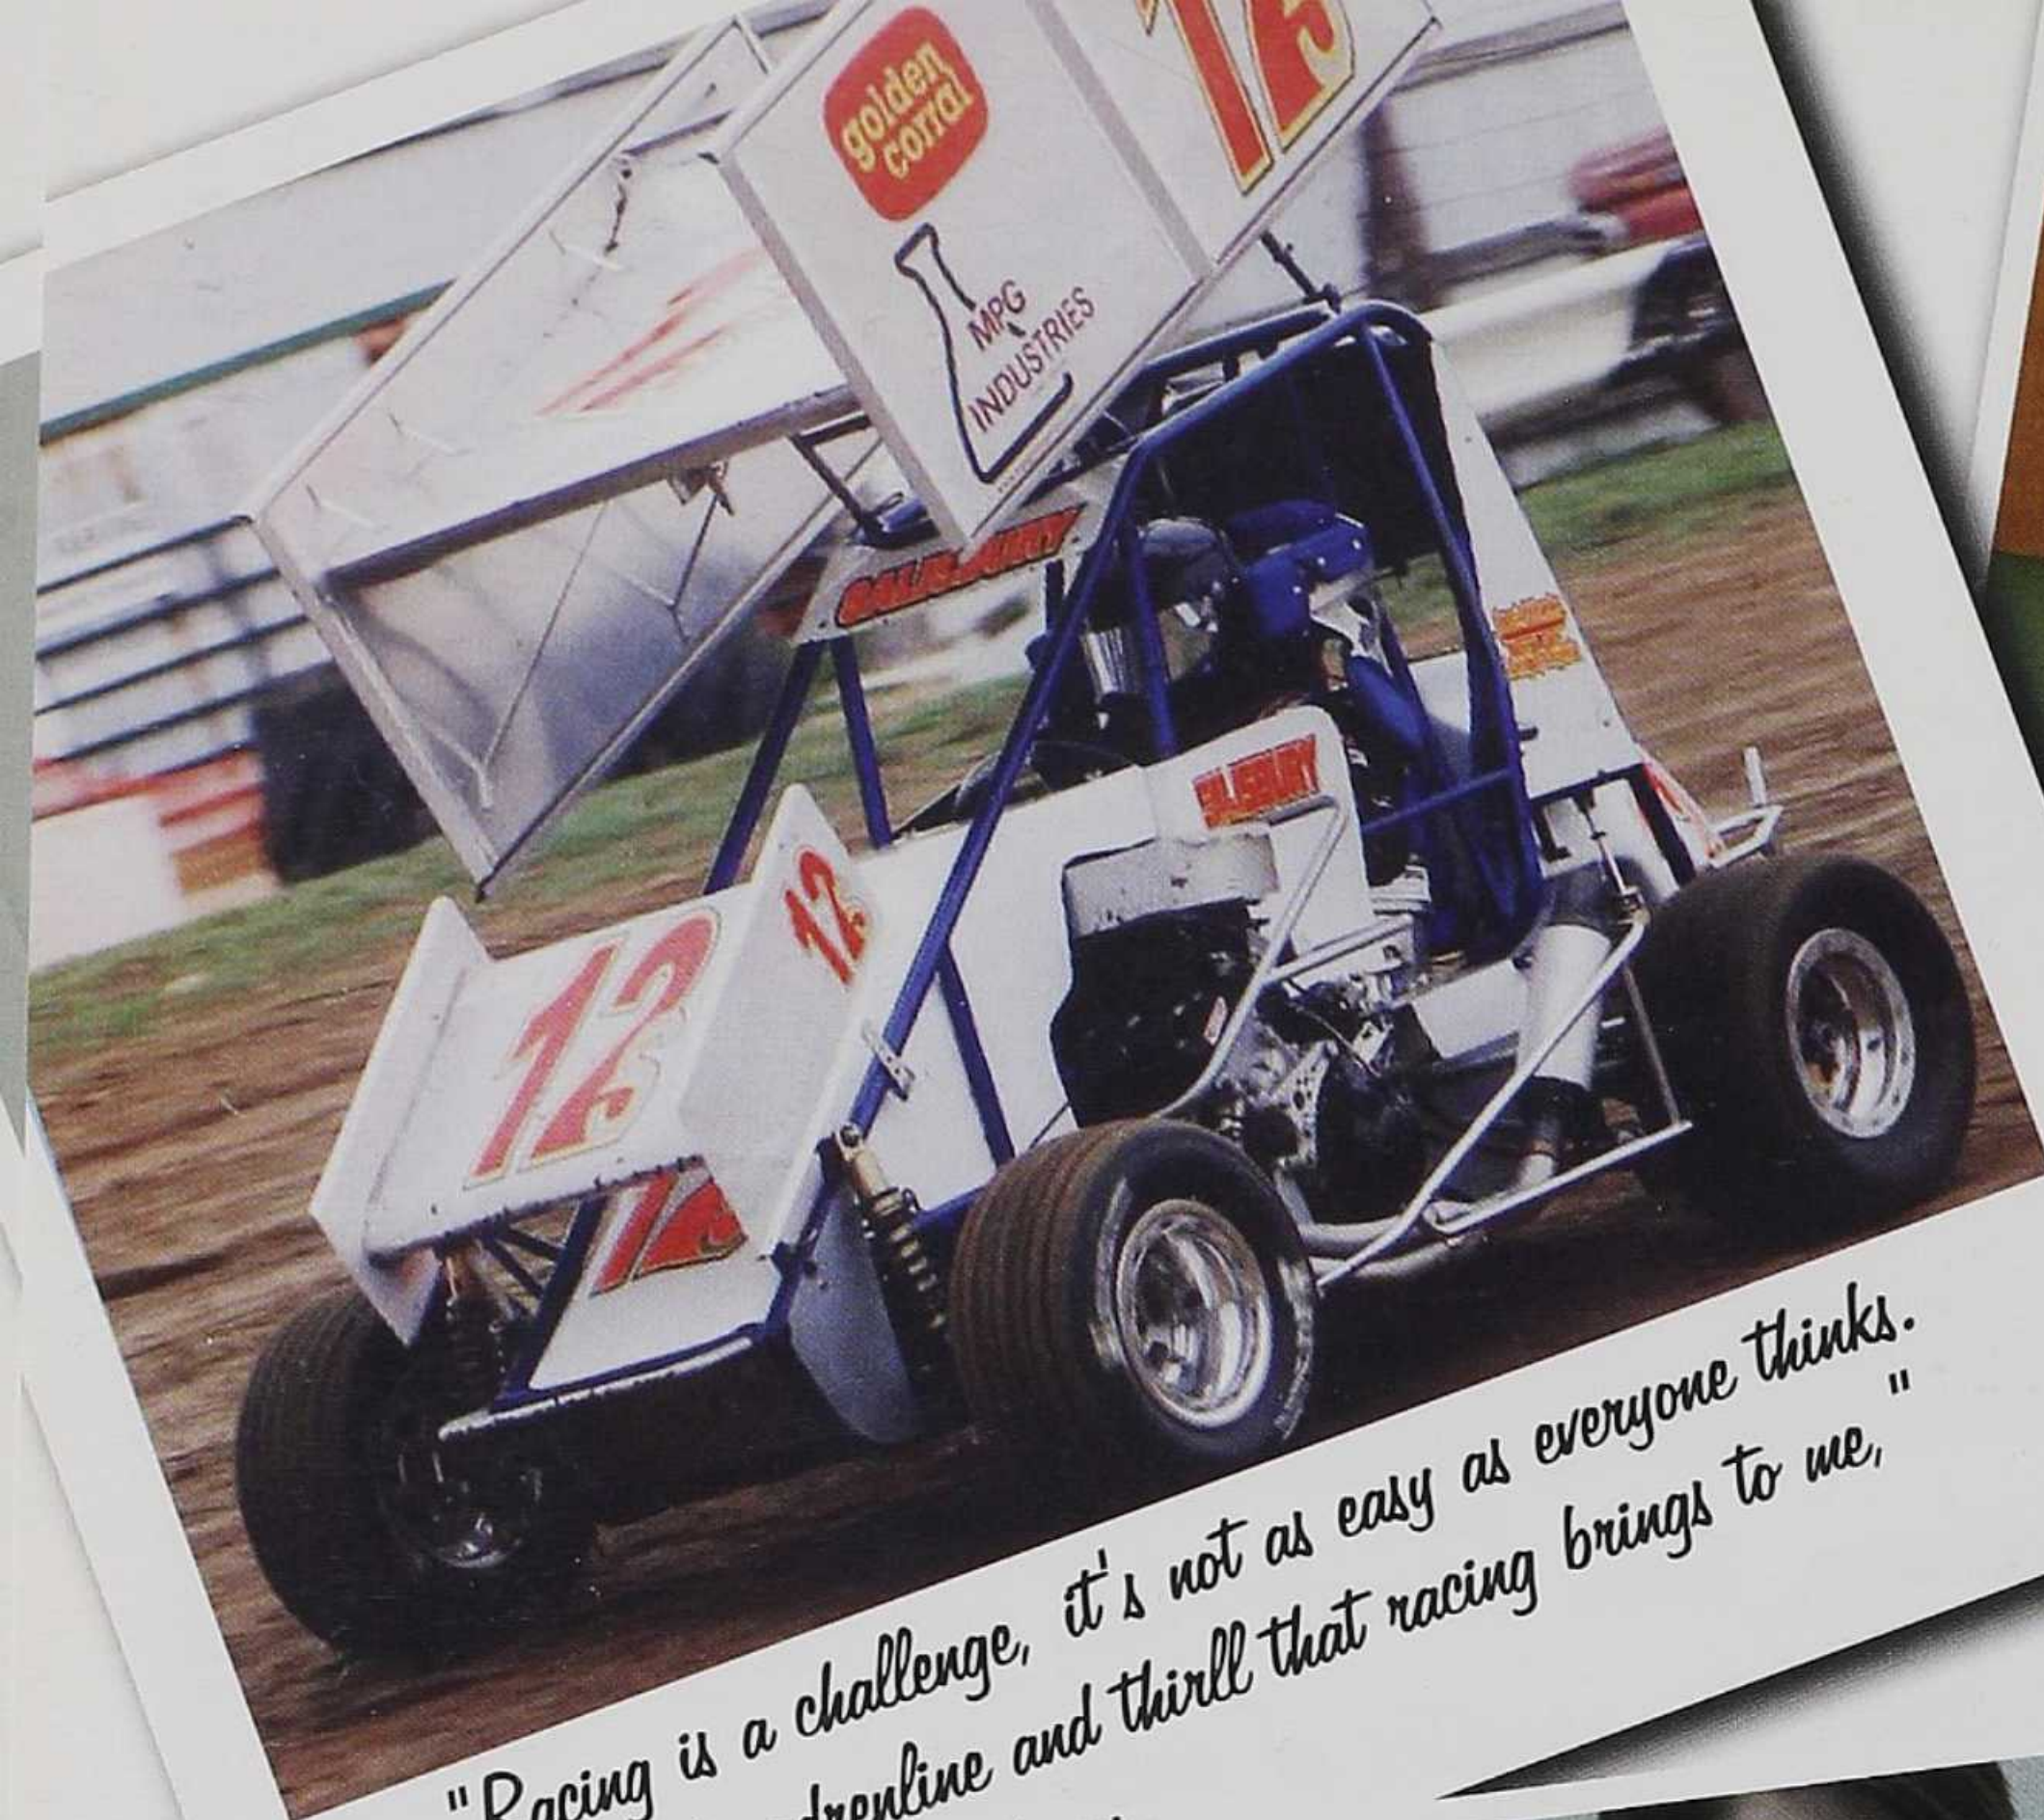

Family: the one thing we can't get away from; the one thing we wouldn't want to. The halls of KHS are teeming with people who share the same DNA. A brief selection is displayed here.

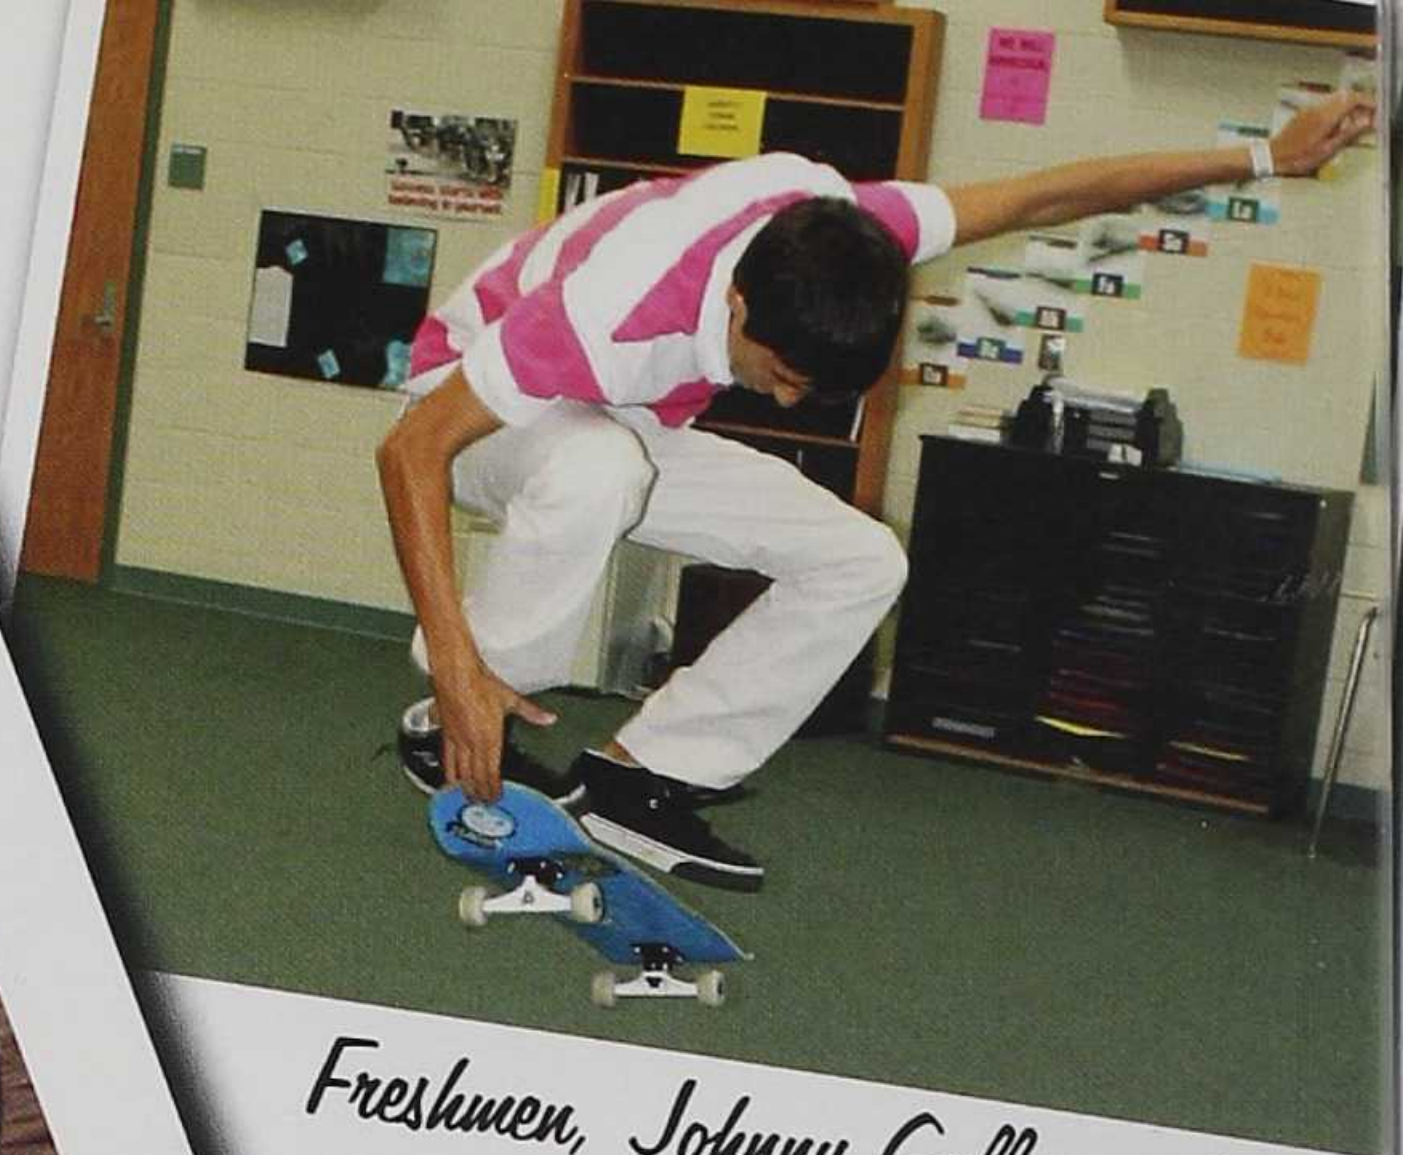

Senior, Joey Lewis takes a goofy picture with his nephew, Junior, Josh Shepherd.

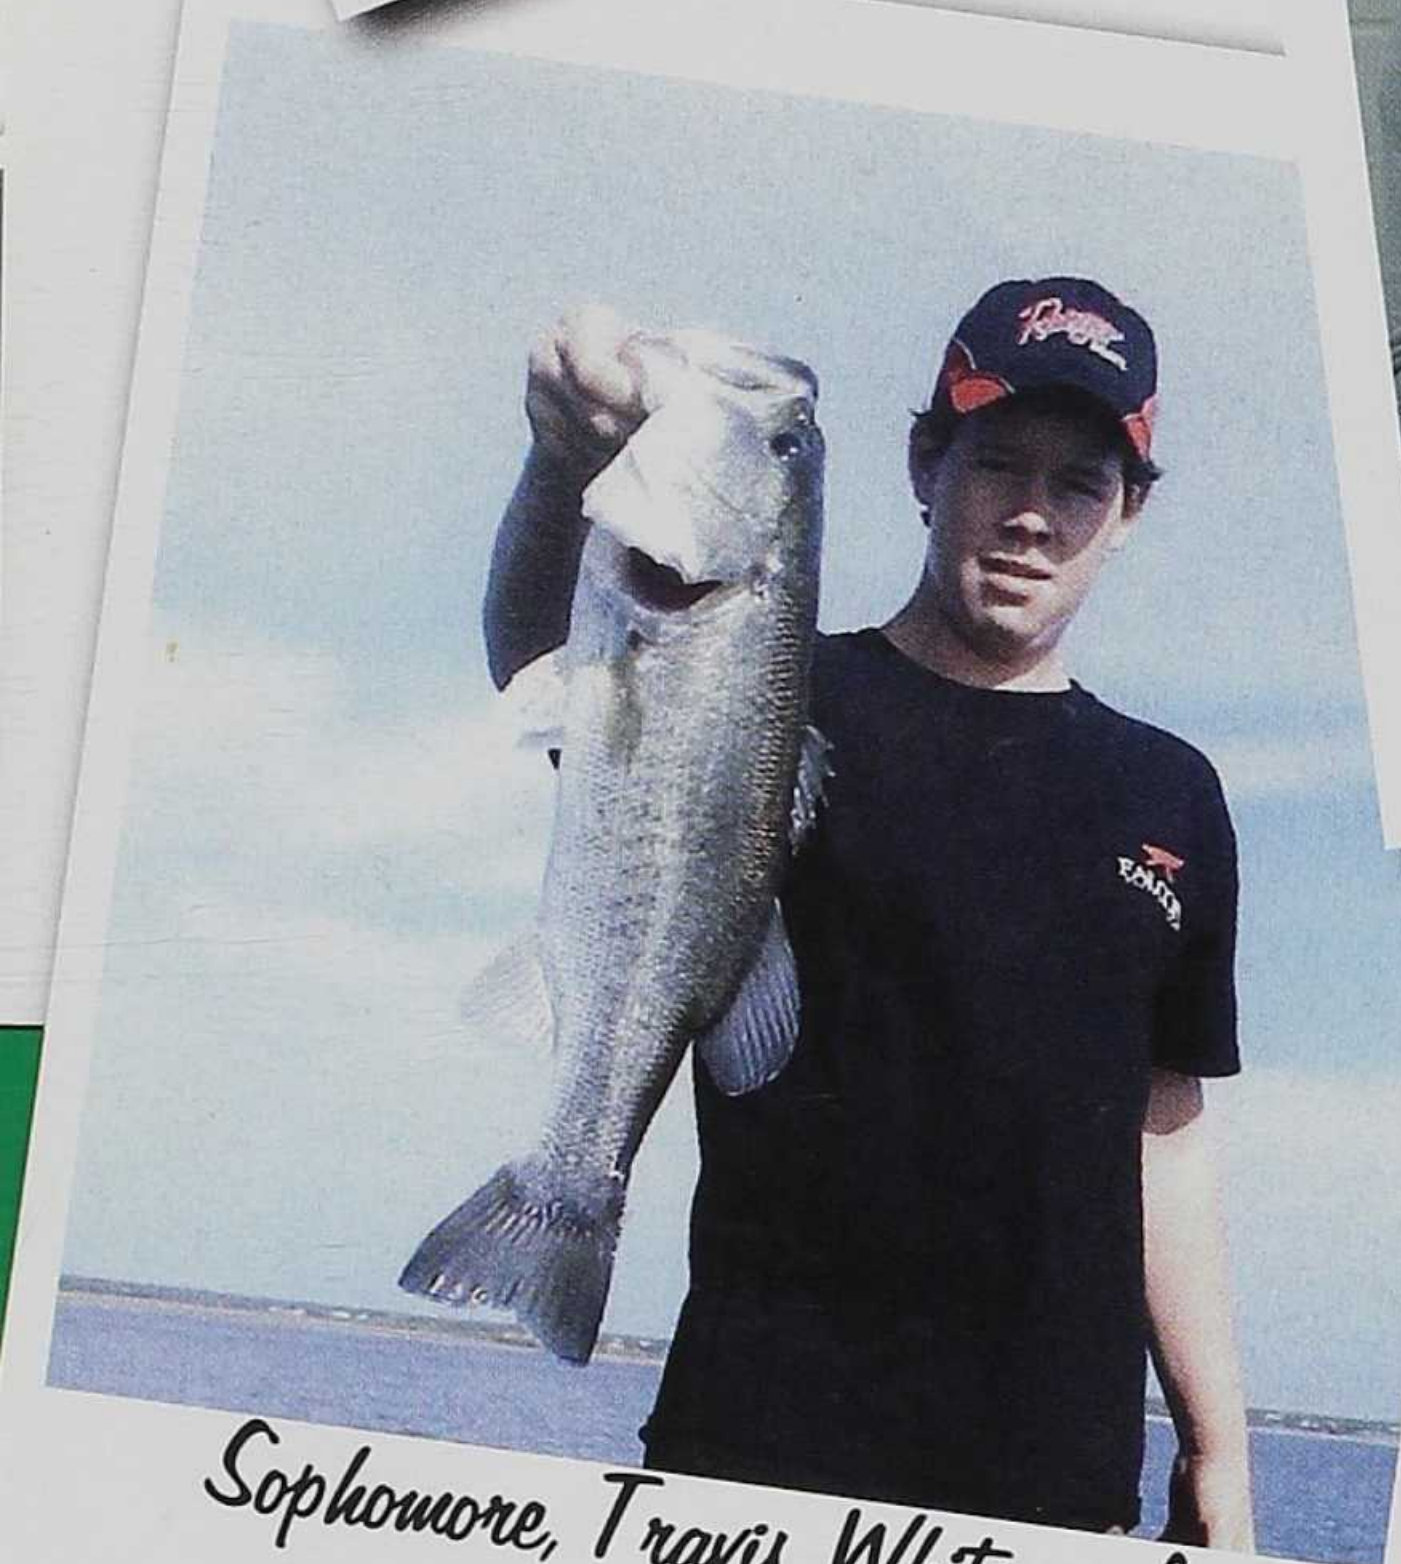

Sophomore, Kendel Capshaw gives her twin sister, Kasey Capshaw, a ride on her back.

Every famous person has that one talent that propels them to stardom. For Jeff Dunham, it's making puppets talk, for Adam Lambert it's singing, and for Muhammad Ali, it's beating the snot out of some other person. Who knows, maybe these people will one day be famous for their hobbies.

Jobs

Many students here at KHS have already joined the workforce. Balancing school, sports, clubs, homework, and a job all at once can be tough. Not everyone can do it, but these kids can manage it all. You may think a job would be easy to handle, but with all of the obstacles that a typical teenager faces, you may be wrong. Everyone likes the idea of having money but it goes fast, considering that you need to pay for gas, food, shopping, movies, and whatever else there is to do. It may be hard to handle all of this as a busy teenager, but these kids have gone over the top dealing with it all.

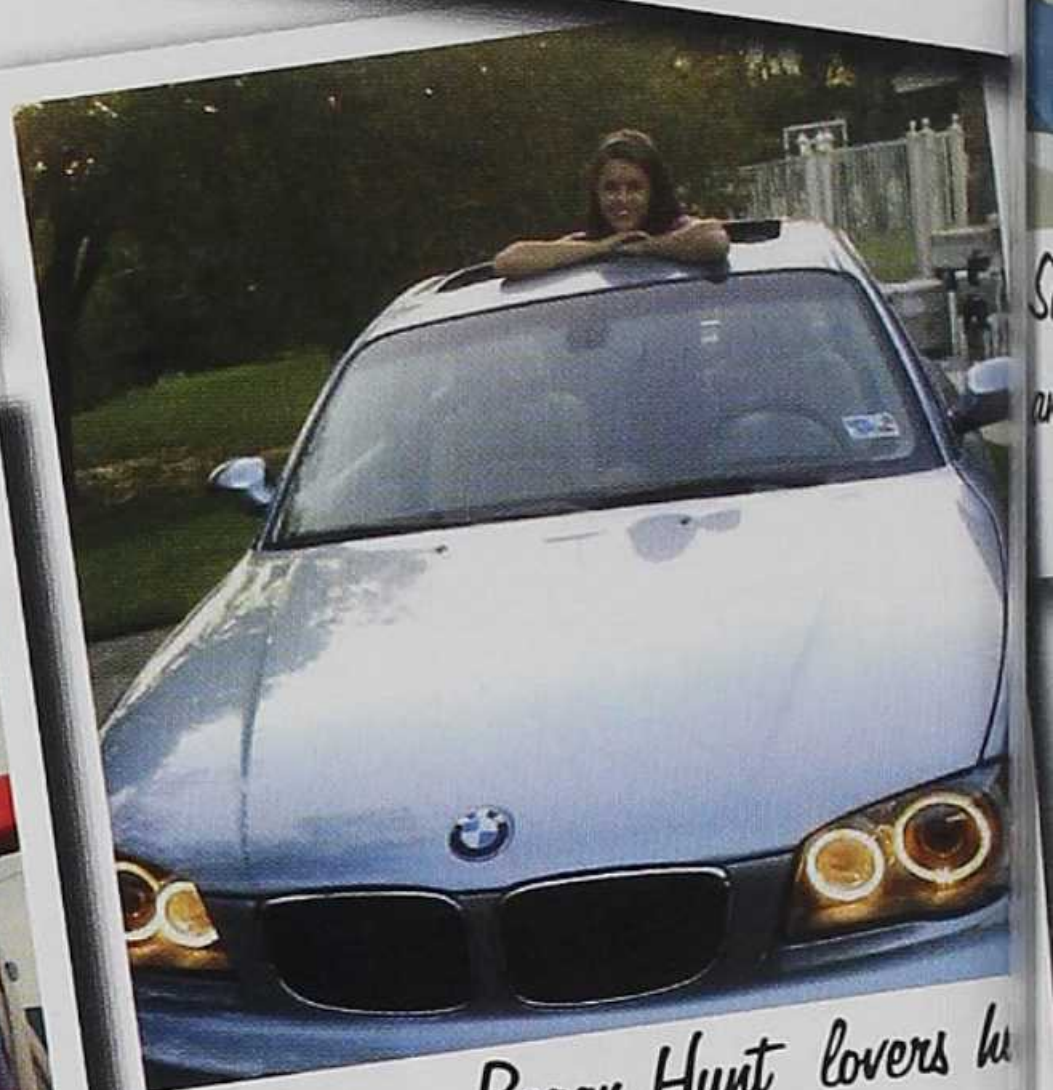

Junior, Amy Underwood, who works at a local movie theatre, takes a break to snap a picture.

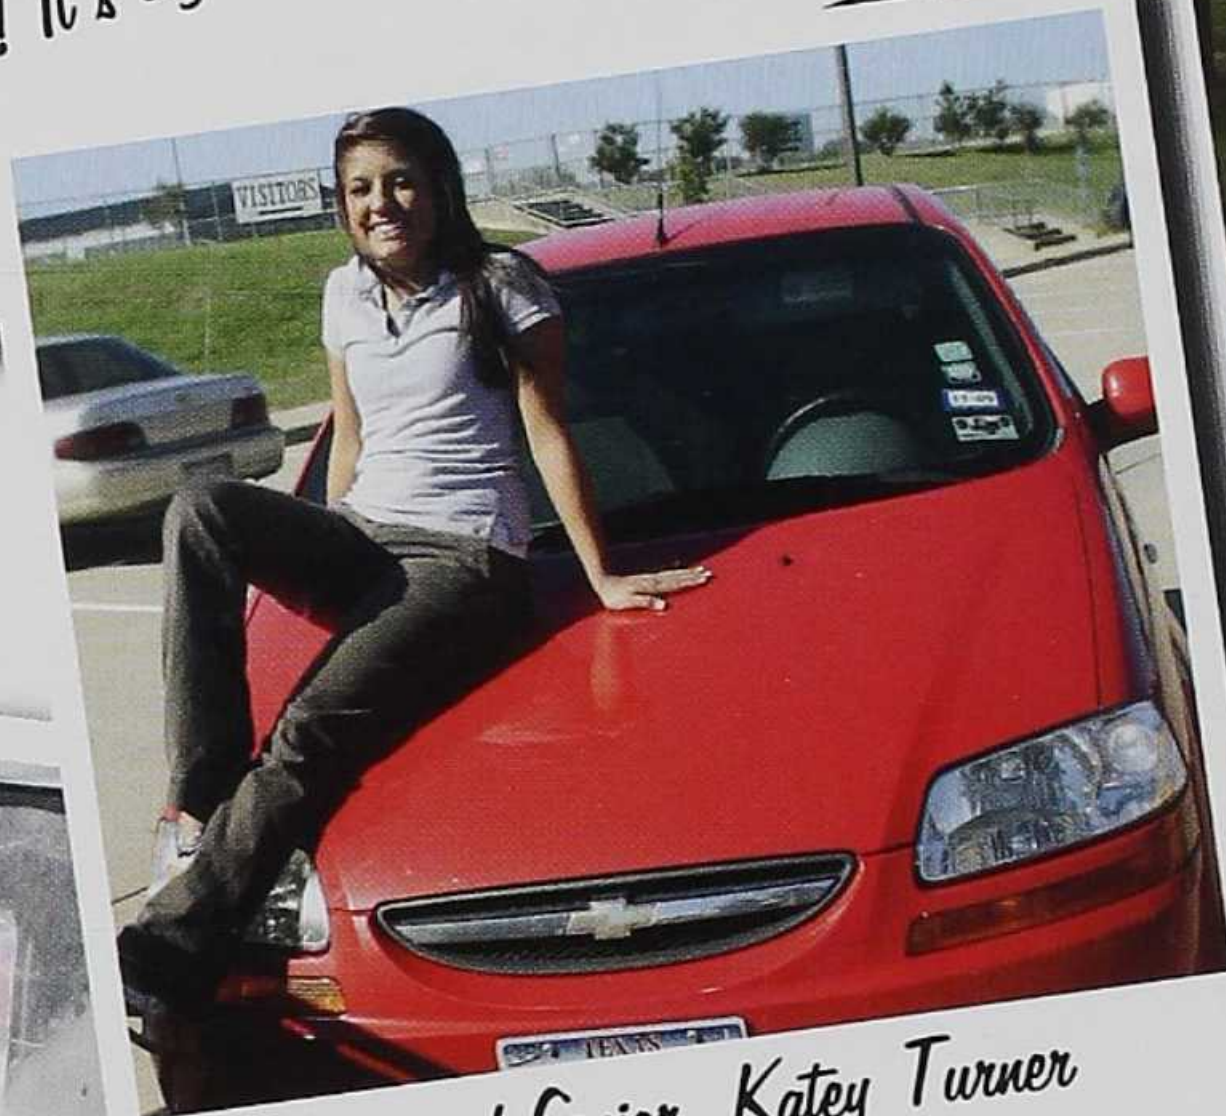

Junior, Amanda Page perches on top of her camouflange pick-up truck. Amanda gushes that she "loves her truck! It's legit!"

When asked to describe his feelings about his car, Senior, Nate Bree simply replied, "That's my truck!"

Cars

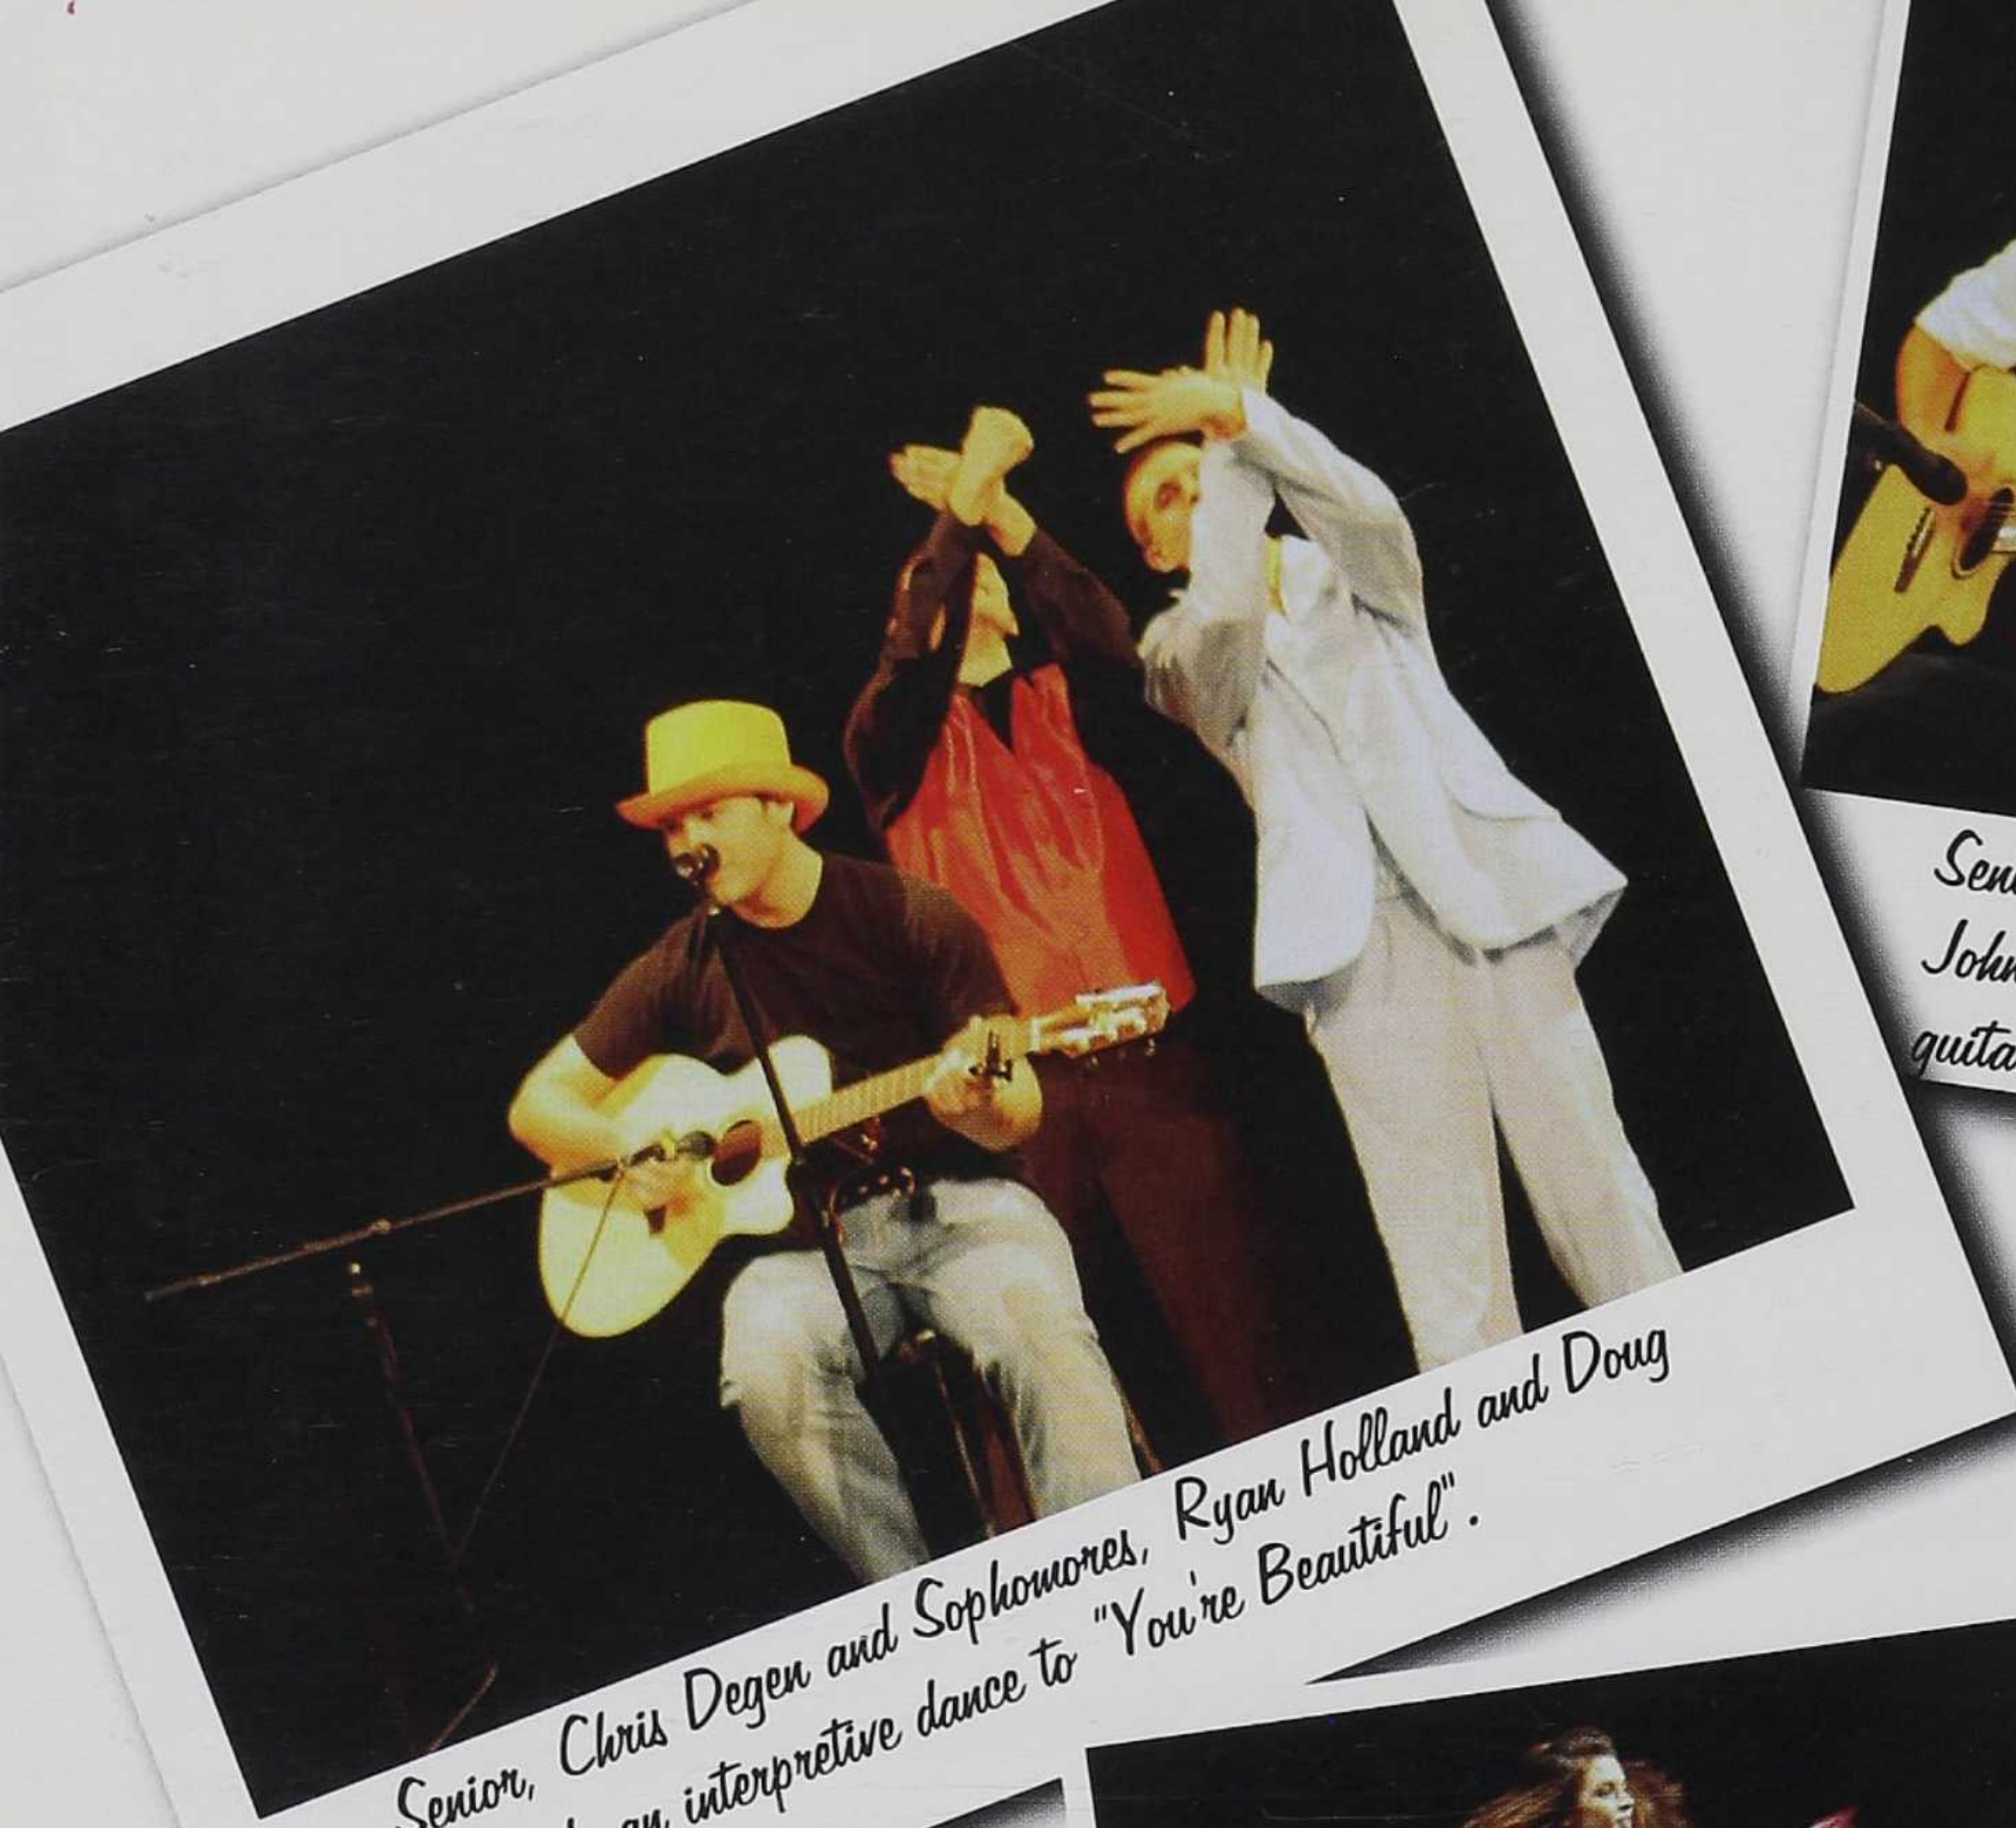

"Yeah buddy! Rollin' like a big shot, Chevy tuned up like a NASCAR pit stop." Everybody knows that awesome cars are the epitome of cool. Here at KHS, students take a lot of pride in their vehicles.

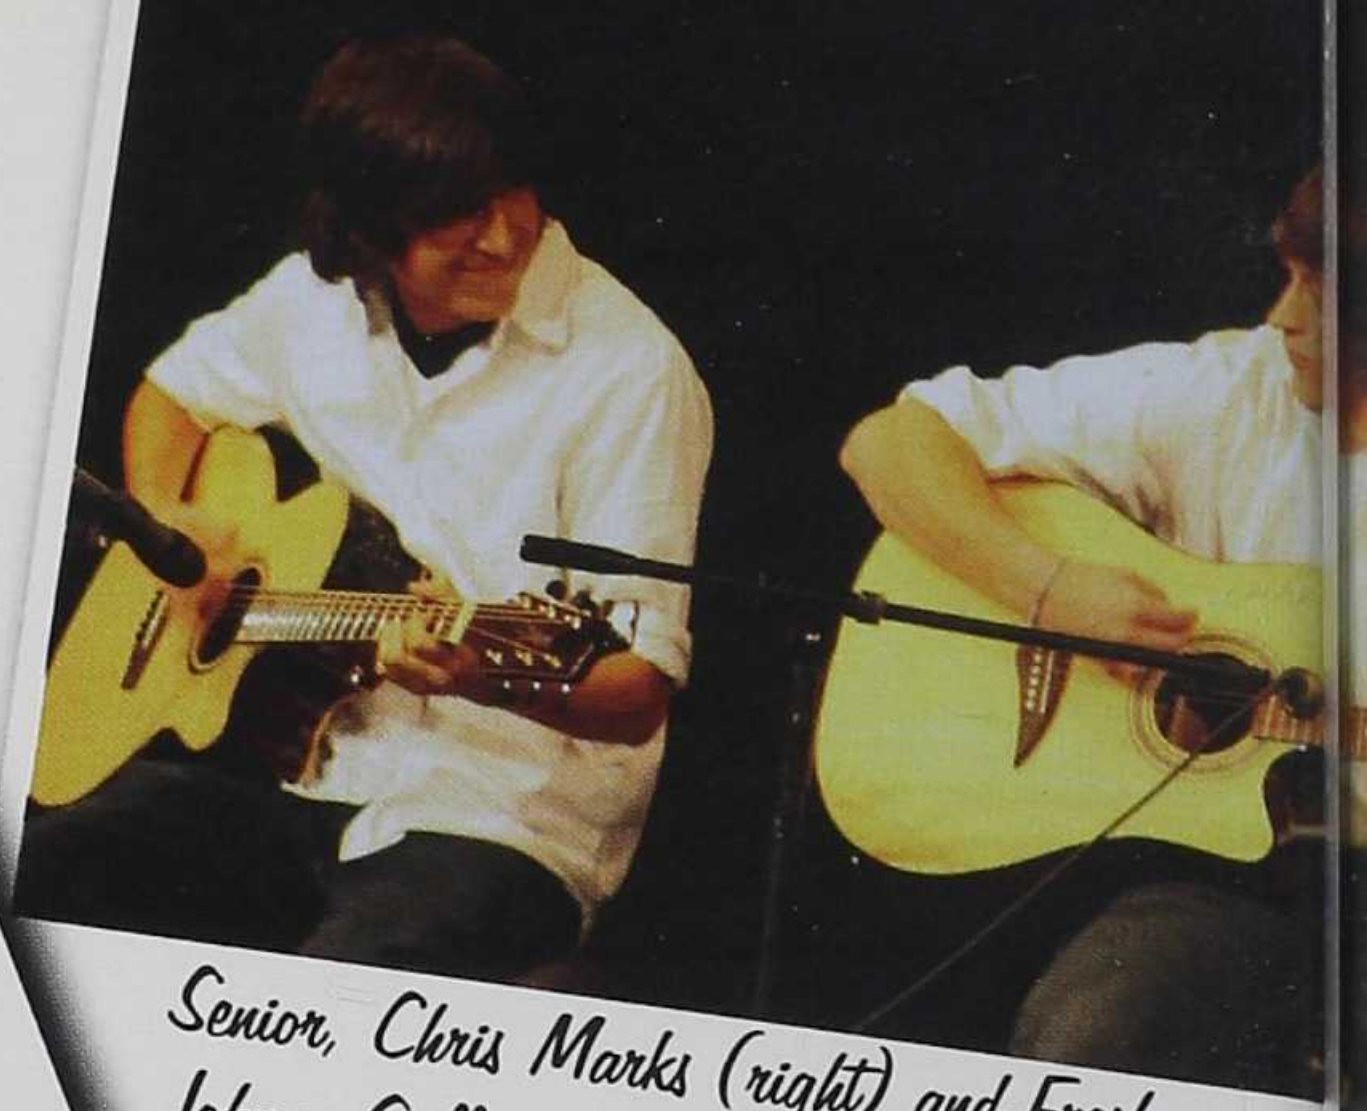

Junior, Maddie Douglass leans up against her pearl white Mitsubishi Eclipse.

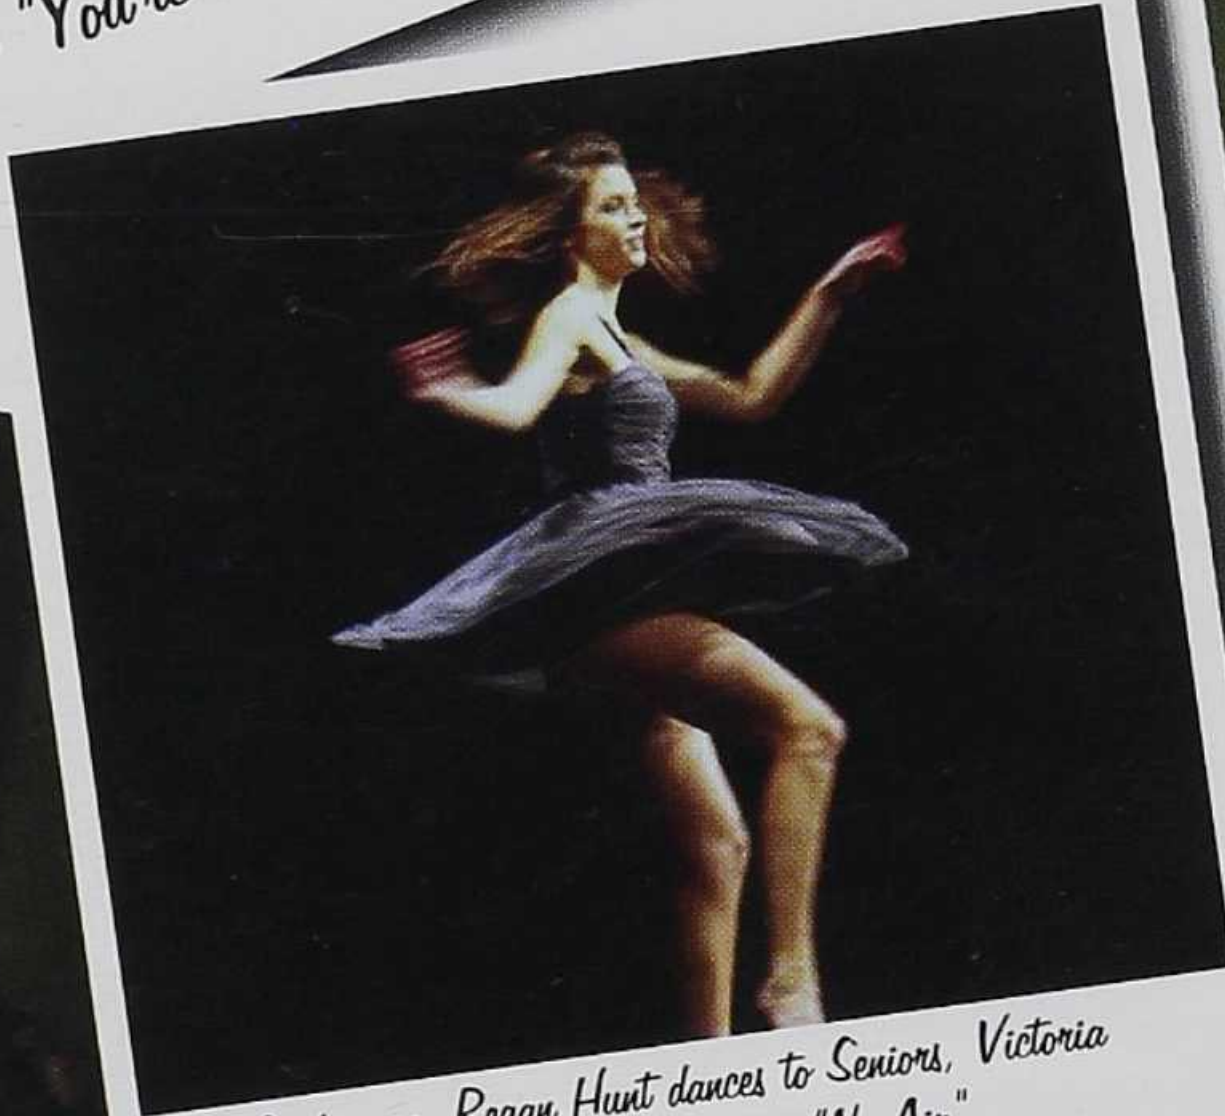

Junior, Carlie Blackburn bursts out of the sunroof of her Mercedes.

Senior, Chris Degen and Sophomores, Ryan Holland and Doug Ream do an interpretive dance to "You're Beautiful".

Football

This year the Wildcats had a year to remember. Kennedale finished the regular season with an outstanding record of (9-1) and an overall record of (11-2). One of their greatest accomplishments of the year was beating the state contending Celina Bobcats in the playoffs to become city champs. Leading the team to such a great season were captains Wesley Roberson, Carlton Bryant, Zenda Threadgill, and Dashiell Mosely. The Kennedale Wildcats expressed much dedication and hard work to this season and showed us that in each and every game.

Cross Country

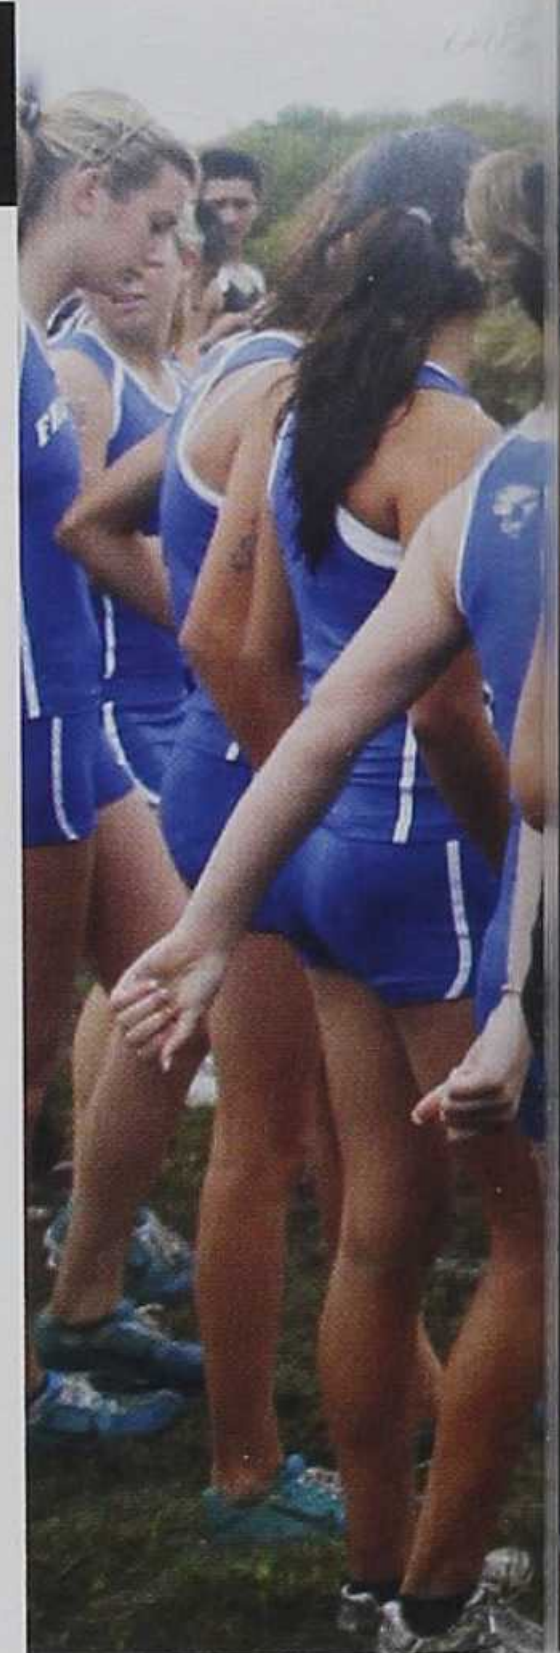

This year was a big year for the Kennedale Cross Country team. The Wildcats were led by Senior, Joey Shark, who placed second in district. The LadyKats were led by Senior, Kourtney Foggie, Sophomore Regan Hunt, and Junior, Beth Blind, who usually placed in the top ten at the meets. Great job Cross Country team! Good luck in the 2010-2011 season!

Bryan McKissick

Cheerleading

From UCA camp in the summer, practice after school, decorating for pep rallies, to cheering at football and basketball games, our very own cheerleaders are very dedicated athletes. The cheerleaders practice every Monday, Wednesday, and Friday mornings before school, and those practices are usually grueling. Every Wednesday after school the cheerleaders are painting posters to decorate the gym. They spend many hours hard at work to get the students and teachers at KHS pumped up for the pep rallies, and it shows.

LEFT: Sophomore and JV Captain, Regan Hunt, shows her school spirit at the Homecoming game.

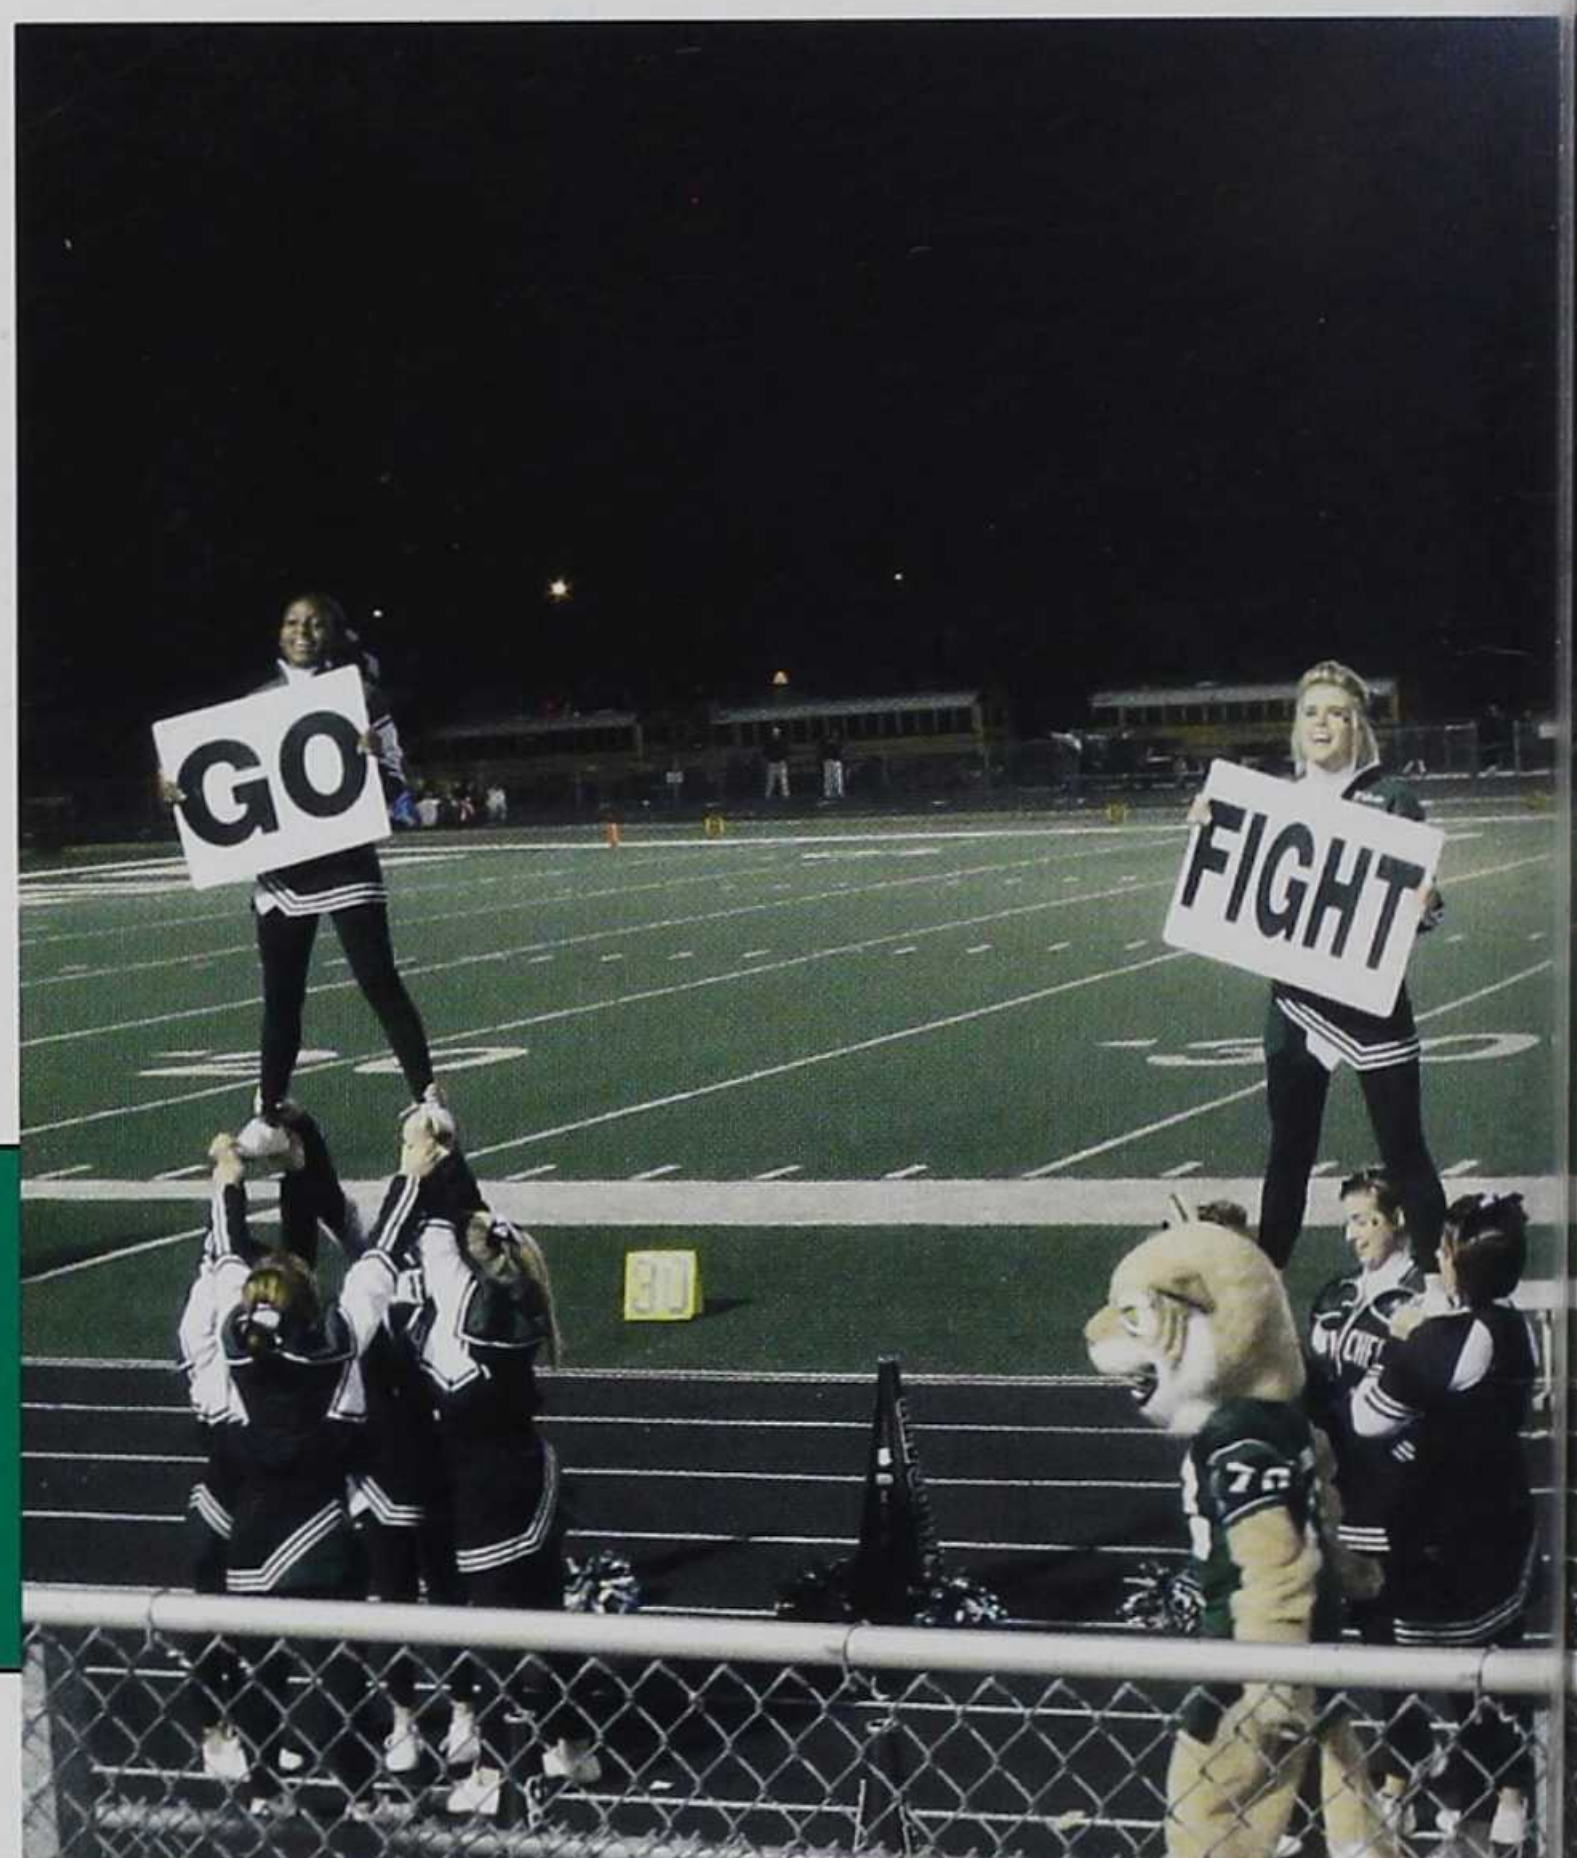

RIGHT: Freshmen, Heather Marks and Junior, Carlie Blackburn tumble on the field before the run-through.

-Nikki Funderburk

Volleyball

2009 Lady Kat Volleyball started with high hopes and ended with a 9-3 record in District, a 3rd place title in 12-3A, and 1st place in the Nocona Tournament. Varsity took it a step further than last year by making it to the second round of Playoffs. This season had many ups and downs, along with tears of pride and devastation. Although we lose our Senior girls, we have very talented young girls looking to prove to everyone what they've got.

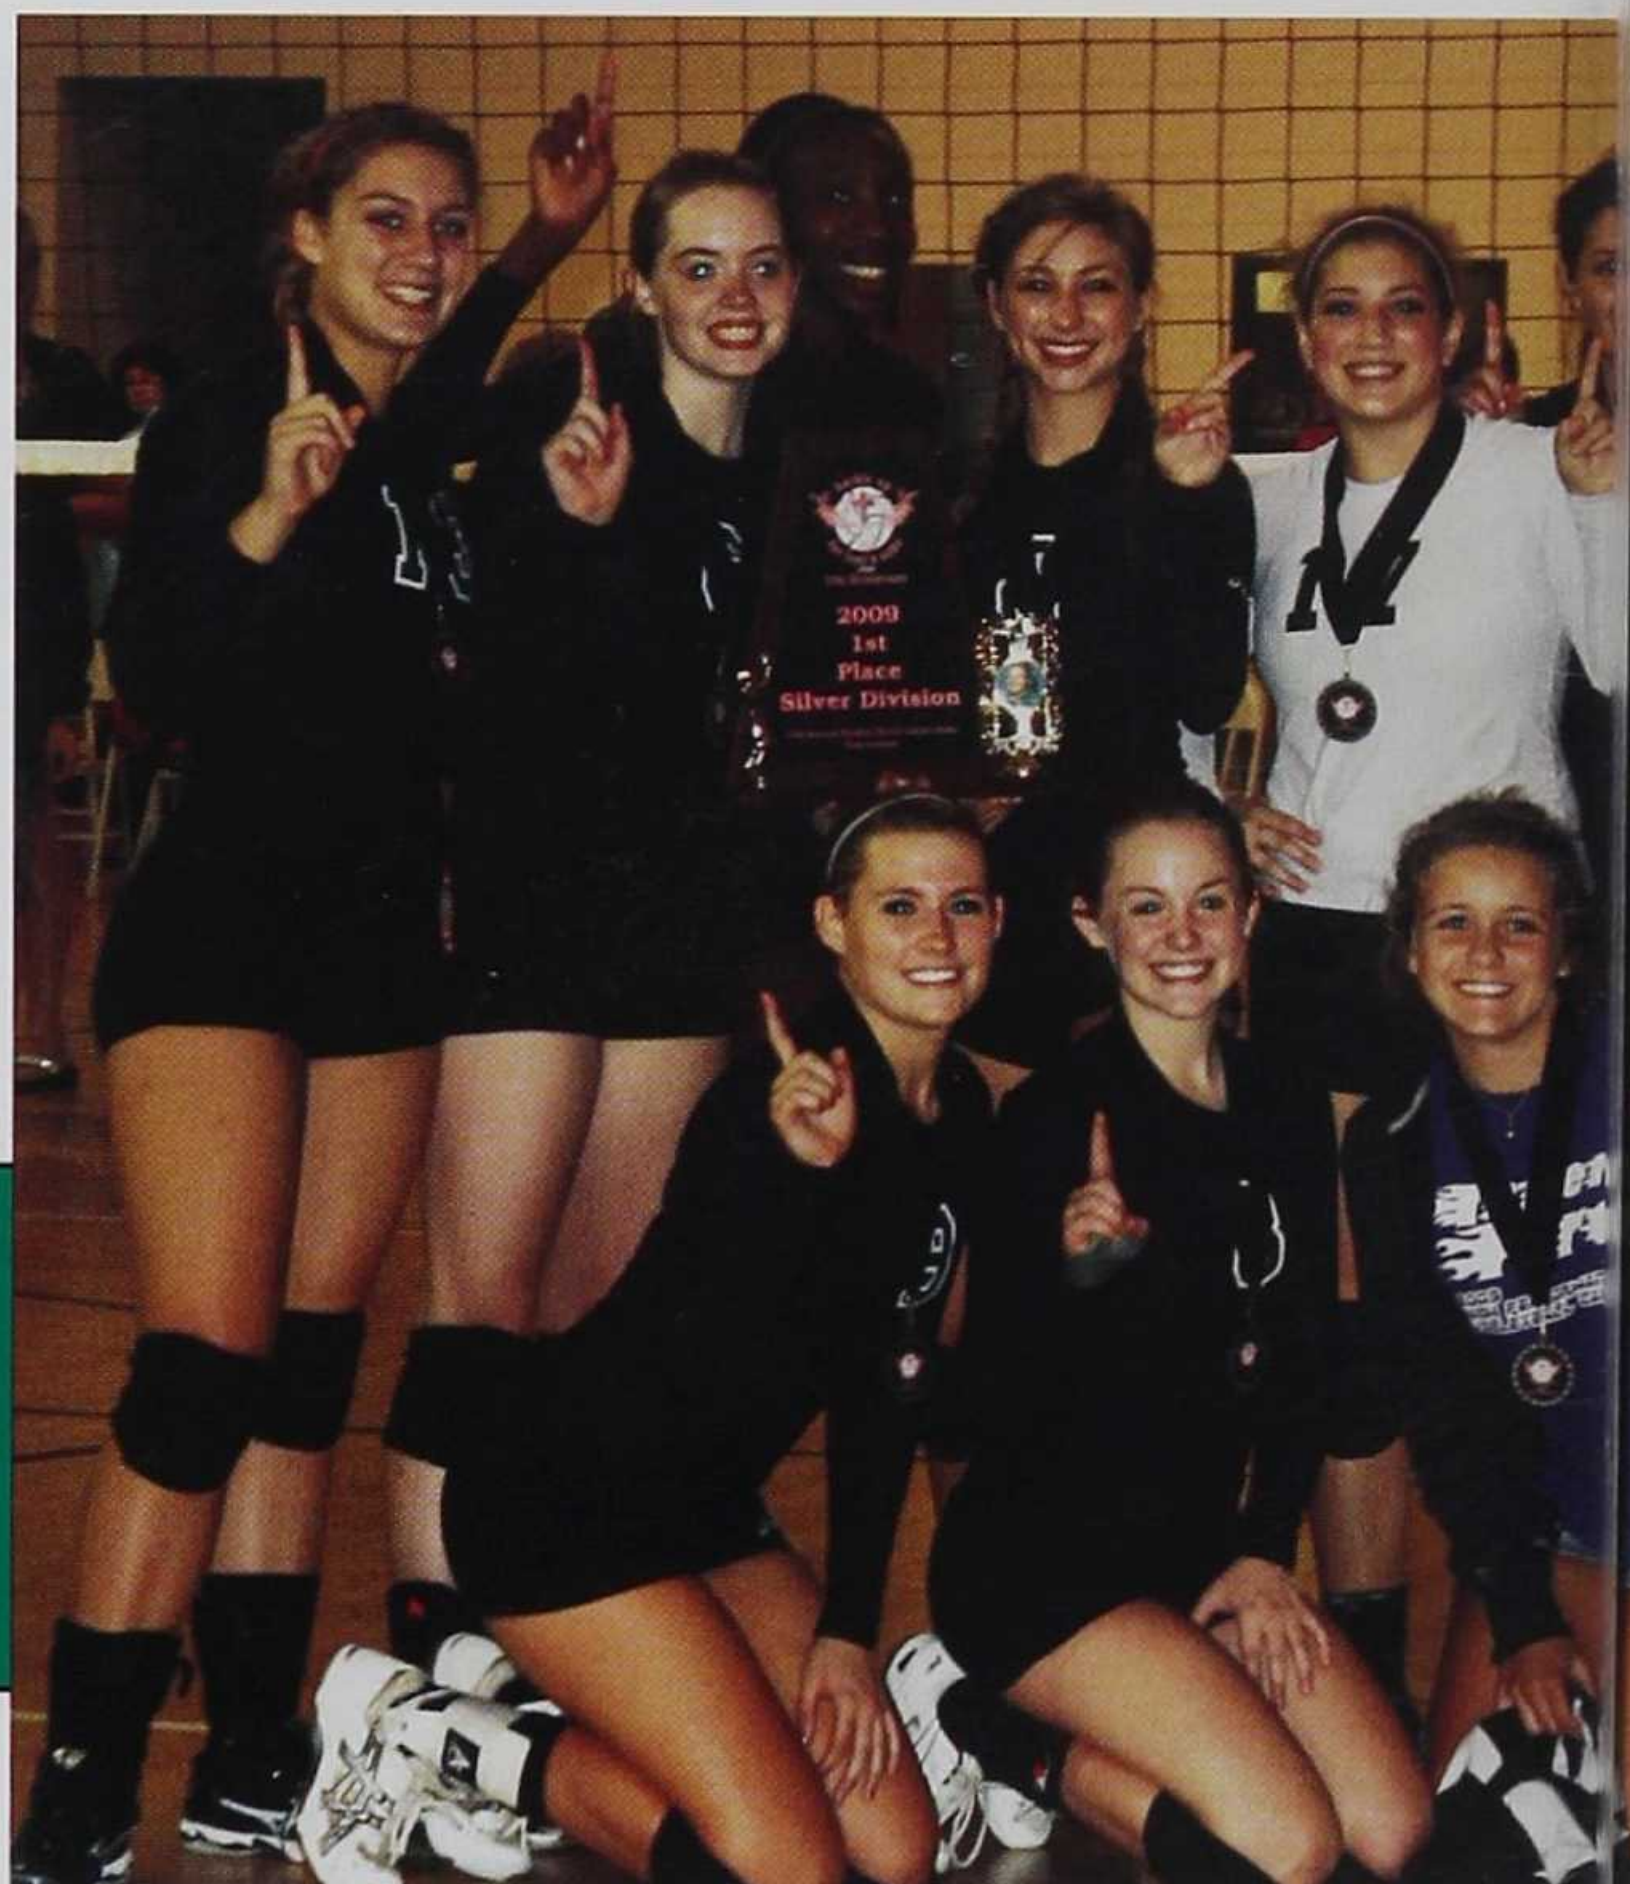

Above: Sophomore, Chandler Thornton puts up a hit at Jacksboro.

Below: The team gathers in a time out at Ferris.

Senior Spotlight

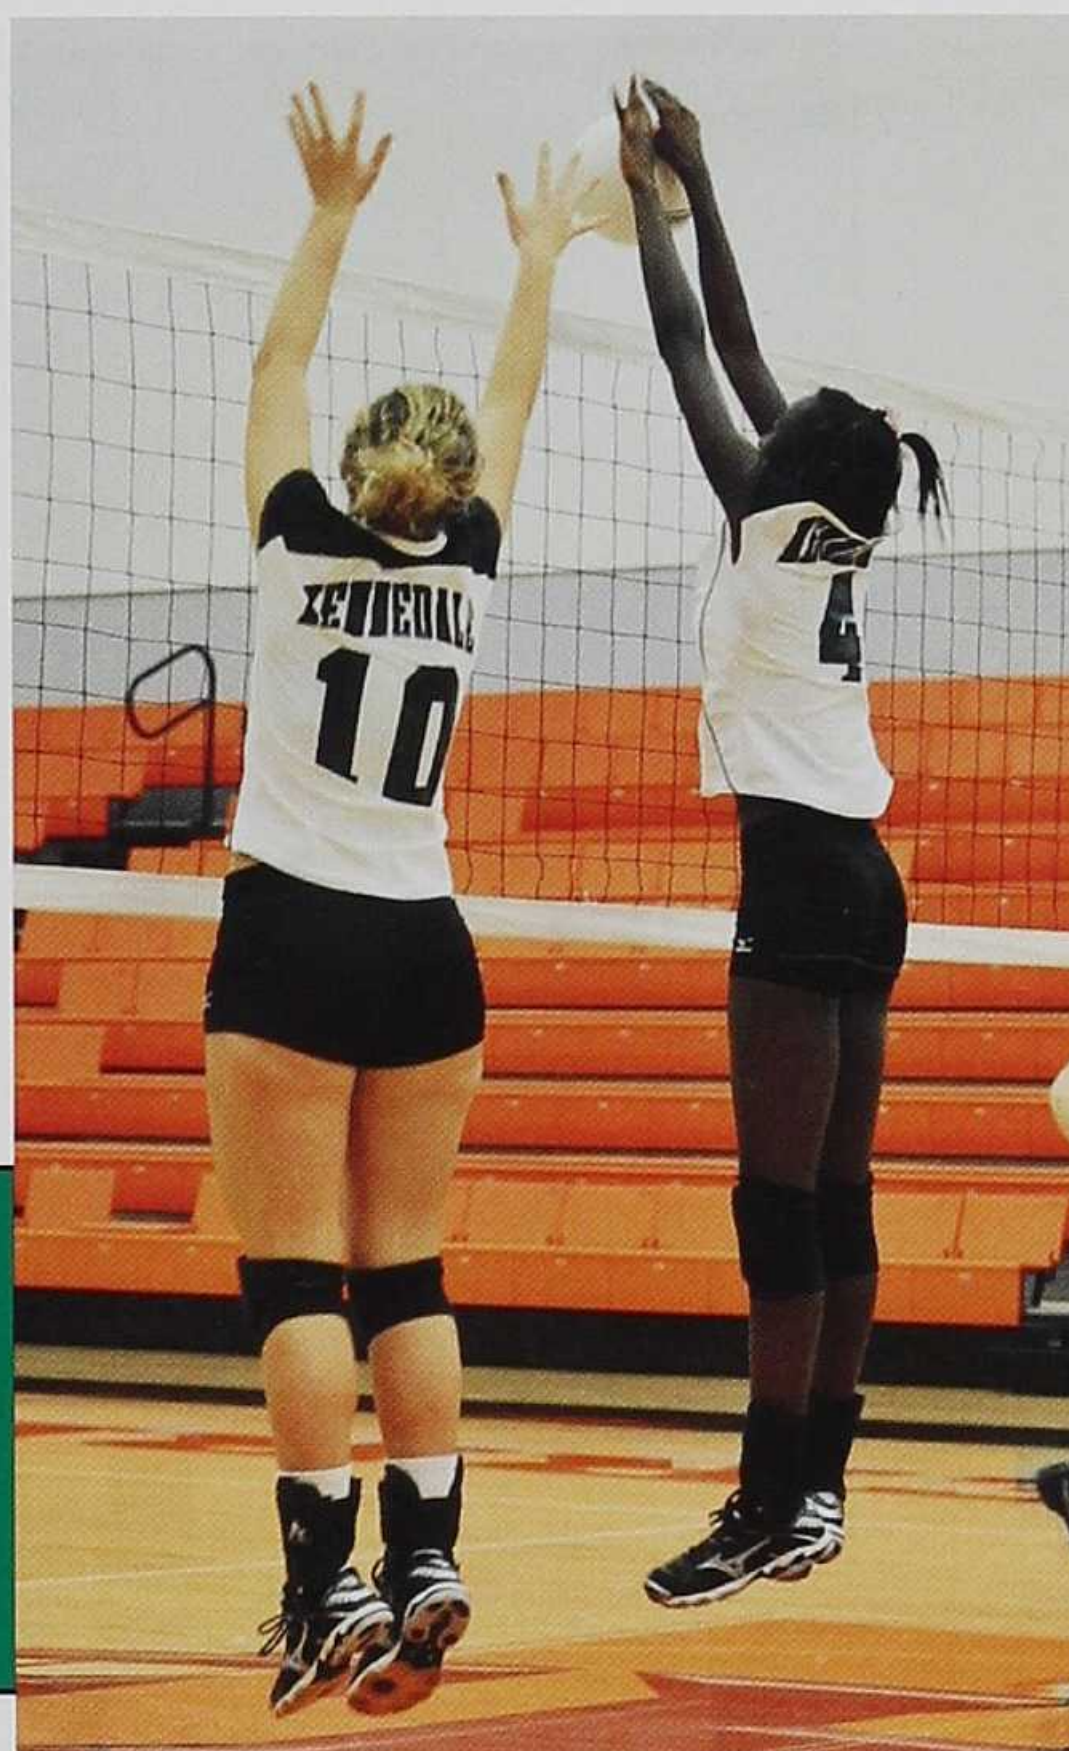

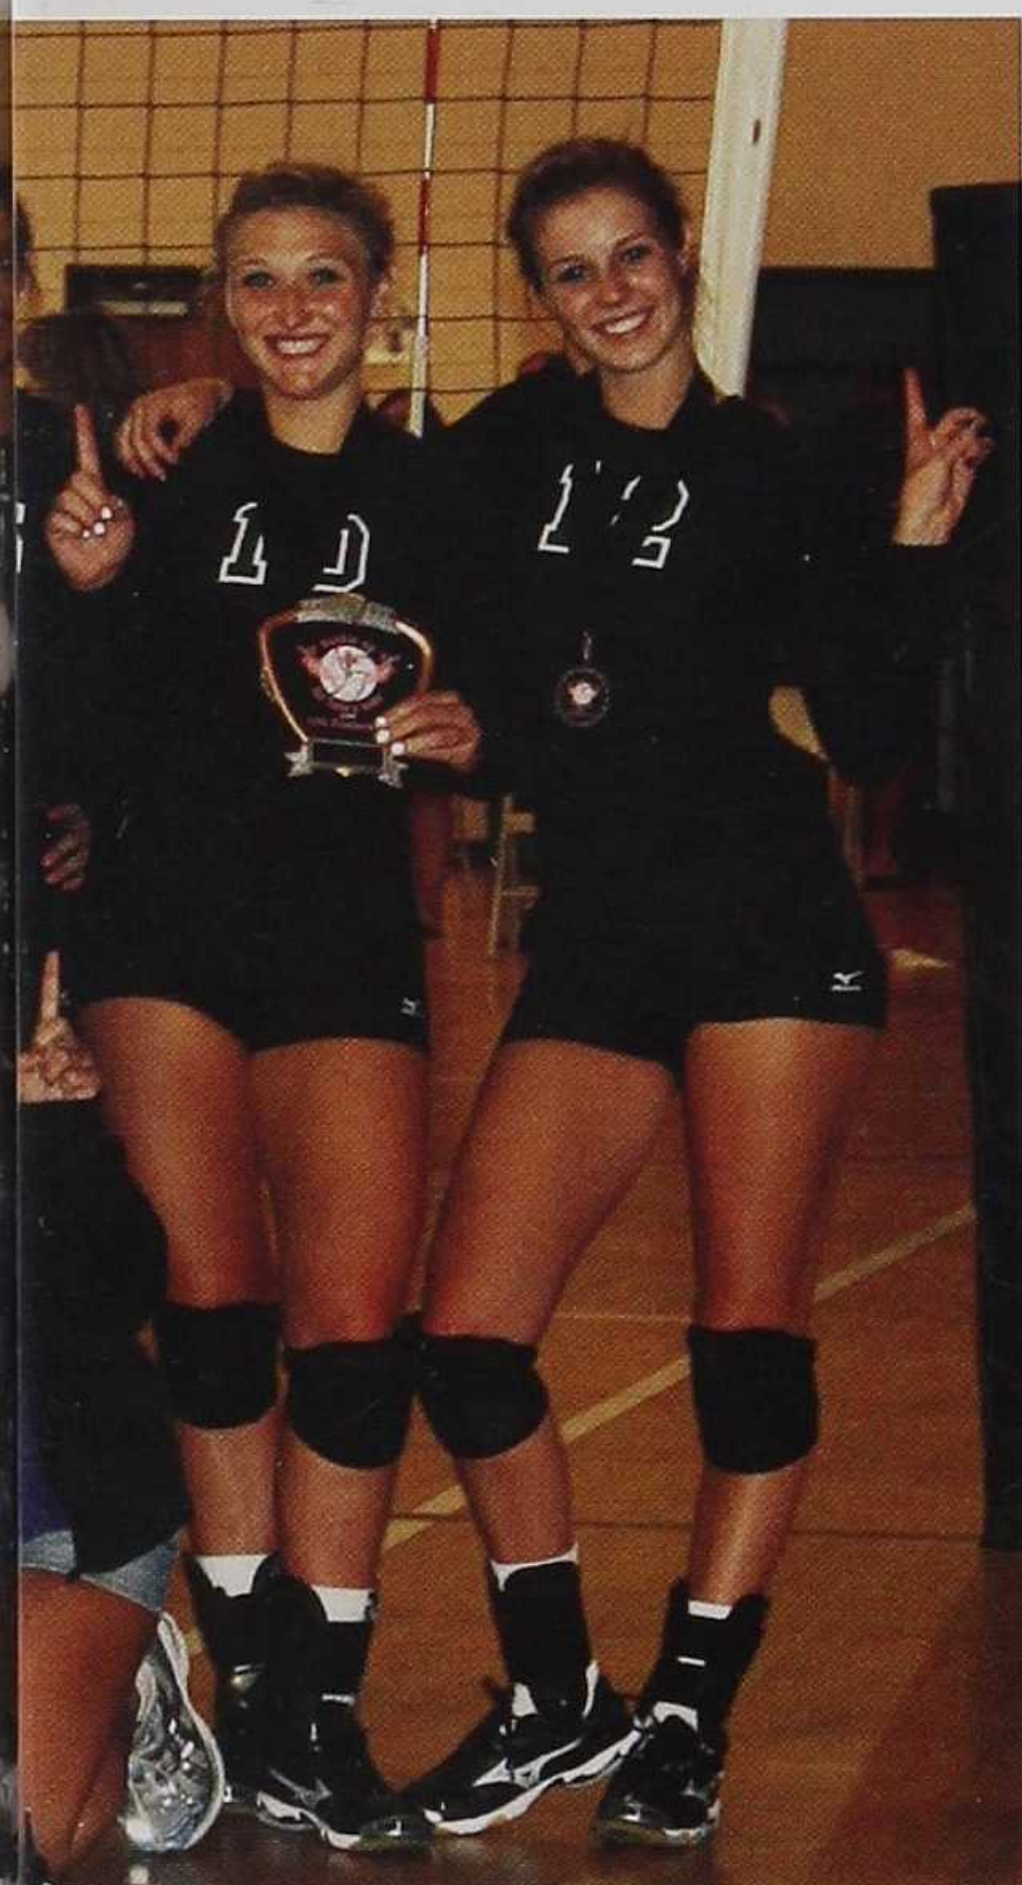

Kate Cassell-
"Fighter! Kate is the one who no matter what the score would fight for every point. You always knew that her heart was leading her."

Allyson Reed-
"Lefty! Allyson was often times our 'secret weapon!' When she was on her game it was hard for the other team to pick up those left hand hits."

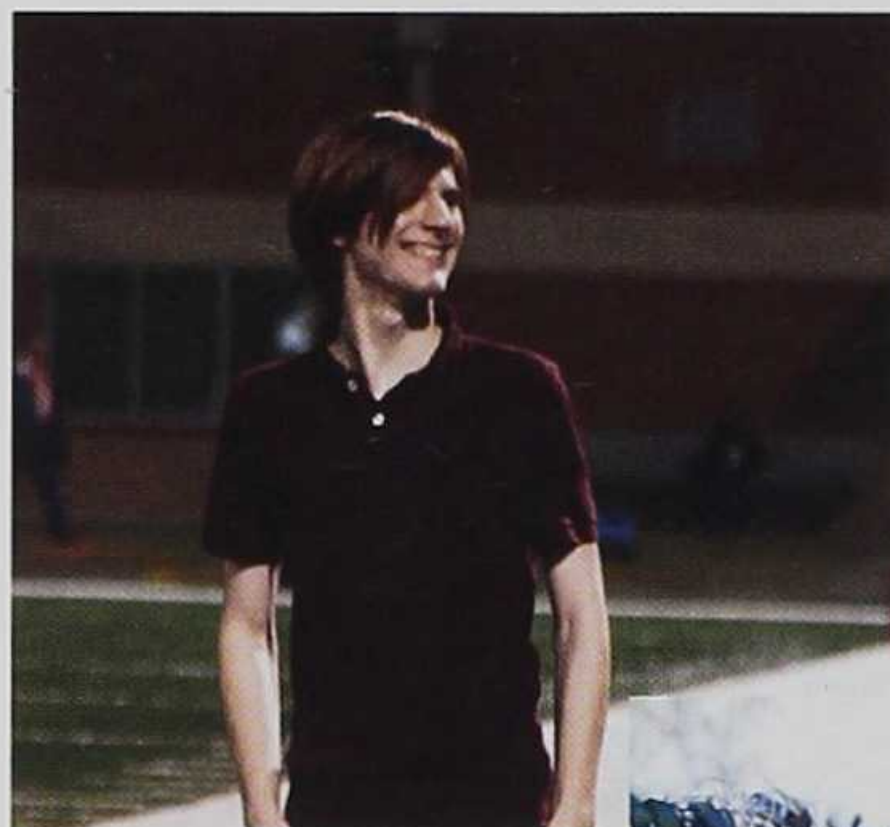

Lauren Woods-
"Dedicated! Lauren truly loves to compete and win. When the game was on the line you knew she wanted the ball and had confidence that we would earn that point."

Allie Esquivel-
"Bulldog! Allie is fiercely loyal and driven. Once she has a purpose she will leave everything she has on the floor to fulfill her purpose."

Drill Team

The Aristocat Drill Team has enlivened and inspired KHS's pep rallies all year. With their themed dances and shimmery costumes, they have been our secret weapon at sporting events. The other teams have watched with envy as our girls performed at halftime. The officers are Jr. Lieutenant Lillie Greathouse, Lieutenant Samantha Pence, Captain Amber Pence, and Major Natalie Parsons. Under their sponsor, Mrs. Terri Hatcher, the Aristocat Drill Team has become a fixture here at KHS.

Left: Tyler Beers was the Aristocats Drill Team Manager. He was there at every performance, cheering on every shimmy.

Right: Freshman, Quyen Nguyen, about her freshman year with the Aristocats, "It's really fun, it's something I've found that I want to do later on."

Above: The Aristocats dance the two step at the Western Pep Rally.

Left: The Aristocat Drill Team marches out onto the field amidst a storm of applause.

Senior Spotlight

Natalie Parsons-
"Even when other doubt you, never give up on yourself. You have truly been a dedicated member to this team."

Amber Pence-
"Always remember to be your own person and believe in yourself."

Samantha Pence-

Lady Kat Basketball

The Lady Kat Basketball team, led by Seniors, Breanna Dorsey and Kierra Phipps, were determined to go to Austin, Texas to play for the state championship. They started off the season looking better than ever before, and finished the season the same way. The Lady Kats made it to the Regional Finals, where they suffered a heart-breaking loss. However, the Lady Kat's know what they need to improve for future years at Kennedale and strive to be the best they can be.

Above: Senior, Breanna Dorsey shoots for three.

Below: Freshman, Jamaika Hughes dribbles the ball in attempt to set up a play.

Left: Senior, Kierra Phipps jumps to shoot for two points during a game.

Senior Spotlight

Breanna Dorsey-"As a senior, Breanna has matured as a player and a person. And is ready to move on to the next stage of her life."

Morgan Spearman-"Has been a value asset to the LadyKats Basketball program since her freshman year. Morgan is one of those players that you hate to see her leave. She will be missed."

Wildcat Basketball

In 2009-2010, the Wildcat Basketball team looked to improve from last year's record. They started off the season strong behind the leadership of Seniors, Spencer Roznos, Kenny Huynh, Johnny Shrake, and Dominique Basset. The team finished the season strong just like the beginning and moved into the playoffs, where they moved to the second round of playoffs.

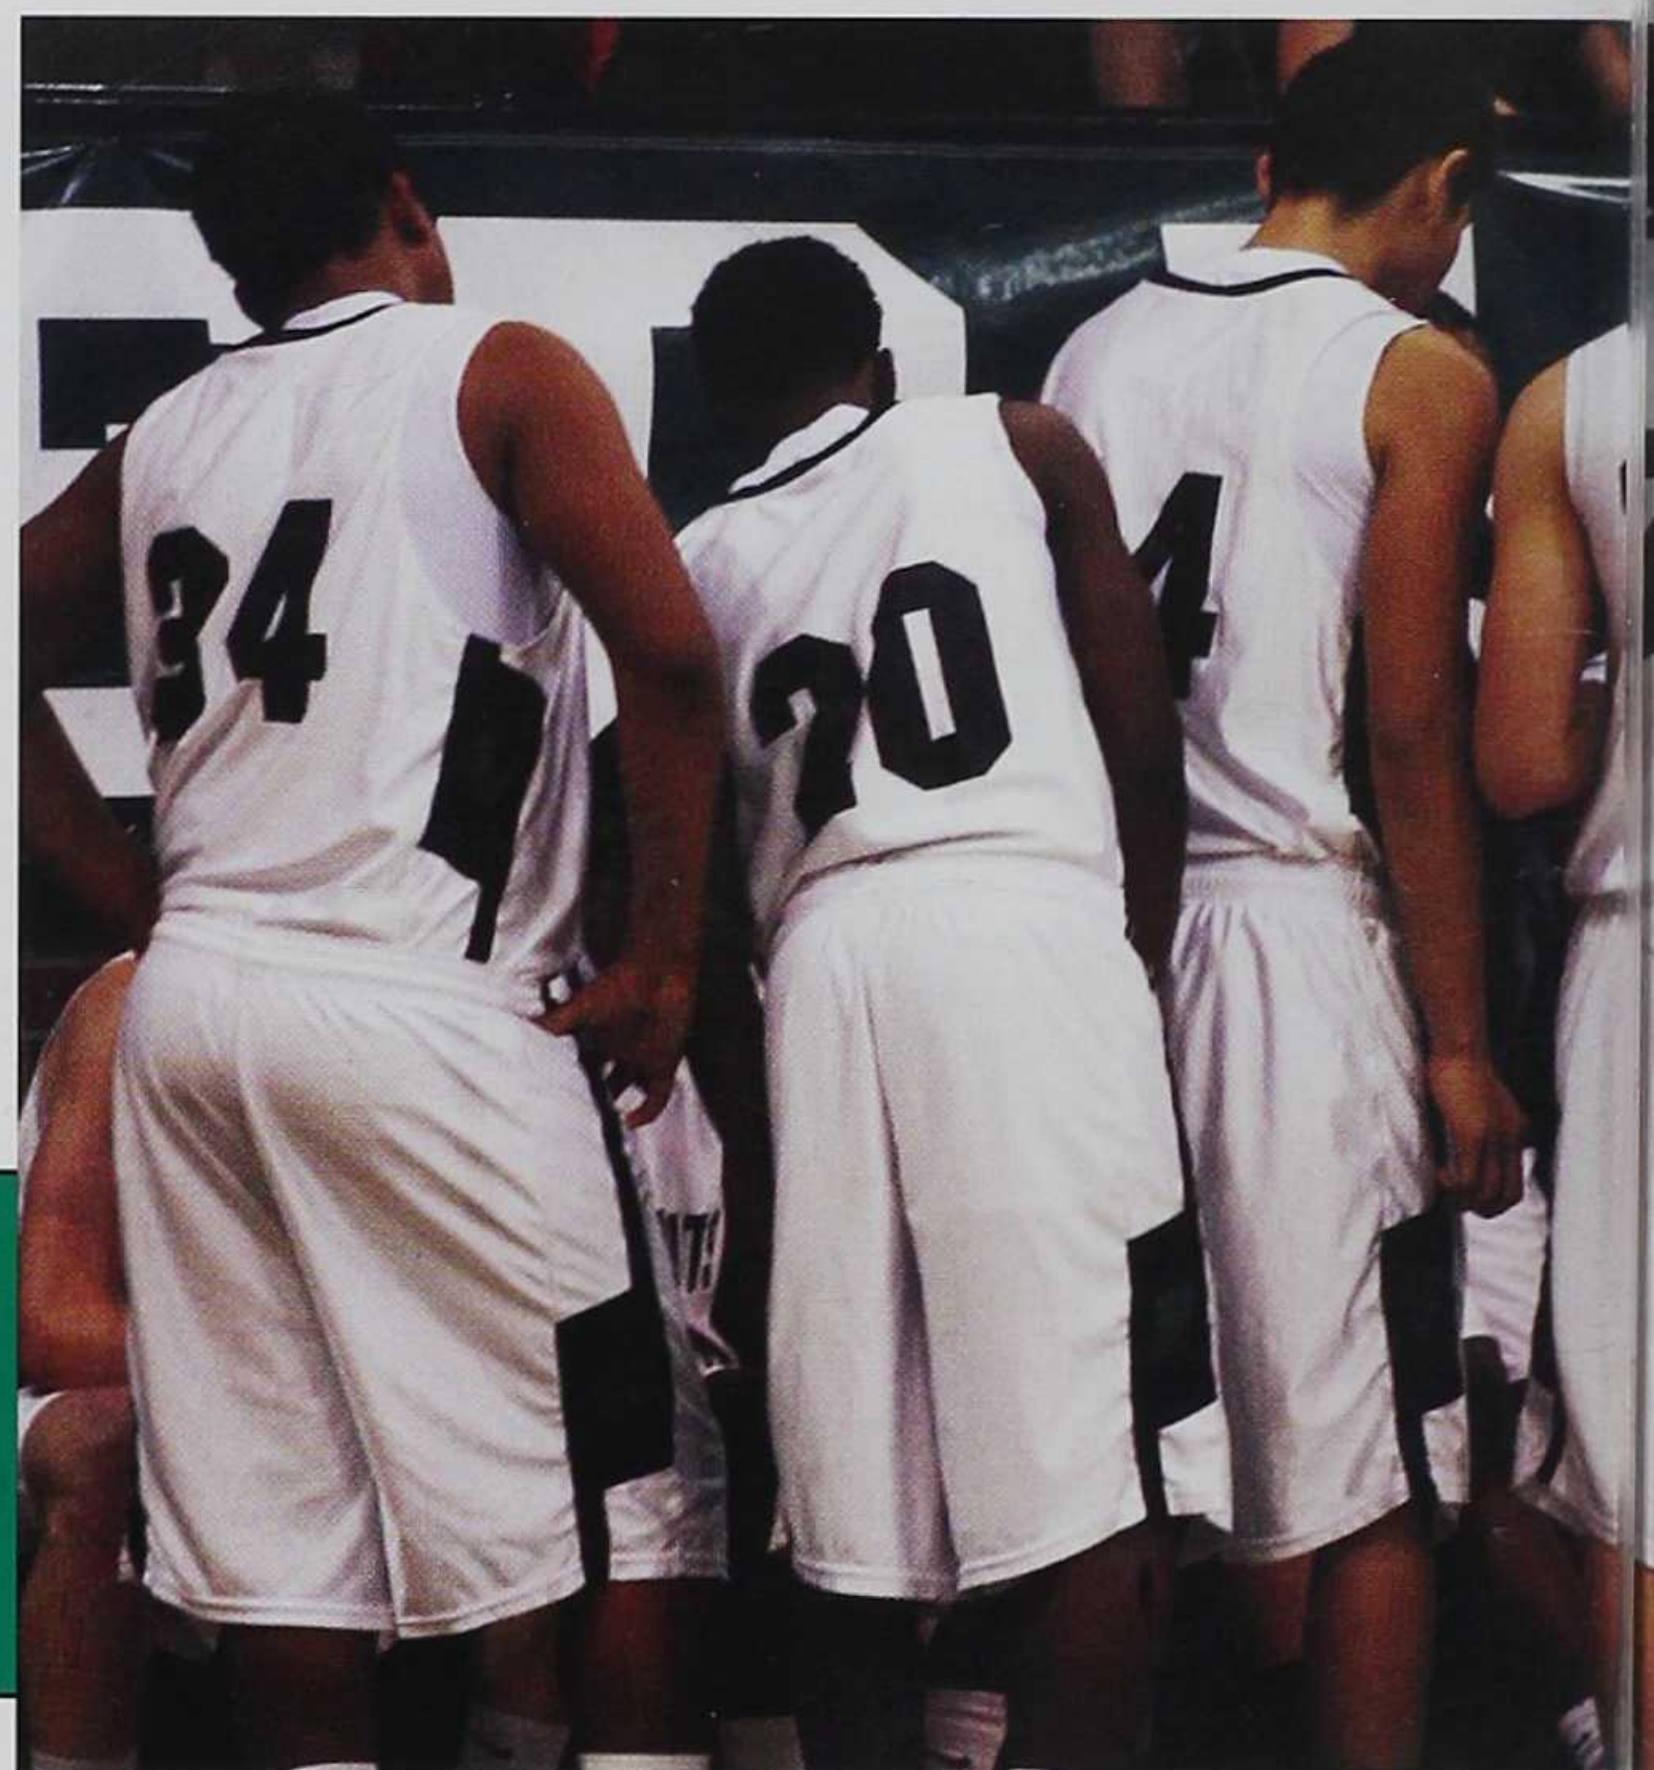

Above: Junior, Justin Braswell, plays defense during a game.

Below: Junior, Cameron Massengill, shoots for two during a game.

Left: Junior, DeJuan Cooper shoots for two with a Ferris defender attempting to block him.

Right: The Varisty boys huddle to listen to Coach Groff and Coach Watson, during a time-out.

Dominique Bassett- "Domonique comes everyday with a smile and the willingness to get better. He makes the team better on and off the floor."

Johnny Shrake- "I don't know if we have ever had a player that works as hard as Johnny. He is one of the best we have ever had at Kennedale."

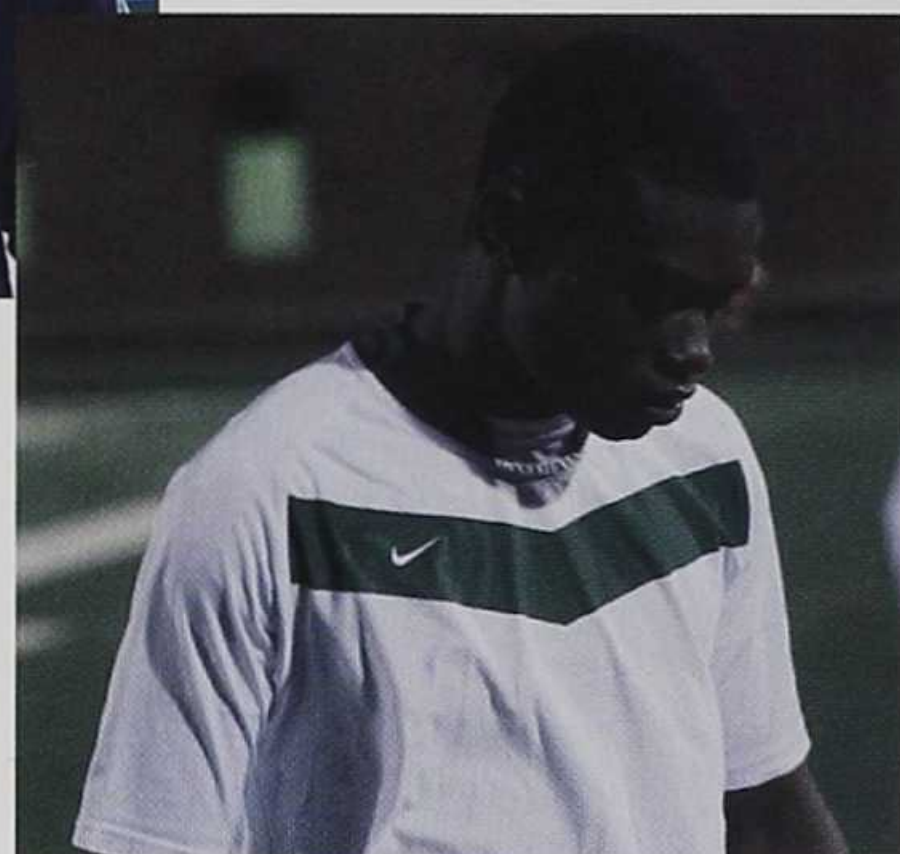

Wildcat Soccer

The 2009-2010 Wildcat Soccer team, led by seniors, Nathan and Chris Degen, Daniel Rico, Christian Gomez, Vincent Perez, and Diego Ontiveros competed with the best in the district. They also attended two tournaments, one of which was hosted by KHS. The teams placed fourth in the Border City Shootout, held in Texarkana. "Wildcat Soccer competes on a level no other program can match. They fight relentlessly for respect, honor, dignity, and spirit despite the circumstances. The seniors of 2010 have left their mark on the program for all future classes," said Coach DeVries.

It's Coach DeVries's second year as varsity coach. The team has kept up the level of playing set by last year's seniors.

Senior, Jim Enoh is a valuable member of the Wildcat varsity soccer team.

Above: Diego Ontiveros concentrates very hard on keeping the ball away from the other team.

Right: The Varsity Wildcat Soccer Team takes a moment to pray before the game in a huddle.

Daniel Rico- "The soft-spoken, hard-working general, Daniel leads his peers by example."

Chris Degen- "Defined by his work-ethic, Chris finds his way into the spotlight."

Lady Kat Soccer

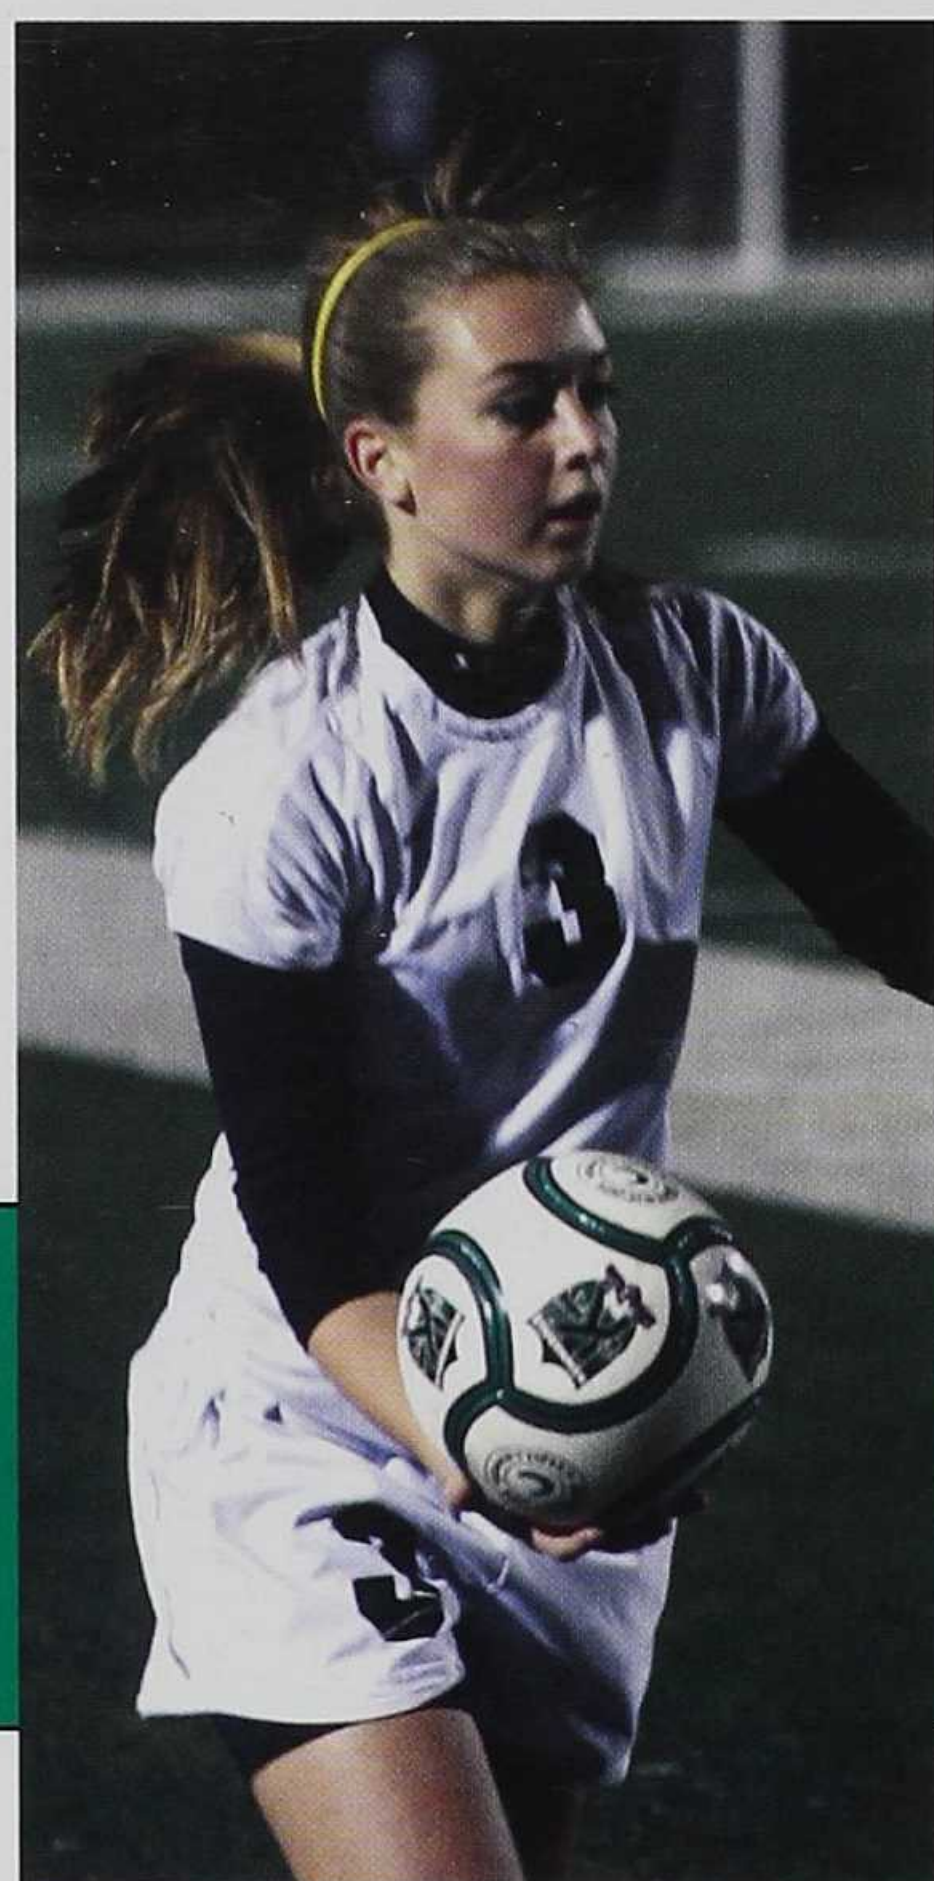

In 2010, the Kennedale Lady Kat soccer team was determined to rise above last season's expectations. The team started off the season well, attending three tournaments, winning the Highway 287 tournament, placing second in the Lady Kat Invitational, and third in the Border City Shootout. Led by seniors, Lauren Woods, Brooke Farmer, Abbey Carpenter, and Claudia Gonzales, the Lady Kats looked to make this the second consecutive year to go to the playoffs.

Left: Sophomore, Jasmine Symmons shoots toward the goal.

Right: Freshman, Julia King concentrates on connecting her foot to the ball.

Sophomore, Hannah Allen gets ready to lob the ball to one of her teammates.

Senior Spotlight

Brooke Farmer

Claudia Gonzalez

Abby Carpenter

Lauren Woods

"These four seniors have helped turn the Lady Kat Soccer team into a force to be reckoned with in 4A soccer. The last two years of their soccer career here at KHS they have helped lead the team to our first two playoff appearances and wins in team history." -Coach Jay Zeller

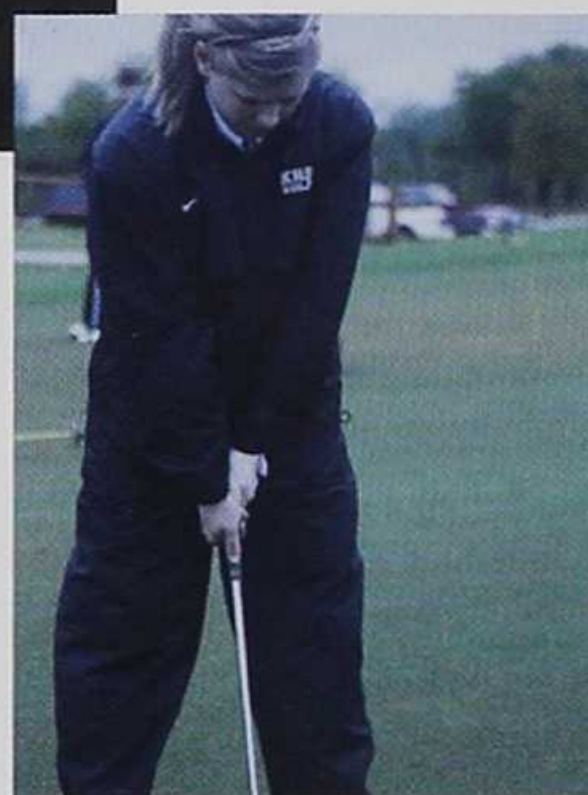

Golf

In 2009-2010, the Kennedale High School Fall Golf team attended the Fall Frolic hosted by Maypearl High School. At the tournament, both of the teams played their hearts out and the boy's team brought home the first place prize, while the girl's team brought home second. Winter came around and the teams all went their separate ways. Some played different sports while some stayed and focused on their schoolwork. The clouds parted, the weather changed from cold to warm and the team has reunited to take on the spring tournaments.

This is not a one day project, and will take a lot longer than you'd think!

Congratulations! My precious baby turned into a beautiful young lady. I am so proud of you and look forward to what you will become. You have a big future ahead of you. Stay strong and committed to what you want out of life. I know in my heart that your life experiences so far, good and bad, are going to be used to touch many lives. Follow your dreams, trust God, use your gifts and talents that he gave you and always listen to your heart. You have been and will always be the light of my life. I love you always.

I'm proud of you son.
I love you,
Dad

We are so proud of you. I tried to think of something deep and philosophical to say, but the words you spoke as Don Quixote kept going through my head, and that is how I see you-as a Knight going into the world in search of adventures; to mount a crusade; to raise up the weak the unreachable star; to rise each time you fall; to fight for the right, without question or pause, to enjoy the journey-we will be cheering all along the way.

Wackside

It's hard to believe you are already 18, graduating high school and about to start a new journey at Texas Tech. We have had so much fun and have so many wonderful memories (except that one church camp haha!). As you take this next BIG step, keep Jesus Christ as your compass and always know we love you. Enjoy each day and make the most of it. This is the day the Lord has made, rejoice and be glad in it!! Love what you do and you'll never work a day in your life! What you do, we will be there every step of the way. We are very proud of you!!

Love You More,
Mom and Dad

Watching you grow up over the years has been such a blessing! We are so proud of the young man that you have become! We pray that you will allow God to keep you in His care... Always!

We love you so very much,

It has been a privilege and an honor to be your parents. We have watched you grow up into a beautiful, smart, and honorable young lady. The memories that we share from your school years are priceless and so are you. In a very short while, you will begin experiencing new things in your life, like a job and a college schedule. Our prayer for you is that you experience the joy and abundance in life that God has planned for you, and that you are fulfilled by it. Remember that through it all you have a family that loves you dearly and a savior that will never forsake you. Congratulations on your graduation. We look forward to many more priceless memories to come.

Love always,

Mom, Dad, Carla, David, and Hope.

Since the moment we found out there were two of you, we knew that God has blessed us with some pretty special angels. The time has flown by so fast that it's hard to believe the time has come for y'all to embark on a new adventure in life. You both have made us all so very proud of the smart, beautiful, caring, confident and independent young women you've grown up to be. Remain true to yourselves and to God, and He will bless you every step of the way of your new journey. Nana would be so proud, although, it never took much for her. Her love and trust in Jesus trickled down to both of you, and for that, I am so grateful. We all love both of you very much.

We are so proud of you and the young man you've become. These years have slipped by too quickly; we hope you've learned from us as much as we've learned from knowing and loving you. Of your many accomplishments, none can make us as proud as your faith in Jesus and your compassion for people. You've always had a kind heart; bringing home everything from stray animals to friends who've needed help. Our hope for your future is that you continue to walk with Christ and shine your light on those in need.

We love you

Madison

Madison,

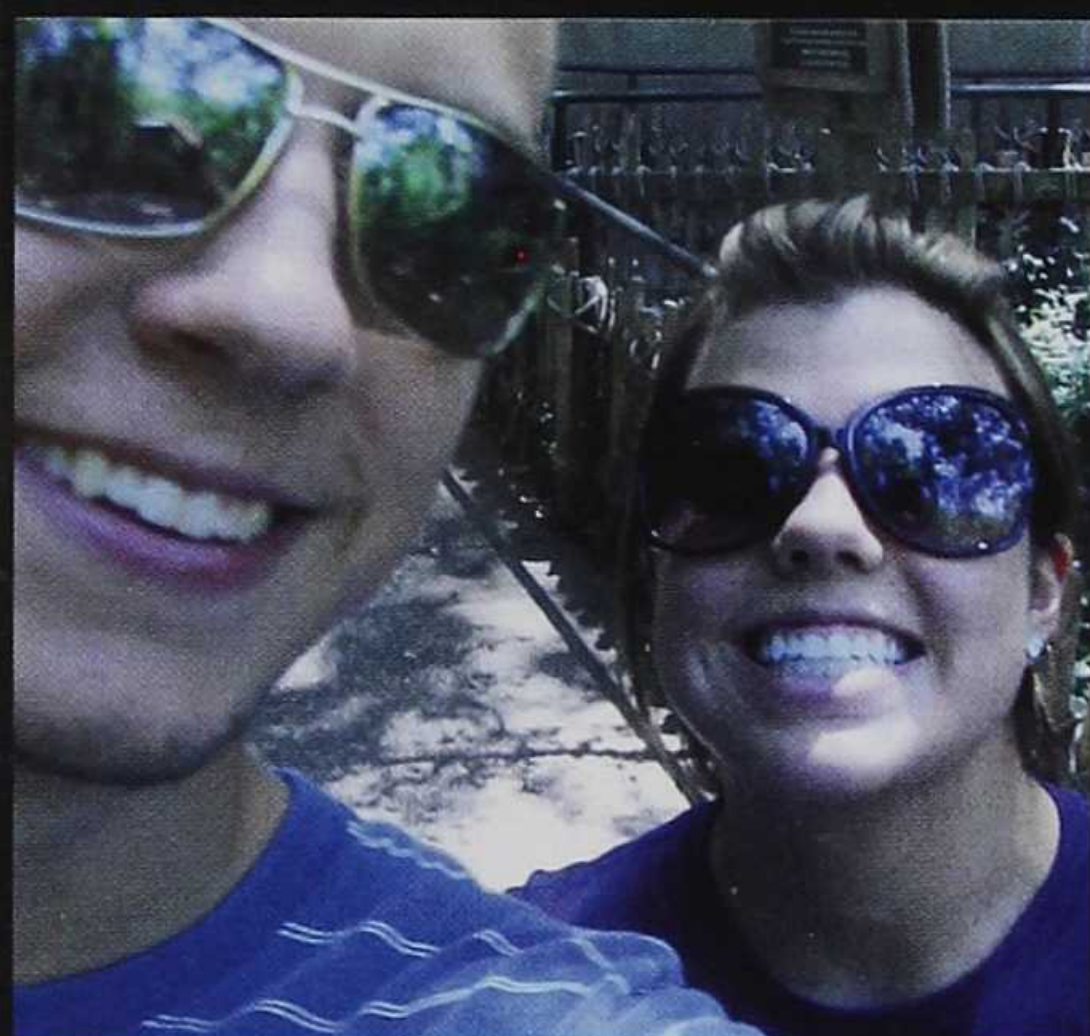

Eighteen years ago the Lord blessed us with you, our beautiful baby girl. Since that day you have given us more joy and happiness that you could ever know. Our sweet little girl has grown into an awesome young woman whose smile and personality warms your heart and soul. From playing sports to swimming and playing guitar, you have given us so many memories. It seems like yesterday when you were starting Kindergarten, now you are a senior about to begin a new journey. On this journey God will give you mountain tops to rejoice on and valleys to grow in, but always know that God will be with you each and every step of the way. You are a loyal, honest, kindhearted and admirable young woman who strives to be a leader in this world and not a follower. Stay true to yourself and let God lead your paths. We will always be here for you with all our love and support. We are so very proud of you Madison!! It is no doubt that the melody of your heart will make it beautiful. ~ Phil. 4:13~!

We love you so much,
Mom and Dad

Words cannot convey how proud I am of you! I have seen you grow into a smart, beautiful and ambitious young woman capable of achieving anything you set your mind to. As you prepare for the road that lies ahead I implore you to never forget just that...you can achieve anything your heart desires. So dream big, work hard and never give up and success will inevitably be yours to claim! I love you so very much little sister and know that I am always just a phone call or text away. Good luck in whatever you decide to do.

Love,
Your Big Brother, Ryder

It's been such a blessing to watch my baby sister grow up to become the talented, beautiful young woman that you are! Now, the time has come for you to graduate and take a step further in life. It seems like yesterday when you and I were walking down the same Kennedale High School hallways together. I've seen you accomplish many goals in life and I know without a doubt that you will achieve many more! There is no task, big or small, that you cannot handle. You are such an inspiration to me Madison and I wouldn't be who I am today if I didn't have such a loving and caring sister like you in my life. I am so incredibly proud of you and I am honored and privileged to be your brother! I will always be there for you, but more importantly, God will always be there for you! I want to share with you a quote I read daily, as an encouragement for whatever you decide to do in life.. "Your talent is God's gift to you. What you do with that talent is your gift to God." With that as your desire you can do many great things and I know you will! I love you with all my heart and soul Madison! ~Proverbs 3:5-6~

With love, forever and always,

Chase

"Be not afraid of greatness: some are born great, some achieve greatness and some have greatness thrust upon them" -William Shakespeare

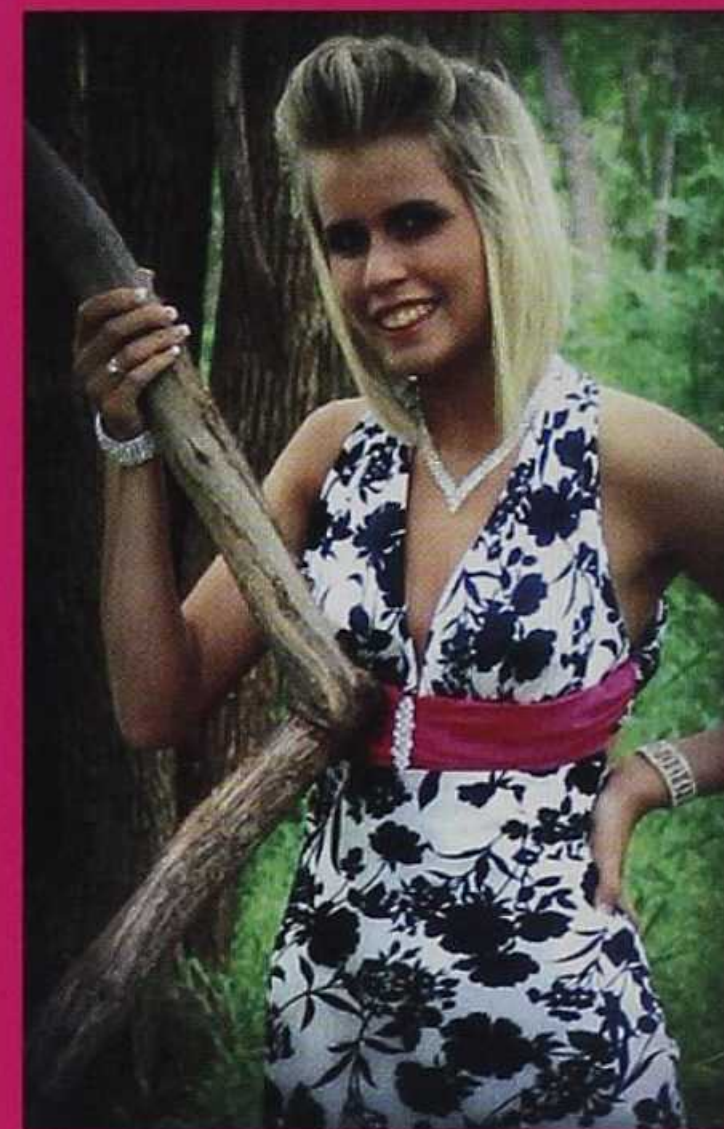

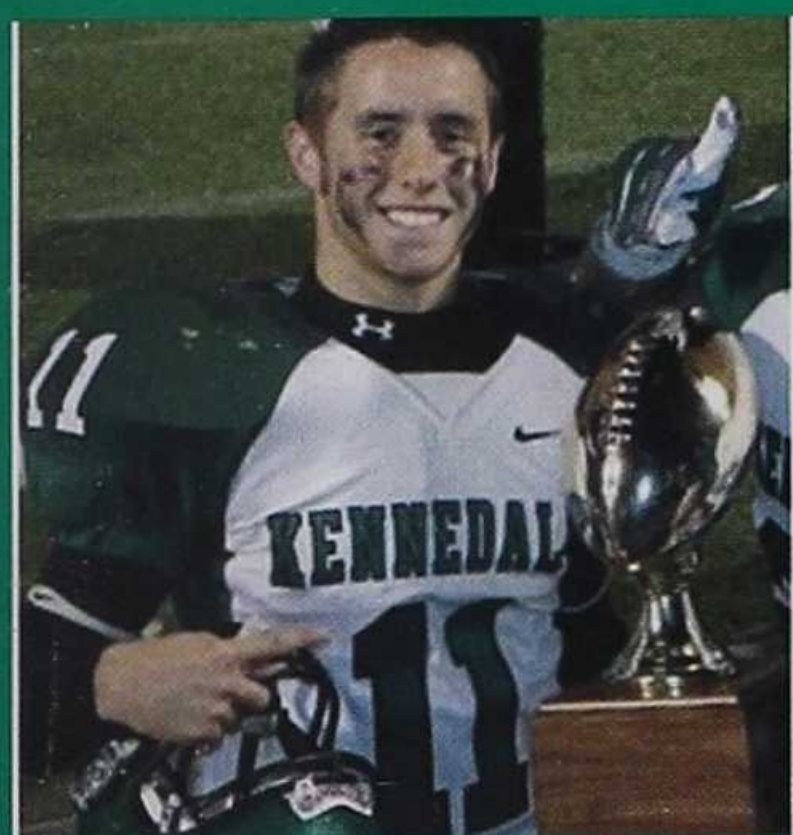

Victoria Carrie Pearce

It seems only yesterday that God blessed us with our precious baby girl. Our lives were changed forever! Suddenly, we were immersed into the world of pink ruffles, baby dolls, and giggles. We have loved every day of "girl life" from Barbie dolls and dance, to cheerleading, boyfriends, and the TWEETY yellow bug. We are so proud of the caring, young woman you have become. We know it has been a road of ups and downs, but your strong faith in God has prevailed in your life. We are so proud of your accomplishments, but more important is the character you display every day. We marvel at the intelligent, talented, and caring person you are. You are beautiful inside and out. You live life OUTLOUD and we love it!! You are a shining example of what every parents hopes their child grows up to be.

We love you,
Dad, Mom, Anthony, Soup, Chad, Carrie, and Baby Carson

I can do all things through Christ who strengthens me.
Philippians 4:13

These past 12 years have taken forever for you but for us they have gone by too fast. From tearful drop offs to driving yourself, we have seen you transform into a fine young man, full of potential and promise. Do you know that you are prayed for every single day? We all love you so much and want the best that the world has to offer you. Keep your focus first on God, acknowledge him in all ways and He WILL direct your path. Whatever your future holds, always remember that what you are is God's gift to you but what you become is your gift to God. Give your best!!!

Love you forever,

Dad & Mom, Grace, Nanny & Elbert, Grandma, Grandpa

Ladies:

It has been a pleasure getting to know you four this year and last. Burgandi and Victoria, thank you for stepping up as the Co-Editors In Chief. You both did a wonderful job. Drew, thanks for your expertise in PhotoShop. Shila, I am so glad we got to steal you from Legacy. Each one of you has contributed so much to yearbook. Thank you so much for the memories. Good luck with everything that you do in the future. I know you ladies are going to succeed in anything you do.

Love, Coach Statum

At Kennedale High School, every student has the "X Factor". Whether you participate in Football, Spanish Club, FCA, Choir, Tennis, Yearbook, Art Club, or the many other activities offered, the students here at Kennedale always "Xcel" beyond expectations. The leaders at Kennedale, students or adults, demonstrate "Xcellence" every day by making the school a better place to learn. The teams go to the "Xtreme" to be the best they can be and work to make Kennedale High School proud.

[X] factor

Every student at Kennedale wants to give a little "Xtra" in one way or another. From staying after school to work on lines for theatre, to coming early to school to attend tutoring to improve their grades, the students work their hardest to give each teacher or staff member a good impression of the student they can be. What did you do this year to have an "X Factor"?
